- grandparent, or guardian;
- For each customer who leaves with a purchased firearm, verify that each firearm sold at a gun show is delivered in compliance with the required the 3-day waiting period; and
- Post certain notices at the gun show.

Violating any of these provisions is unlawful gun show management, which is a class 2 misdemeanor; except that a second or subsequent offense is a class 1 misdemeanor and, in addition to a criminal penalty, the promoter is prohibited from acting as a gun show promoter for 5 years.

The bill prohibits a person from participating in a gun show as a gun show vendor if the person is not a federal firearms licensee, does not hold a valid state firearms dealer permit, has been convicted of a second offense of unlawful gun show vendor activity as described in the bill, or has not completed a gun show certification for the gun show promoter as required in the bill. Unlawful participation in a gun show as a gun show vendor is a class 2 misdemeanor; except that a second or subsequent offense is a class 1 misdemeanor.

Before participating in a gun show, a gun show vendor is required to certify to the gun show promoter that the vendor satisfies the requirements to be a gun show vendor and will comply with federal, state, and local laws while participating in the gun show.

While participating in a gun show, a gun show vendor shall display copies of the vendor's federal firearms license and state firearms dealer permit, keep firearms unloaded and securely affixed to the vendor's countertop or wall, secure ammunition in an enclosed display case or behind the vendor's counter or other customer access prevention device, and include with each sold firearm written information describing secure storage and lost or stolen firearm reporting requirements in state law. Unlawful gun show vendor activity is a class 2 misdemeanor; except that a second or subsequent offense is a class 1 misdemeanor and the person is prohibited from participating as a vendor at a gun show.

The bill maintains the requirement in existing law that a gun show vendor conduct a background check for each firearm transfer at a gun show.

1 *Be it enacted by the General Assembly of the State of Colorado:*

2           **SECTION 1. Legislative declaration.** (1) The general assembly  
 3 finds and declares that:

4           (a) Gun violence remains a significant threat to public safety in  
 5 Colorado, causing harm to individuals, families, and communities across

1 the state. Effectively addressing gun violence requires a comprehensive  
2 strategy that includes both preventing illegal firearm transfers and  
3 ensuring responsible ownership practices.

4 (b) Gun shows serve as important venues for the lawful sale and  
5 transfer of firearms. However, these events present unique challenges for  
6 regulating the movement of firearms and preventing illegal trafficking.  
7 While gun shows are lawful and cater primarily to responsible gun  
8 owners, they can also provide opportunities for firearms to be transferred  
9 without proper oversight, potentially leading to unlawful possession and  
10 misuse.

11 (c) It is essential for Colorado to implement strong regulatory  
12 measures at gun shows to mitigate the risks associated with unregulated  
13 or improper firearm transfers and the unlawful sale of large-capacity  
14 magazines, including magazines that are designed to be readily converted  
15 to accept more than 15 rounds of ammunition, and unserialized firearms  
16 or frames or receivers of a firearm. The regulatory measures include the  
17 requirement for gun show promoters and vendors to follow security  
18 protocols, conduct background checks, and ensure firearms are stored and  
19 handled safely.

20 (d) This legislation requires gun show promoters to develop and  
21 implement security plans, secure liability coverage, and verify that  
22 firearms are sold or transferred in compliance with state and federal laws.  
23 In addition, vendors are required to comply with mandatory background  
24 checks and adhere to federal, state, and local firearm laws and proper  
25 firearm storage practices.

26 (e) By fostering responsible practices at gun shows, Colorado can  
27 reduce the potential for illegal firearm trafficking and decrease the

1 likelihood that firearms will be misused in criminal acts or violence; and

2 (f) Reducing gun violence and ensuring the safe and lawful  
3 transfer of firearms is a shared responsibility between the state, local  
4 governments, and communities. This act represents a step toward  
5 ensuring the safety of all Coloradans, while balancing the rights of  
6 responsible gun owners.

7 (2) Therefore, the general assembly declares that regulating gun  
8 shows to ensure the safety, security, and lawful transfer of firearms is of  
9 both local and statewide concern, aimed at reducing gun violence and  
10 promoting responsible firearm ownership practices throughout Colorado.
