29	[EFFECTIVE UPON PASSAGE]: Sec. 9. (a) In determining the
30	amount of state gross retail and use taxes which a retail merchant must
31	remit under section 7 of this chapter, the retail merchant shall, subject
32	to subsections (c) and (d), deduct from the retail merchant's gross retail
33	income from retail transactions made during a particular reporting
34	period, an amount equal to the retail merchant's receivables which:
35	(1) resulted from retail transactions in which the retail merchan
36	did not collect the state gross retail or use tax from the purchaser
37	(2) resulted from retail transactions on which the retail merchan
38	has previously paid the state gross retail or use tax liability to the
39	department; and
10	(3) were written off as an uncollectible debt for federal tax
11	purposes under Section 166 of the Internal Revenue Code during
12	the particular reporting period.

1	(b) If a retail merchant deducts a receivable under subsection (a)
2	and subsequently collects all or part of that receivable, then the retail
3	merchant shall, subject to subsection (d)(6), include the amount
4	collected as part of the retail merchant's gross retail income from retail
5	transactions for the particular reporting period in which the retail
6	merchant makes the collection.
7	(c) This subsection applies only to retail transactions occurring after
8	December 31, 2006. June 30, 2007. As used in this subsection,
9	"affiliated group" means any combination of the following:
10	(1) An affiliated group within the meaning provided in Section
11	1504 of the Internal Revenue Code (except that the ownership
12	percentage in Section 1504(a)(2) of the Internal Revenue Code
13	shall be determined using fifty percent (50%) instead of eighty
14	percent (80%)) or a relationship described in Section 267(b)(11)
15	of the Internal Revenue Code.
16	(2) Two (2) or more partnerships (as defined in IC 6-3-1-19),
17	including limited liability companies and limited liability
18	partnerships, that have the same degree of mutual ownership as
19	an affiliated group described in subdivision (1), as determined
20	under the rules adopted by the department.
21	The right to a deduction under this section is not assignable to an
22	individual or entity that is not part of the same affiliated group as the
23	assignor.
24	(d) The following provisions apply to a deduction for a receivable
25	treated as uncollectible debt under subsection (a):
26	(1) The deduction does not include interest.
27	(2) The amount of the deduction shall be determined in the
28	manner provided by Section 166 of the Internal Revenue Code for
29	bad debts but shall be adjusted to exclude:
30	(A) financing charges or interest;
31	(B) sales or use taxes charged on the purchase price;
32	(C) uncollectible amounts on property that remain in the
33	possession of the seller until the full purchase price is paid;
34	(D) expenses incurred in attempting to collect any debt; and
35	(E) repossessed property.

37	during which the receivable is written off as uncollectible in the
38	claimant's books and records and is eligible to be deducted for
39	federal income tax purposes. For purposes of this subdivision, a
40	claimant who is not required to file federal income tax returns
41	may deduct an uncollectible receivable on a return filed for the

period in which the receivable is written off as uncollectible in the

1	claimant's books and records and would be eligible for a bad debt
2	deduction for federal income tax purposes if the claimant were
3	required to file a federal income tax return.
4	(4) If the amount of uncollectible receivables claimed as a
5	deduction by a retail merchant for a particular reporting period
6	exceeds the amount of the retail merchant's taxable sales for that
7	reporting period, the retail merchant may file a refund claim
8	under IC 6-8.1-9. However, the deadline for the refund claim shall
9	be measured from the due date of the return for the reporting
10	period on which the deduction for the uncollectible receivables
11	could first be claimed.
12	(5) If a retail merchant's filing responsibilities have been assumed
13	by a certified service provider (as defined in IC 6-2.5-11-2), the
14	certified service provider may claim, on behalf of the retail
15	merchant, any deduction or refund for uncollectible receivables
16	provided by this section. The certified service provider must
17	credit or refund the full amount of any deduction or refund
18	received to the retail merchant.
19	(6) For purposes of reporting a payment received on a previously
20	claimed uncollectible receivable, any payments made on a debt or
21	account shall be applied first proportionally to the taxable price
22	of the property and the state gross retail tax or use tax thereon,
23	and secondly to interest, service charges, and any other charges.
24	(7) A retail merchant claiming a deduction for an uncollectible
25	receivable may allocate that receivable among the states that are
26	members of the streamlined sales and use tax agreement if the
27	books and records of the retail merchant support that allocation.

33	merchant is entitled to a credit. The credit shall be used as follows:
34	(1) First, the credit shall be applied against gross retail and use
35	tax liability of the retail merchant that is required to be remitted
36	under IC 6-2.5-6.
37	(2) Second, any amount remaining shall be applied against the
38	gasoline tax liability of the retail merchant, as determined under
39	IC 6-6-1.1, excluding any liability for gasoline delivered to a

40

41

taxable marine facility.

A retail merchant may file a claim for a refund instead of taking a

credit or for a refund of any excess tax payment remaining after the

credits allowed by this section. In addition, a retail merchant may file a claim for a refund under section 12 of this chapter.

- (b) A retail merchant that is entitled to a refund under this section must file a claim for the refund on the refund claim form approved by the department and must include any supporting documentation reasonably required by the department. If a retail merchant files a completed refund claim form that includes all supporting documentation, the excess tax payment that is not refunded within ninety (90) days accrues interest as provided in IC 6-8.1-9-2.
- (c) Before the fifth day of each month, the department shall determine and notify the treasurer of state of the amount of credits applied during the preceding month against the gasoline tax under this section. The treasurer of state shall transfer from the general fund:

- (1) prepays the state gross retail tax under this chapter;
- (2) is a retail merchant; and
- (3) sells gasoline that is exempt from the gross retail tax, as evidenced by a purchaser's exemption certificate issued by the department;

may not require the exempt purchaser to pay the gross retail taxes prepaid in the gasoline sold to the exempt purchaser. A distributor that has prepaid gross retail taxes and has not been reimbursed because the gasoline is sold to an exempt purchaser may file a claim for a refund (in addition to any claim for a refund filed under section 6.5 of this chapter), if the amount of unreimbursed prepaid gross retail taxes exceeds five hundred dollars (\$500). A claim for a refund must be on the form approved by the department and include all supporting documentation reasonably required by the department. If a distributor files a completed refund claim form that includes all supporting documentation, the department shall authorize the auditor of state to

1	issue a warrant for the refund.

FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 1. The following Ohio River Valley Water Sanitation Compact, which has been negotiated by representatives of the states of Illinois, Indiana, Kentucky, New York, Ohio, Pennsylvania, Tennessee, and West Virginia, is hereby approved, ratified, adopted, enacted into law, and entered into by the state of Indiana as a party thereto and signatory state, namely:

Whereas, A substantial part of the territory of each of the signatory states is situated within the drainage basin of the Ohio river; and

Whereas, The rapid increase in the population of the various metropolitan areas situated within the Ohio drainage basin, and the growth in industrial activity within that area, have resulted in recent years in an increasingly serious pollution of the waters and streams within the said drainage basin, constituting a grave menace to the health, welfare, and recreational facilities of the people living in such basin, and occasioning great economic loss; and

Whereas, The control of future pollution and the abatement of existing pollution in the waters of said basin are of prime importance to the people thereof, and can best be accomplished through the cooperation of the states situated therein, by and through a joint or common agency;

Now Therefore, The states of Illinois, Indiana, Kentucky, New York, Ohio, Pennsylvania, Tennessee, and West Virginia do hereby covenant and agree as follows:

Article 1.

Each of the signatory states pledges to each of the other signatory states faithful cooperation in the control of future pollution in and abatement of existing pollution from the rivers, streams, and waters in the Ohio river basin which flow through, into, or border upon any of such signatory states, and in order to effect such object, agrees to enact any necessary legislation to enable each such state to place and maintain the waters of said basin in a satisfactory sanitary condition, available for safe and satisfactory use as public and industrial water supplies after reasonable treatment, suitable for recreational usage, capable of maintaining fish and other aquatic life, free from unsightly or malodorous nuisances due to floating solids or sludge deposits, and adaptable to such other uses as may be legitimate.

Article 2.

The signatory states hereby create a district to be known as the "Ohio River Valley Water Sanitation District", hereinafter called the district, which shall embrace all territory within the signatory states, the water in which flows ultimately into the Ohio river, or its tributaries.

1 Article 3.

The signatory states hereby create the "Ohio River Valley Water Sanitation Commission", hereinafter called the commission, which shall be a body corporate, with the powers and duties set forth herein, and such additional powers as may be conferred upon it by subsequent action of the respective legislatures of the signatory states or by act or acts of the congress of the United States.

Article 4.

The commission shall consist of three (3) commissioners from each state, each of whom shall be a citizen of the state from which he is appointed, and three (3) commissioners representing the United States government. The commissioners from each state shall be chosen in the manner and for the terms provided by the laws of the state from which they shall be appointed, and any commissioner may be removed or suspended from office as provided by the laws of the state from which he shall be appointed. The commissioners representing the United States shall be appointed by the President of the United States, or in such other manner as may be provided by congress. The commissioners shall serve without compensation, but shall be paid their actual expenses incurred in and incident to the performance of their duties; but nothing herein shall prevent the appointment of an officer or employee of any state or of the United States government.

Article 5.

The commission shall elect from its number a chairman and vice chairman and shall appoint, and at its pleasure remove or discharge, such officers and legal, clerical, expert, and other assistants as may be required to carry the provisions of this compact into effect, and shall fix and determine their duties, qualifications, and compensation. It shall adopt a seal and suitable bylaws, and shall adopt and promulgate rules and regulations for its management and control. It may establish and maintain one (1) or more offices within the district for the transaction of its business, and may meet at any time or place. One (1) or more commissioners from a majority of the member states shall constitute a quorum for the transaction of business.

The commission shall submit to the governor of each state, at such time as he may request, a budget of its estimated expenditures for such period as may be required by the laws of such state for presentation to the legislature thereof.

The commission shall keep accurate books of account, showing in full its receipts and disbursements, and said books of account shall be open at any reasonable time to the inspection of such representatives of the respective signatory states as may be duly constituted for that

purpose.

On or before the first day of December of each year, the commission shall submit to the respective governors of the signatory states a full and complete report of its activities for the preceding year.

The commission shall not incur any obligations of any kind prior to the making of appropriations adequate to meet the same; nor shall the commission pledge the credit of any of the signatory states, except by and with the authority of the legislature thereof.

Article 6.

It is recognized by the signatory states that no single standard for the treatment of sewage or industrial wastes is applicable in all parts of the district due to such variable factors as size, flow, location, character, self-purification, and usage of waters within the district. The guiding principle of this compact shall be that pollution by sewage or industrial wastes originating within a signatory state shall not injuriously affect the various uses of the interstate waters as hereinbefore defined.

All sewage from municipalities or other political subdivisions, public or private institutions, or corporations, discharged or permitted to flow into those portions of the Ohio River and its tributary waters which form boundaries between or are contiguous to two (2) or more signatory states, or which flow from one (1) signatory state into another signatory state, shall be so treated, within a time reasonable for the construction of the necessary works, as to provide for substantially complete removal of settleable solids, and the removal of not less than forty-five percent (45 percent) of the total suspended solids: Provided, That in order to protect the public health or to preserve the waters for other legitimate purposes, including those specified in Article 1, in specific instances such higher degree of treatment shall be used as may be determined to be necessary by the commission after investigation, due notice, and hearing.

All industrial wastes discharged or permitted to flow into the aforesaid waters shall be modified or treated, within a time reasonable for the construction of the necessary works, in order to protect the public health or to preserve the waters for other legitimate purposes, including those specified in Article 1, to such degree as may be determined to be necessary by the commission after investigation, due notice, and hearing.

All sewage or industrial wastes discharged or permitted to flow into tributaries of the aforesaid waters situated wholly within one (1) state shall be treated to that extent, if any, which may be necessary to maintain such waters in a sanitary and satisfactory condition at least equal to the condition of the waters of the interstate stream immediately

above the confluence.

 The commission is hereby authorized to adopt, prescribe, and promulgate rules, regulations, and standards for administering and enforcing the provisions of this article.

Article 7.

Nothing in this compact shall be construed to limit the powers of any signatory state, or to repeal or prevent the enactment of any legislation or the enforcement of any requirement by any signatory state, imposing additional conditions and restrictions to further lessen or prevent the pollution of waters within its jurisdiction.

Article 8.

The commission shall conduct a survey of the territory included within the district, shall study the pollution problems of the district and shall make a comprehensive report for the prevention or reduction of stream pollution therein. In preparing such report, the commission shall confer with any national or regional planning body which may be established, and any department of the federal government authorized to deal with matters relating to the pollution problems of the district. The commission shall draft and recommend to the governors of the various signatory states uniform legislation dealing with the pollution of rivers, streams, and waters and other pollution problems within the district. The commission shall consult with and advise the various states, communities, municipalities, corporations, persons, or other entities with regard to particular problems connected with the pollution of waters, particularly with regard to the construction of plants for the disposal of sewage, industrial, and other waste. The commission shall, more than one (1) month prior to any regular meeting of the legislature of any state which is a party thereto, present to the governor of the state its recommendations relating to enactments to be made by any legislature in furthering the intents and purposes of his compact.

Article 9.

The commission may from time to time, after investigation and after a hearing, issue an order or orders upon any municipality, corporation, person, or other entity discharging sewage or industrial waste into the Ohio river or any other river, stream, or water, any part of which constitutes any part of the boundary line between any two (2) or more of the signatory states, or into any stream any part of which flows from any portion of one (1) signatory state through any portion of another signatory state. Any such order or orders may prescribe the date on or before which such discharge shall be wholly or partially discontinued, modified, or treated or otherwise disposed of. The commission shall give reasonable notice of the time and place of the hearing to the

municipality, corporation, or other entity against which such order is proposed. No such order shall go into effect unless and until it receives the assent of at least a majority of the commissioners from each of not less than a majority of the signatory states; and no such order upon a municipality, corporation, person, or entity in any state shall go into effect unless and until it receives the assent of not less than a majority of the commissioners from such state.

It shall be the duty of the municipality, corporation, person, or other entity to comply with any such order issued against it or him by the commission and any court of general jurisdiction or any United States district court in any of the signatory states shall have the jurisdiction, by mandamus, injunction, specific performance, or other form of remedy, to enforce any such order against any municipality, corporation, or other entity domiciled or located within such state or whose discharge of the waste takes place within or adjoining such state, or against any employee, department, or subdivision of such municipality, corporation, person, or other entity: Provided, however, such court may review the order and affirm, reverse, or modify the same upon any of the grounds customarily applicable in proceedings for court review of administrative decisions. The commission or, at its request, the attorney general or other law enforcing official, shall have power to institute in such court any action for the enforcement of such order.

Article 10.

The signatory states agree to appropriate for the salaries, office, and other administrative expenses, their proper proportion of the annual budget as determined by the commission and approved by the governors of the signatory states, one-half (1/2) of such amount to be prorated among the several states in proportion to their population within the district at the last preceding federal census, the other half to be prorated in proportion to their land area within the district. Provided, that the total cost to the state of Indiana be limited to the appropriation specifically mentioned in section 5 of this bill.

Article 11.

This compact shall become effective upon ratification by the legislatures of a majority of the states located within the district and upon approval by the Congress of the United States; and shall become effective as to any additional states signing thereafter at the time of such signing.

In Witness Whereof, The various signatory states have executed this compact through their respective compact commissioners.

The state of Indiana hereby consents that the state of Virginia may

1	become a party to and a signatory state of the aforesaid compact as
2	fully as if it had been expressly named herein.

If the court agrees to issue an emergency order of isolation or quarantine based upon information received under subdivision (3), the court shall direct the public health authority to transmit a proposed emergency order to the court, which the court shall sign, add the date of issuance, and transmit back to the public health authority.
