(Coauthors: Senators Anderson, Block, Fuller, and Knight)

December 3, 2012

An act to amend Section 1203.4 of, and to add Section 311.12 to, the Penal Code, relating to obscene matter.

LEGISLATIVE COUNSEL'S DIGEST

AB 20, as amended, Waldron. Obscene matter: minors.

Existing law generally prohibits the production, distribution, and production of any representation of information, data, or image, as specified, of any obscene matter that depicts a person under 18 years of age personally engaging in or personally simulating sexual conduct, as defined. Violations of these provisions are crimes.

This bill would provide that every person who is convicted of a violation of specified offenses relating to obscene matter involving minors, as specified, in which the violation is committed on, or via, a government-owned computer or via a government-owned computer network, or in which the production, transportation, or distribution of which involves the use, possession, or control of government-owned property shall, in addition to any imprisonment or fine imposed for the commission of the underlying offense, be punished by a fine not exceeding \$2,000, unless the court determines that the defendant does not have the ability to pay. The bill would provide that revenue from

any fines collected would be transferred for deposit into a county fund established for that purpose and allocated for sexual assault investigator training, high technology crime task forces, public agencies and nonprofit corporations that provide shelter, counseling, or other direct services for victims of human trafficking, and multidisciplinary teams involved in the prosecution of child abuse cases, as specified.

Existing law allows for the release from all penalties and disabilities resulting from an offense for which the person was convicted if specified criteria are met. Existing law excludes certain sex offenses from these provisions.

This bill would additionally exclude specified offenses relating to obscene matter involving minors from these provisions.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 311.12 is added to the Penal Code, to
2 read:
3 311.12. (a) (1) Every person who is convicted of a violation
4 of Section 311.1, 311.2, 311.3, 311.10, or 311.11 in which the
5 offense involves the production, use, possession, control, or
6 advertising of matter or image that depicts a person under 18 years
7 of age personally engaging in or simulating sexual conduct, as
8 defined in subdivision (d) of Section 311.4, in which the violation
9 is committed on, or via, a government-owned computer or via a
10 government-owned computer network, shall, in addition to any
11 imprisonment or fine imposed for the commission of the underlying
12 offense, be punished by a fine not exceeding two thousand dollars
13 (\$2,000), unless the court determines that the defendant does not
14 have the ability to pay.
15 (2) Every person who is convicted of a violation of Section
16 311.1, 311.2, 311.3, 311.10, or 311.11 in which the offense
17 involves the production, use, possession, control, or advertising
18 of matter or image that depicts a person under 18 years of age
19 personally engaging in or simulating sexual conduct, as defined
20 in subdivision (d) of Section 311.4, in which the production,
21 transportation, or distribution of which involves the use, possession,
22 or control of government-owned property shall, in addition to any
23 imprisonment or fine imposed for the commission of the underlying

1 offense, be punished by a fine not exceeding two thousand dollars
2 (\$2,000), unless the court determines that the defendant does not
3 have the ability to pay.

4 (b) The fines in subdivision (a) shall not be subject to the
5 provisions of Sections 70372, 76000~~and~~, 76000.5, and 76104.6
6 of the Government Code, or Sections 1464 and 1465.7 of this code.

7 (c) Revenue from any fines collected pursuant to this section
8 shall be deposited into a county fund established for that purpose
9 and allocated as follows, and a county may transfer all or part of
10 any of those allocations to another county for the allocated use:

11 (1) Twenty-five percent for sexual assault investigator training.

12 (2) Twenty-five percent for high technology crime task forces.

13 (3) Twenty-five percent for public agencies and nonprofit
14 corporations that provide shelter, counseling, or other direct
15 services for victims of human trafficking.

16 (4) Twenty-five percent for multidisciplinary teams.

17 (d) As used in this section:

18 (1) "Computer" includes any computer hardware, computer
19 software, computer floppy disk, data storage medium, or CD-ROM.

20 (2) "Government-owned" includes property and networks owned
21 or operated by state government, city government, city and county
22 government, county government, a public library, or a public
23 college or university.

24 (3) "Multidisciplinary teams" means a child-focused,
25 facility-based program in which representatives from many
26 disciplines, including law enforcement, child protection,
27 prosecution, medical and mental health, and victim and child
28 advocacy work together to conduct interviews and make team
29 decisions about the investigation, treatment, management, and
30 prosecution of child abuse cases, including child sexual abuse
31 cases. It is the intent of the Legislature that this multidisciplinary
32 team approach will protect victims of child abuse from multiple
33 interviews, result in a more complete understanding of case issues,
34 and provide the most effective child and ~~family-focused~~
35 *family-focused* system response possible.

36 (e) Nothing in this section shall be construed to require any
37 government or government entity to retain data in violation of any
38 provision of state or federal law.

39 SEC. 2. Section 1203.4 of the Penal Code is amended to read:

1 1203.4. (a) (1) In any case in which a defendant has fulfilled
2 the conditions of probation for the entire period of probation, or
3 has been discharged prior to the termination of the period of
4 probation, or in any other case in which a court, in its discretion
5 and the interests of justice, determines that a defendant should be
6 granted the relief available under this section, the defendant shall,
7 at any time after the termination of the period of probation, if he
8 or she is not then serving a sentence for any offense, on probation
9 for any offense, or charged with the commission of any offense,
10 be permitted by the court to withdraw his or her plea of guilty or
11 plea of nolo contendere and enter a plea of not guilty; or, if he or
12 she has been convicted after a plea of not guilty, the court shall
13 set aside the verdict of guilty; and, in either case, the court shall
14 thereupon dismiss the accusations or information against the
15 defendant and except as noted below, he or she shall thereafter be
16 released from all penalties and disabilities resulting from the
17 offense of which he or she has been convicted, except as provided
18 in Section 13555 of the Vehicle Code. The probationer shall be
19 informed, in his or her probation papers, of this right and privilege
20 and his or her right, if any, to petition for a certificate of
21 rehabilitation and pardon. The probationer may make the
22 application and change of plea in person or by attorney, or by the
23 probation officer authorized in writing. However, in any subsequent
24 prosecution of the defendant for any other offense, the prior
25 conviction may be pleaded and proved and shall have the same
26 effect as if probation had not been granted or the accusation or
27 information dismissed. The order shall state, and the probationer
28 shall be informed, that the order does not relieve him or her of the
29 obligation to disclose the conviction in response to any direct
30 question contained in any questionnaire or application for public
31 office, for licensure by any state or local agency, or for contracting
32 with the California State Lottery Commission.

33 (2) Dismissal of an accusation or information pursuant to this
34 section does not permit a person to own, possess, or have in his or
35 her custody or control any firearm or prevent his or her conviction
36 under Chapter 2 (commencing with Section 29800) of Division 9
37 of Title 4 of Part 6.

38 (3) Dismissal of an accusation or information underlying a
39 conviction pursuant to this section does not permit a person

1 prohibited from holding public office as a result of that conviction
2 to hold public office.

3 (4) This subdivision shall apply to all applications for relief
4 under this section which are filed on or after November 23, 1970.

5 (b) Subdivision (a) of this section does not apply to any
6 misdemeanor that is within the provisions of Section 42002.1 of
7 the Vehicle Code, to any violation of subdivision (c) of Section
8 286, Section 288, subdivision (c) of Section 288a, Section 288.5,
9 subdivision (j) of Section 289, Section 311.1, 311.2, 311.3, or
10 311.11, or any felony conviction pursuant to subdivision (d) of
11 Section 261.5, or to any infraction.

12 (c) (1) Except as provided in paragraph (2), subdivision (a)
13 does not apply to a person who receives a notice to appear or is
14 otherwise charged with a violation of an offense described in
15 subdivisions (a) to (e), inclusive, of Section 12810 of the Vehicle
16 Code.

17 (2) If a defendant who was convicted of a violation listed in
18 paragraph (1) petitions the court, the court in its discretion and in
19 the interests of justice, may order the relief provided pursuant to
20 subdivision (a) to that defendant.

21 (d) A person who petitions for a change of plea or setting aside
22 of a verdict under this section may be required to reimburse the
23 court for the actual costs of services rendered, whether or not the
24 petition is granted and the records are sealed or expunged, at a rate
25 to be determined by the court not to exceed one hundred fifty
26 dollars (\$150), and to reimburse the county for the actual costs of
27 services rendered, whether or not the petition is granted and the
28 records are sealed or expunged, at a rate to be determined by the
29 county board of supervisors not to exceed one hundred fifty dollars
30 (\$150), and to reimburse any city for the actual costs of services
31 rendered, whether or not the petition is granted and the records are
32 sealed or expunged, at a rate to be determined by the city council
33 not to exceed one hundred fifty dollars (\$150). Ability to make
34 this reimbursement shall be determined by the court using the
35 standards set forth in paragraph (2) of subdivision (g) of Section
36 987.8 and shall not be a prerequisite to a person's eligibility under
37 this section. The court may order reimbursement in any case in
38 which the petitioner appears to have the ability to pay, without
39 undue hardship, all or any portion of the costs for services
40 established pursuant to this subdivision.

- 1 (e) (1) Relief shall not be granted under this section unless the
- 2 prosecuting attorney has been given 15 days' notice of the petition
- 3 for relief. The probation officer shall notify the prosecuting attorney
- 4 when a petition is filed, pursuant to this section.
- 5 (2) It shall be presumed that the prosecuting attorney has
- 6 received notice if proof of service is filed with the court.
- 7 (f) If, after receiving notice pursuant to subdivision (e), the
- 8 prosecuting attorney fails to appear and object to a petition for
- 9 dismissal, the prosecuting attorney may not move to set aside or
- 10 otherwise appeal the grant of that petition.
- 11 (g) Notwithstanding the above provisions or any other provision
- 12 of law, the Governor shall have the right to pardon a person
- 13 convicted of a violation of subdivision (c) of Section 286, Section
- 14 288, subdivision (c) of Section 288a, Section 288.5, or subdivision
- 15 (j) of Section 289, if there are extraordinary circumstances.
