

American Gun Owners Alliance Lawsuit Fund Donation

The American Gun Owners Lawsuit Fund is used to help pay attorney fees when challenging an illegal law or ordinance. The funds come from both member and non-member donations. All money donated and marked as to be used for the fund is kept in a separate account from our working funds and will not be used for any other reason than helping fight court battles pertaining to 2nd amendment rights violations.

Please complete the following information and mail this with your check.

Name: _____

Address: _____

City: _____

State: _____
