# ENGROSSED HOUSE BILL No. 1485

---

DIGEST OF HB 1485 (Updated March 31, 2015 2:21 pm - DI 120)

**Citations Affected:** IC 6-1.1; IC 6-3.5; IC 6-3.6; noncode.

**Synopsis:** Local option income taxes. Provides for a transition from the county adjusted gross income tax, the county option income tax, the county economic development income tax, and the various local income taxes for special purposes and special projects to a single local income tax with three rate components. Retains special distributions. Specifies that the transition is to take effect in 2017. Provides for a report by the office of management and budget to the legislative council in 2015 showing the effect of the transition on taxing units and taxpayers. Permits a county council to impose a local service fee on each person that has business personal property exempt from taxation because the person's business personal property in the county has an acquisition cost of less than \$20,000. Provides that a local service fee may not exceed \$50. Authorizes Rush County to impose a special purpose tax on adjusted gross income of local taxpayers for construction, renovation, operation, or maintenance of the county jail. Provides that the tax rate adopted by the county may range from 0.15% to 0.6%.

**Effective:** July 1, 2015; January 1, 2017.

EH 1485—LS 7183/DI 58

April 3, 2015

First Regular Session of the 119th General Assembly (2015)

PRINTING CODE. Amendments: Whenever an existing statute (or a section of the Indiana Constitution) is being amended, the text of the existing provision will appear in this style type, additions will appear in **this style type**, and deletions will appear in ~~this style type~~.

Additions: Whenever a new statutory provision is being enacted (or a new constitutional provision adopted), the text of the new provision will appear in **this style type**. Also, the word **NEW** will appear in that style type in the introductory clause of each SECTION that adds a new provision to the Indiana Code or the Indiana Constitution.

Conflict reconciliation: Text in a statute in *this style type* or ~~this style type~~ reconciles conflicts between statutes enacted by the 2014 Regular Session and 2014 Second Regular Technical Session of the General Assembly.

## ENGROSSED HOUSE BILL No. 1485

---

A BILL FOR AN ACT to amend the Indiana Code concerning taxation.

*Be it enacted by the General Assembly of the State of Indiana:*

1 SECTION 1. IC 6-1.1-3-7.3 IS ADDED TO THE INDIANA CODE  
2 AS A **NEW** SECTION TO READ AS FOLLOWS [EFFECTIVE JULY  
3 1, 2015]: **Sec. 7.3. (a) A county fiscal body may adopt an ordinance**  
4 **to impose a local service fee on each person that files an annual**  
5 **certification with the county assessor under section 7.2 of this**  
6 **chapter stating that the person's business personal property in the**  
7 **county is exempt from taxation under section 7.2 of this chapter for**  
8 **an assessment date after December 31, 2015.**  
9 (b) The county fiscal body shall specify the amount of the local  
10 service fee in the ordinance. A local service fee imposed on a  
11 person under this section may not exceed fifty dollars (\$50).  
12 (c) A local service fee imposed for an assessment date is due and  
13 payable at the same time that property taxes for that assessment  
14 date are due and payable. A county may collect a delinquent local  
15 service fee in the same manner as delinquent property taxes are

EH 1485—LS 7183/DI 58

1 collected.

2 (d) The revenue from a local service fee:

3 (1) shall be allocated in the same manner and proportion and  
4 at the same time as property taxes are allocated to each taxing  
5 unit in the county; and

6 (2) may be used by a taxing unit for any lawful purpose of the  
7 taxing unit.

8 SECTION 2. IC 6-3.5-1.1 IS REPEALED [EFFECTIVE JANUARY  
9 1, 2017]. (County Adjusted Gross Income Tax).

10 SECTION 3. IC 6-3.5-1.5 IS REPEALED [EFFECTIVE JANUARY  
11 1, 2017]. (Calculation of Levy Freeze Amounts).

12 SECTION 4. IC 6-3.5-6 IS REPEALED [EFFECTIVE JANUARY  
13 1, 2017]. (County Option Income Tax).

14 SECTION 5. IC 6-3.5-7 IS REPEALED [EFFECTIVE JANUARY  
15 1, 2017]. (County Economic Development Income Tax).

16 SECTION 6. IC 6-3.6 IS ADDED TO THE INDIANA CODE AS A  
17 NEW ARTICLE TO READ AS FOLLOWS [EFFECTIVE JULY 1,  
18 2015]:

19 **ARTICLE 3.6. LOCAL INCOME TAXES**

20 **Chapter 1. Purpose; Application; Transitional Provisions**

21 **Sec. 1. (a) The purpose of this article is to consolidate and**  
22 **simplify the various local income tax laws (referred to as a "former**  
23 **tax" in this article) that are in effect on May 1, 2016, into a**  
24 **uniform law that transitions each county from the former taxes to**  
25 **the tax governed by this article.**

26 **(b) Notwithstanding the effective date of the repeal of the**  
27 **former tax laws on January 1, 2017, an adopting body may not**  
28 **adopt any ordinances under a former tax after June 30, 2016. In**  
29 **addition, notwithstanding the effective date of this article being**  
30 **July 1, 2015, an adopting body may not take any action under this**  
31 **article before July 1, 2016.**

32 **(c) To carry out the transition, the office of management and**  
33 **budget, along with the appropriate state agencies and in**  
34 **cooperation with each county, shall do the following:**

35 **(1) Document all terms, conditions, limitations, and**  
36 **obligations that exist under the former taxes.**

37 **(2) Categorize the tax rate under the former taxes into the**  
38 **appropriate tax rate or rates under this article to provide**  
39 **revenue for all the same purposes for which revenue under a**  
40 **former tax was used in 2016, except to the extent required**  
41 **under this article and to the extent that an adopting body**  
42 **takes action under this article after June 30, 2016, to change**

1 the purposes and allocation of the revenue as permitted under  
 2 this article. Matching the purposes of a former tax to the  
 3 purposes under this article, including the apportionment,  
 4 allocation, and distribution of revenue under this article shall  
 5 be accomplished by using the best information available.  
 6 These purposes include, but are not limited to, one (1) or more  
 7 of the following:

8 (A) Property tax credits using the options set forth in  
 9 IC 6-3.6-5. This categorization is limited to former tax  
 10 rates that were dedicated to providing credits against  
 11 property taxes under IC 6-3.5-1.1-26, IC 6-3.5-6, or  
 12 IC 6-3.5-7.

13 (B) School corporation distributions and additional  
 14 revenue. All former tax rates not used for a specified  
 15 project or categorized under clause (A) shall be  
 16 categorized under IC 6-3.6-6 using the former tax rates or  
 17 dollar amounts that were dedicated for school corporation  
 18 distributions, public safety, economic development, and  
 19 certified shares.

20 (C) A special purpose project (IC 6-3.6-7) using the former  
 21 tax rate that was dedicated to the project.

22 (d) The office of management and budget shall compile a  
 23 comprehensive report detailing for each taxing unit throughout the  
 24 state and for each property class type described in IC 6-3.5-6, the  
 25 categorization of revenue and its uses under this article compared  
 26 to the former taxes. Before November 1, 2015, the office of  
 27 management and budget shall submit its report to the legislative  
 28 council in an electronic format under IC 5-14-6.

29 (e) The transition under this article shall be completed by  
 30 August 1, 2016, for purposes of local government budgets for 2017  
 31 and for purposes of the distribution and allocation of revenue  
 32 under this article after December 31, 2016.

33 **Sec. 2. This article applies to:**

- 34 (1) taxes and tax liability in effect after December 31, 2015;  
 35 (2) homestead and property tax credits against property tax  
 36 liability imposed for an assessment date after December 31,  
 37 2015; and  
 38 (3) subject to subdivisions (1) and (2), administration of taxes  
 39 described in section 3 of this chapter, after December 31,  
 40 2016.

41 **Sec. 3. Except to the extent that taxes imposed in a county**  
 42 **under:**

- 1           (1) IC 6-3.5-1 (repealed);  
 2           (2) IC 6-3.5-1.1 (repealed);  
 3           (3) IC 6-3.5-6 (repealed); or  
 4           (4) IC 6-3.5-7 (repealed);

5 are increased, decreased, or rescinded under this article, the total  
 6 tax rate in effect in a county under the provisions described in  
 7 subdivisions (1) through (4) on May 1, 2016, continue in effect after  
 8 May 1, 2016, and shall be treated as taxes imposed under this  
 9 article.

10           **Sec. 4. Notwithstanding:**

- 11           (1) IC 6-3.5-1 (repealed);  
 12           (2) IC 6-3.5-1.1 (repealed);  
 13           (3) IC 6-3.5-6 (repealed); or  
 14           (4) IC 6-3.5-7 (repealed);

15 a change in a tax imposed under a provision described in  
 16 subdivisions (1) through (4), credits related to property taxes,  
 17 allocations of tax revenue, and pledges for payment from tax  
 18 revenue after December 31, 2016, must be made under this article  
 19 and not under the provisions described in subdivisions (1) through  
 20 (4).

21           **Sec. 5.** A reference in a statute or rule to a statute that is  
 22 repealed and replaced in the same or a different form in this article  
 23 shall be treated after December 31, 2016, as a reference to the new  
 24 provision.

25           **Sec. 6.** A pledge of a tax described in section 3 of this chapter for  
 26 the payment of bonds, leases, or other expenditures shall be treated  
 27 as a pledge of the related tax under this article for the same  
 28 purpose. Notwithstanding the repeal of IC 6-3.5-1.1, IC 6-3.5-1.5,  
 29 IC 6-3.5-6, and IC 6-3.5-7 and the enactment of this article, any  
 30 pledge of revenues received from a tax imposed under any of the  
 31 provisions of IC 6-3.5-1.1, IC 6-3.5-1.5, IC 6-3.5-6, and IC 6-3.5-7  
 32 (prior to their repeal) to the payment, in whole or in part, of:

- 33           (1) the principal of and interest on bonds;  
 34           (2) lease rentals due under a lease; and  
 35           (3) the payment of any other obligation;

36 is binding and enforceable and remains in full force and effect as  
 37 long as the principal of and interest on any bonds, the lease rentals  
 38 due under any lease, or the payment of any obligation remains  
 39 unpaid. The enactment of this article does not affect any rights,  
 40 duties, obligations, proceedings, or liabilities accrued before  
 41 January 1, 2017. Those rights, duties, obligations, proceedings, or  
 42 liabilities continue and shall be imposed and enforced under prior

1 law as if this article had not been enacted and the prior law had not  
2 been repealed.

3 **Sec. 7.** A period that began with respect to a tax described in  
4 section 3 of this chapter and limits the period in which the tax may  
5 be imposed continues under this article from the starting date and  
6 time of the original action under the laws described in section 3 of  
7 this chapter and limits the period in which the related tax under  
8 this article may be imposed as if the period were initiated under  
9 this article.

10 **Sec. 8.** A period that began with respect to the issuance of bonds  
11 or leases payable from a tax described in section 3 of this chapter  
12 and limits the period in which the bonds or leases may be in effect  
13 continues under this article from the starting date and time of the  
14 original action under the laws described in section 3 of this chapter  
15 and limits the period in which the bonds or leases may be in effect  
16 as if the period were initiated under this article.

17 **Sec. 9.** Before August 2, 2016, the budget agency, with the  
18 assistance of the department of local government finance, shall  
19 certify to each county the income tax rates under this article, by tax  
20 rate category, as categorized by the office of management and  
21 budget under this chapter.

22 **Sec. 10.** The department of local government finance shall assist  
23 adopting bodies and other local governmental entities as necessary  
24 to provide for a transition to the administration of taxes under this  
25 article.

26 **Chapter 2. Definitions**

27 **Sec. 1.** The definitions in this chapter apply throughout this  
28 article.

29 **Sec. 2.** "Adjusted gross income" has the meaning set forth in  
30 IC 6-3-1-3.5. However:

31 (1) in the case of a local taxpayer who is not treated as a  
32 resident local taxpayer of a county, the term includes only  
33 adjusted gross income derived from the taxpayer's principal  
34 place of business or employment; and

35 (2) in the case of a resident local taxpayer of Perry County,  
36 the term does not include adjusted gross income described in  
37 IC 6-3.6-8-7.

38 **Sec. 3.** "Allocation amount" refers to an amount that qualifies  
39 as an allocation amount under IC 6-3.6-6.

40 **Sec. 4.** "Attributed allocation amount" refers to an amount that  
41 qualifies as an attributed allocation amount under IC 6-3.6-6.

42 **Sec. 5.** "Certified distribution" refers to the amount certified

1 under IC 6-3.6-9-5(b), as adjusted under IC 6-3.6-9.

2 Sec. 6. "Certified shares" refers to the amount allocated for  
3 distribution as certified shares under IC 6-3.6-6.

4 Sec. 7. "Civil taxing unit" means any entity having the power to  
5 impose ad valorem property taxes except a school corporation. The  
6 term does not include a solid waste management district that is not  
7 entitled to a distribution under IC 6-3.6-6. However, in the case of  
8 a consolidated city, the term "civil taxing unit" includes the  
9 consolidated city and all special taxing districts, all special service  
10 districts, and all entities whose budgets and property tax levies are  
11 subject to review under IC 36-3-6-9.

12 Sec. 8. "Economic development project" means any project  
13 that:

- 14 (1) the county, city, or town determines will:
- 15 (A) promote significant opportunities for the gainful  
16 employment of its citizens;
- 17 (B) attract a major new business enterprise to the county,  
18 city, or town; or
- 19 (C) retain or expand a significant business enterprise  
20 within the county, city, or town; and
- 21 (2) involves an expenditure for:
- 22 (A) the acquisition of land;
- 23 (B) interests in land;
- 24 (C) site improvements;
- 25 (D) infrastructure improvements;
- 26 (E) buildings;
- 27 (F) structures;
- 28 (G) rehabilitation, renovation, and enlargement of  
29 buildings and structures;
- 30 (H) machinery;
- 31 (I) equipment;
- 32 (J) furnishings;
- 33 (K) facilities;
- 34 (L) administrative expenses associated with a project  
35 described in this section, including contract payments to a  
36 nonprofit corporation whose primary corporate purpose  
37 is to assist government in planning and implementing  
38 economic development projects;
- 39 (M) operating expenses of a governmental entity that plans  
40 or implements economic development projects; or
- 41 (N) substance removal or remedial action in a designated  
42 county, city, or town;

- 1 or any combination of these.
- 2 **Sec. 9. "Executive" has the meaning set forth in IC 36-1-2-5.**
- 3 **Sec. 10. "Fiscal body" has the meaning set forth in IC 36-1-2-6.**
- 4 **Sec. 11. "Impose" includes adopt, amend, increase, decrease,**  
 5 **and rescind.**
- 6 **Sec. 12. "Local income tax council" means a council established**  
 7 **by IC 6-3.6-3-1.**
- 8 **Sec. 13. "Local taxpayer", as it relates to a particular county,**  
 9 **means any individual who:**
- 10 (1) resides in that county on the date specified in IC 6-3.6-8-3;  
 11 or
- 12 (2) maintains the taxpayer's principal place of business or  
 13 employment in that county on the date specified in  
 14 IC 6-3.6-8-3 and who does not reside on that same date in  
 15 another county in Indiana in which a tax under this article is  
 16 in effect.
- 17 **Sec. 14. "Public safety" refers to the following:**
- 18 (1) A police and law enforcement system to preserve public  
 19 peace and order.
- 20 (2) A firefighting and fire prevention system.
- 21 (3) Emergency ambulance services (as defined in  
 22 IC 16-18-2-107).
- 23 (4) Emergency medical services (as defined in  
 24 IC 16-18-2-110).
- 25 (5) Emergency action (as defined in IC 13-11-2-65).
- 26 (6) A probation department of a court.
- 27 (7) Confinement, supervision, services under a community  
 28 corrections program (as defined in IC 35-38-2.6-2), or other  
 29 correctional services for a person who has been:
- 30 (A) diverted before a final hearing or trial under an  
 31 agreement that is between the county prosecuting attorney  
 32 and the person or the person's custodian, guardian, or  
 33 parent and that provides for confinement, supervision,  
 34 community corrections services, or other correctional  
 35 services instead of a final action described in clause (B) or  
 36 (C);
- 37 (B) convicted of a crime; or
- 38 (C) adjudicated as a delinquent child or a child in need of  
 39 services.
- 40 (8) A juvenile detention facility under IC 31-31-8.
- 41 (9) A juvenile detention center under IC 31-31-9.
- 42 (10) A county jail.

1 (11) A communications system (as defined in IC 36-8-15-3), an  
 2 enhanced emergency telephone system (as defined in  
 3 IC 36-8-16-2, before its repeal on July 1, 2012), or the  
 4 statewide 911 system (as defined in IC 36-8-16.7-22).

5 (12) Medical and health expenses for jailed inmates and other  
 6 confined persons.

7 (13) Pension payments for any of the following:

8 (A) A member of a fire department (as defined in  
 9 IC 36-8-1-8) or any other employee of the fire department.

10 (B) A member of a police department (as defined in  
 11 IC 36-8-1-9), a police chief hired under a waiver under  
 12 IC 36-8-4-6.5, or any other employee hired by the police  
 13 department.

14 (C) A county sheriff or any other member of the office of  
 15 the county sheriff.

16 (D) Other personnel employed to provide a service  
 17 described in this section.

18 Sec. 15. "Resident local taxpayer", as it relates to a particular  
 19 county, means any local taxpayer who resides in that county on the  
 20 date specified in IC 6-3.6-8-3.

21 Sec. 16. "School corporation" has the meaning set forth in  
 22 IC 6-1.1-1-16.

23 Sec. 17. "Tax" refers to the following:

24 (1) A tax imposed under this article.

25 (2) A tax that was originally imposed under:

26 (A) IC 6-3.5-1 (repealed);

27 (B) IC 6-3.5-1.1 (repealed);

28 (C) IC 6-3.5-6 (repealed); or

29 (D) IC 6-3.5-7 (repealed);

30 and that is continued in effect under this article by  
 31 IC 6-3.6-1-3.

32 Sec. 18. "Welfare allocation amount" means an amount equal  
 33 to the sum of the property taxes imposed by the county in 1999 for  
 34 the county's welfare fund and welfare administration fund and, if  
 35 the county received a certified distribution under a former tax in  
 36 2008, the property taxes imposed by the county in 2008 for the  
 37 county's county medical assistance to wards fund, family and  
 38 children's fund, children's psychiatric residential treatment  
 39 services fund, county hospital care for the indigent fund, and  
 40 children with special health care needs county fund, plus, in the  
 41 case of Marion County, thirty-five million dollars (\$35,000,000).

42 Chapter 3. Adopting Body; Adoption Procedures; Effective

1 **Date of Ordinances**

2 **Sec. 1. (a) The following is the adopting body for a county:**

3 **(1) The local income tax council in a county in which the**  
4 **county income tax council adopted either:**

5 **(A) a county option income tax under IC 6-3.5-6 (repealed)**  
6 **that was in effect on January 1, 2015; or**

7 **(B) a county economic development income tax for the**  
8 **county under IC 6-3.5-7 (repealed) that was in effect on**  
9 **January 1, 2015.**

10 **(2) The county fiscal body in any other county.**

11 **(b) A local income tax council is established for each county.**  
12 **The membership of each county's local income tax council consists**  
13 **of the fiscal body of the county and the fiscal body of each city or**  
14 **town that lies either partially or entirely within that county.**

15 **Sec. 2. (a) An adopting body or, if authorized by this article,**  
16 **another governmental entity that is not an adopting body, may**  
17 **take an action under this article only by ordinance, unless this**  
18 **article permits the action to be taken by resolution.**

19 **(b) The department of local government finance, in consultation**  
20 **with the department of state revenue, shall prescribe and make**  
21 **electronically available uniform notices, ordinances, and**  
22 **resolutions for use by an adopting body or other governmental**  
23 **entity to take an action under this article. An adopting body or**  
24 **other governmental entity may submit a proposed notice,**  
25 **ordinance, or resolution to the department of local government**  
26 **finance for review. The department of local government finance**  
27 **shall provide to the submitting entity a determination of the**  
28 **appropriateness of the proposed notice, ordinance, or resolution,**  
29 **including recommended modifications, within thirty (30) days of**  
30 **receiving the proposed notice, ordinance, or resolution.**

31 **(c) The department of local government finance shall prescribe**  
32 **the hearing requirements and procedures to be used for submitting**  
33 **a notice and vote results on ordinances and adopting and**  
34 **submitting an ordinance or a resolution under this article.**

35 **(d) An action taken by an adopting body under this article is not**  
36 **effective and is void unless the adopting body satisfies all the**  
37 **requirements prescribed by the department of local government**  
38 **finance.**

39 **Sec. 3. (a) An ordinance adopted under this article takes effect**  
40 **as provided in this section.**

41 **(b) An ordinance that adopts, increases, decreases, or rescinds**  
42 **a tax or a tax rate takes effect as follows:**

- 1           **(1) An ordinance adopted after December 31 of the**
- 2           **immediately preceding year and before September 1 of the**
- 3           **current year takes effect on October 1 of the current year.**
- 4           **(2) An ordinance adopted after August 31 and before**
- 5           **November 1 of the current year takes effect on January 1 of**
- 6           **the following year.**
- 7           **(3) An ordinance adopted after October 31 of the current year**
- 8           **and before January 1 of the following year takes effect on**
- 9           **October 1 of the following year.**
- 10          **(c) An ordinance that grants, increases, decreases, rescinds, or**
- 11          **changes a credit against the property tax liability of a taxpayer**
- 12          **takes effect as follows:**
- 13               **(1) An ordinance adopted after December 31 of the**
- 14               **immediately preceding year and before November 2 of the**
- 15               **current year takes effect on January 1 of, and applies to**
- 16               **property taxes first due and payable in, the year immediately**
- 17               **following the year in which the ordinance is adopted.**
- 18               **(2) An ordinance adopted after November 1 of the current**
- 19               **year and before January 1 of the immediately succeeding year**
- 20               **takes effect on January 1 of, and applies to property taxes**
- 21               **first due and payable in, the year that follows the current year**
- 22               **by two (2) years.**
- 23          **(d) An ordinance that grants, increases, decreases, rescinds, or**
- 24          **changes a distribution or allocation of taxes to a governmental**
- 25          **entity other than the county takes effect as follows:**
- 26               **(1) An ordinance adopted after December 31 of the**
- 27               **immediately preceding year and before November 2 of the**
- 28               **current year takes effect January 1 of the year immediately**
- 29               **following the year in which the ordinance is adopted.**
- 30               **(2) An ordinance adopted after November 1 of the current**
- 31               **year and before January 1 of the immediately succeeding year**
- 32               **takes effect January 1 of the year that follows the current**
- 33               **year by two (2) years.**
- 34          **(e) An ordinance not described in subsections (b) through (d)**
- 35          **takes effect as provided under IC 36 for other ordinances of the**
- 36          **governmental entity adopting the ordinance.**
- 37          **Sec. 4. (a) Except for a tax rate that has an expiration date, a tax**
- 38          **rate remains in effect until the effective date of an ordinance that**
- 39          **increases, decreases, or rescinds that tax rate.**
- 40               **(b) A tax rate may not be changed more than once each year**
- 41               **under this article.**
- 42          **Sec. 5. (a) The auditor of a county shall record all votes taken on**

1 ordinances presented for a vote under this article and not more  
2 than ten (10) days after the vote, send a certified copy of the results  
3 to:

- 4 (1) the commissioner of the department of state revenue; and
- 5 (2) the commissioner of the department of local government  
6 finance;

7 in an electronic format approved by the commissioner of the  
8 department of local government finance.

9 (b) This subsection applies only to a county that has a local  
10 income tax council. The county auditor may cease sending certified  
11 copies after the county auditor sends a certified copy of results  
12 showing that members of the local income tax council have cast a  
13 majority of the votes on the local income tax council for or against  
14 the proposed ordinance.

15 Sec. 6. (a) This section applies to a county in which the county  
16 adopting body is a local income tax council.

17 (b) In the case of a city or town that lies within more than one  
18 (1) county, the county auditor of each county shall base the  
19 allocations required by subsection (c) on the population of that  
20 part of the city or town that lies within the county for which the  
21 allocations are being made.

22 (c) Each local income tax council has a total of one hundred  
23 (100) votes. Each member of a local income tax council is allocated  
24 a percentage of the total one hundred (100) votes that may be cast.  
25 The percentage that a city or town is allocated for a year equals the  
26 same percentage that the population of the city or town bears to  
27 the population of the county. The percentage that the county is  
28 allocated for a year equals the same percentage that the population  
29 of all areas in the county not located in a city or town bears to the  
30 population of the county. On or before January 1 of each year, the  
31 county auditor shall certify to each member of the local income tax  
32 council the number of votes, rounded to the nearest one hundredth  
33 (0.01), each member has for that year.

34 Sec. 7. (a) This section applies to a county in which the county  
35 adopting body is a local income tax council.

36 (b) Before a member of the local income tax council may  
37 propose an ordinance or vote on a proposed ordinance, the  
38 member must hold a public hearing on the proposed ordinance and  
39 provide the public with notice of the time and place where the  
40 public hearing will be held.

41 (c) The notice required by subsection (b) must be given in  
42 accordance with IC 5-3-1 and include the proposed ordinance or

1 resolution to propose an ordinance.

2 **Sec. 8. (a) This section applies to a county in which the county**  
3 **adopting body is a local income tax council.**

4 **(b) Any member of a local income tax council may present an**  
5 **ordinance for passage. To do so, the member must adopt a**  
6 **resolution to propose the ordinance to the local income tax council**  
7 **and distribute a copy of the proposed ordinance to the county**  
8 **auditor. The county auditor shall treat any proposed ordinance**  
9 **distributed to the auditor under this section as a casting of all that**  
10 **member's votes in favor of the proposed ordinance.**

11 **(c) The county auditor shall deliver copies of a proposed**  
12 **ordinance the auditor receives to all members of the local income**  
13 **tax council within ten (10) days after receipt. Subject to subsection**  
14 **(d), once a member receives a proposed ordinance from the county**  
15 **auditor, the member shall vote on it within thirty (30) days after**  
16 **receipt.**

17 **(d) If, before the elapse of thirty (30) days after receipt of a**  
18 **proposed ordinance, the county auditor notifies the member that**  
19 **the members of the local income tax council have cast a majority**  
20 **of the votes on the local income tax council for or against the**  
21 **proposed ordinance, the member need not vote on the proposed**  
22 **ordinance.**

23 **Sec. 9. (a) This section applies to a county in which the county**  
24 **adopting body is a local income tax council.**

25 **(b) A member of the local income tax council may exercise its**  
26 **votes by passing a resolution and transmitting the resolution to the**  
27 **county auditor.**

28 **(c) A resolution passed by a member of the local income tax**  
29 **council exercises all votes of the member on the proposed**  
30 **ordinance, and those votes may not be changed during the year.**

31 **Sec. 10. (a) This section applies to a county in which the county**  
32 **adopting body is a local income tax council.**

33 **(b) A local income tax council may pass only one (1) ordinance**  
34 **adopting, increasing, decreasing, or rescinding a tax in one (1)**  
35 **year. Once the ordinance has been passed, the county auditor shall:**

36 **(1) cease distributing those types of proposed ordinances for**  
37 **the rest of the year; and**

38 **(2) withdraw from the membership any other of those types**  
39 **of proposed ordinances.**

40 **Any votes subsequently received by the county auditor on those**  
41 **types of proposed ordinances during that same year are void.**

42 **(c) The local income tax council may not vote on, nor may the**

1 county auditor distribute to the members of the local income tax  
 2 council, any proposed ordinance during a year, if previously  
 3 during that same year the county auditor received and distributed  
 4 to the members of the local income tax council a proposed  
 5 ordinance whose passage would have substantially the same effect.

6 **Chapter 4. Imposition of Tax**

7 **Sec. 1. (a)** A tax is imposed on the adjusted gross income of local  
 8 taxpayers at a tax rate that is a sum of the tax rates imposed by the  
 9 county's adopting body and in effect in the county.

10 **(b)** The combined tax rates imposed under IC 6-3.6-5,  
 11 IC 6-3.6-6, and IC 6-3.6-7 constitute the tax imposed on the  
 12 adjusted gross income of local taxpayers in the county.

13 **Sec. 2.** Subject to section 3 of this chapter, a tax rate authorized  
 14 under IC 6-3.6-5, IC 6-3.6-6, or IC 6-3.6-7 may be adopted,  
 15 increased, decreased, or rescinded without adopting, increasing,  
 16 decreasing, or rescinding a tax rate authorized by either of the two  
 17 **(2) other chapters. However, an adopting body may:**

18 **(1) adopt, increase, decrease, or rescind a tax authorized**  
 19 **under a particular chapter of this article; and**

20 **(2) adopt, increase, decrease, or rescind a tax authorized**  
 21 **under another chapter of this article;**

22 **in the same ordinance.**

23 **Sec. 3.** If there are bonds or leases outstanding that are payable  
 24 from a tax imposed under IC 6-3.5-1.1 (before its repeal January  
 25 1, 2017), IC 6-3.5-6 (before its repeal January 1, 2017), IC 6-3.5-7  
 26 (before its repeal January 1, 2017), IC 6-3.6-6, or IC 6-3.6-7 (but  
 27 not IC 6-3.6-5), the adopting body may not reduce the tax rate  
 28 below a rate that would produce one and twenty-five hundredths  
 29 **(1.25) times the total of the highest annual outstanding debt service**  
 30 **plus the highest annual lease payments plus any amount required**  
 31 **under the agreements for the bonds or leases to be deposited in a**  
 32 **sinking fund or other reserve, unless:**

33 **(1) the adopting body; or**

34 **(2) any city, town, or county;**

35 **pledges all or a part of its share of revenues from the tax imposed**  
 36 **under IC 6-3.6-6 or IC 6-3.6-7 (but not IC 6-3.6-5) for the life of the**  
 37 **bonds or the term of the lease, in an amount that is sufficient, when**  
 38 **combined with the amount pledged by the city, town, or county**  
 39 **that issued the bonds, to produce one and twenty-five hundredths**  
 40 **(1.25) times the total of the highest annual outstanding debt service**  
 41 **plus the highest annual lease payments plus the amount required**  
 42 **under the agreements for the bonds or leases to be deposited in a**

1 sinking fund or other reserve.

2 **Chapter 5. Property Tax Relief Rates**

3 **Sec. 1. An adopting body may impose a tax under section 6 of**  
 4 **this chapter on the adjusted gross income of local taxpayers in the**  
 5 **county served by the adopting body.**

6 **Sec. 2. A tax imposed under this chapter shall be treated as**  
 7 **property taxes for all purposes. However, the department of local**  
 8 **government finance may not reduce:**

9 (1) any taxing unit's maximum permissible property tax levy  
 10 limit under IC 6-1.1-18.5; or

11 (2) the approved property tax levy or rate for any fund;  
 12 by the amount of any credits granted under this chapter.

13 **Sec. 3. To impose a tax under this chapter, the adopting body**  
 14 **must adopt an ordinance finding and determining that revenues**  
 15 **from the tax are needed for the purposes described in section 6 of**  
 16 **this chapter.**

17 **Sec. 4. (a) A credit granted under this chapter shall be applied**  
 18 **to reduce the property tax liability of a taxpayer before the**  
 19 **application of a credit granted under IC 6-1.1-20.4 or**  
 20 **IC 6-1.1-20.6.**

21 (b) A reduction in property taxes granted under section 6 of this  
 22 chapter shall be applied to reduce the property tax liability of a  
 23 taxpayer in the order set forth in section 6 of this chapter.

24 **Sec. 5. The auditor of state shall assist adopting bodies and**  
 25 **county auditors in calculating credit percentages and amounts**  
 26 **under this chapter.**

27 **Sec. 6. (a) This section applies to all counties.**

28 (b) The adopting body may impose a tax rate under this chapter  
 29 that does not exceed one and twenty-five hundredths percent  
 30 (1.25%) on the adjusted gross income of local taxpayers in the  
 31 county served by the adopting body.

32 (c) Revenues from a tax under this section may be used only for  
 33 the purpose of funding a property tax credit applied on a  
 34 percentage basis to reduce the property tax liability of taxpayers  
 35 with tangible property located in the county as authorized under  
 36 this section. Property taxes imposed due to a referendum in which  
 37 a majority of the voters in the taxing unit imposing the property  
 38 taxes approved the property taxes are not eligible for a credit  
 39 under this section.

40 (d) The adopting body shall specify by ordinance how the  
 41 revenue from the tax shall be applied to provide property tax  
 42 credits in subsequent years. The ordinance must be adopted before

1 **July 1 and first applies in the following year and then thereafter**  
 2 **until it is rescinded or modified. The property tax credits may be**  
 3 **allocated among any combination of the following categories:**

4 **(1) For homesteads eligible for a credit under**  
 5 **IC 6-1.1-20.6-7.5 that limits the taxpayer's property tax**  
 6 **liability for the property to one percent (1%).**

7 **(2) For residential property, long term care property,**  
 8 **agricultural land, and other tangible property (if any) eligible**  
 9 **for a credit under IC 6-1.1-20.6-7.5 that limits the taxpayer's**  
 10 **property tax liability for the property to two percent (2%).**

11 **(3) For the following types of property as a single category:**

12 **(A) Residential property, as defined in 6-1.1-20.6-4.**

13 **(B) Real property, a mobile home, and industrialized**  
 14 **housing that would qualify as a homestead if the taxpayer**  
 15 **had filed for a homestead credit under IC 6-1.1-20.9**  
 16 **(repealed) or the standard deduction under IC 6-1.1-12-37.**

17 **(C) Real property consisting of units that are regularly**  
 18 **used to rent or otherwise furnish residential**  
 19 **accommodations for periods of at least thirty (30) days,**  
 20 **regardless of whether the tangible property is subject to**  
 21 **assessment under rules of the department of local**  
 22 **government finance that apply to:**

23 **(i) residential property; or**

24 **(ii) commercial property.**

25 **(4) For nonresidential real property, personal property, and**  
 26 **other tangible property (if any) eligible for a credit under**  
 27 **IC 6-1.1-20.6-7.5 that limits the taxpayer's property tax**  
 28 **liability for the property to three percent (3%). However,**  
 29 **IC 6-3.6-11-2 applies in Jasper County.**

30 **(e) Within a category described in subsection (d) for which an**  
 31 **ordinance grants property tax credits, the property tax credit rate**  
 32 **must be a uniform percentage for all qualifying taxpayers with**  
 33 **property in that category in the county. The credit percentage may**  
 34 **be, but does not have to be, uniform for all categories of property**  
 35 **listed in subsection (d). The total of all tax credits granted under**  
 36 **this section for a year may not exceed the amount of revenue raised**  
 37 **by the tax imposed under this section. If the amount available in a**  
 38 **year for property tax credits under this section is less than the**  
 39 **amount necessary to provide all the property tax credits authorized**  
 40 **by the adopting body, the county auditor shall reduce the property**  
 41 **tax credits granted to eliminate the excess. The county auditor shall**  
 42 **reduce credits within the categories described in subsection (d)(1)**

- 1 through (d)(4) as follows:
- 2 (1) First, against property taxes imposed on property
- 3 described in subsection (d)(4).
- 4 (2) Second, if an excess remains after applying the reduction
- 5 as described in subdivision (1), against property taxes
- 6 imposed on property described in subsection (d)(3).
- 7 (3) Third, if an excess remains after applying the reduction as
- 8 described in subdivisions (1) and (2), against property taxes
- 9 imposed on property described in subsection (d)(2).
- 10 (4) Fourth, if an excess remains after applying the reduction
- 11 as described in subdivisions (1) through (3), against property
- 12 taxes imposed on property described in subsection (d)(1).
- 13 (f) The total of all tax credits granted under this section for a
- 14 year may not exceed the amount authorized by the adopting body.
- 15 If the amount available in a year for property tax credits under
- 16 this section is greater than the amount necessary to provide all the
- 17 property tax credits authorized by the adopting body, the county
- 18 auditor shall retain and apply the excess as necessary to provide
- 19 the property tax credits authorized by the adopting body for the
- 20 following year. The adopting body may adopt an ordinance that
- 21 directs to which categories described in subsection (d) the excess is
- 22 to be uniformly applied.
- 23 (g) The county auditor shall allocate the amount of revenue
- 24 applied as tax credits under this section to the taxing units that
- 25 imposed the eligible property taxes against which the credits are
- 26 applied.
- 27 Chapter 6. Expenditure Rate
- 28 Sec. 1. An adopting body may impose a tax under section 2 of
- 29 this chapter on the adjusted gross income of local taxpayers in the
- 30 county served by the adopting body.
- 31 Sec. 2. (a) This section applies to all counties.
- 32 (b) The adopting body may impose a tax rate under this chapter
- 33 that does not exceed:
- 34 (1) two and five-tenths percent (2.5%) in all counties other
- 35 than Marion County; and
- 36 (2) two and seventy-five hundredths percent (2.75%) in
- 37 Marion County;
- 38 on the adjusted gross income of local taxpayers in the county
- 39 served by the adopting body.
- 40 Sec. 3. Revenue raised from a tax imposed under this chapter
- 41 shall be treated as follows:
- 42 (1) To make distributions to school corporations and civil

1 taxing units in counties that formerly imposed a tax under  
 2 IC 6-3.5-1.1. The revenue categorized from the first  
 3 twenty-five hundredths percent (0.25%) of the rate for a  
 4 former tax adopted under IC 6-3.5-1.1 shall be allocated to  
 5 school corporations and civil taxing units. The amount of the  
 6 allocation to a school corporation or civil taxing unit shall be  
 7 determined using the allocation amounts for civil taxing units  
 8 and school corporations in the determination.

9 (2) The remaining revenue shall be treated as additional  
 10 revenue (referred to as "additional revenue" in this chapter).  
 11 Additional revenue may not be considered by the department  
 12 of local government finance in determining:

13 (A) any taxing unit's maximum permissible property tax  
 14 levy limit under IC 6-1.1-18.5; or

15 (B) the approved property tax rate for any fund.

16 Sec. 4. The adopting body shall, by ordinance, determine how  
 17 the additional revenue from a tax under this chapter must be  
 18 allocated in subsequent years. The ordinance must be adopted  
 19 before July 1 and first applies in the following year and then  
 20 thereafter until it is rescinded or modified. The revenue must be  
 21 allocated among the following uses as provided in this chapter:

22 (1) Public safety.

23 (2) Economic development projects.

24 (3) Certified shares.

25 The ordinance may describe the allocation of additional revenue by  
 26 use of percentages or dollar amounts.

27 Sec. 5. The adopting body may not allocate in a year less to the  
 28 payment of bonds or leases for which the tax under this chapter  
 29 has been pledged in accordance with law than the amount pledged  
 30 and payable in that year or required under the agreements for the  
 31 bonds or leases to be deposited in a sinking fund or other reserve  
 32 in that year.

33 Sec. 6. (a) The total amount allocated in a year to the uses  
 34 described in section 4 of this chapter may not, in the aggregate,  
 35 exceed the amount of additional revenue raised by the tax imposed  
 36 under this chapter for that year. If the amount available in a year  
 37 is less than the amount necessary to fund all the purposes  
 38 authorized by the adopting body, the county auditor shall reduce  
 39 the amount distributed to these purposes to eliminate the deficit.

40 (b) The county auditor may not in a year reduce an allocation  
 41 of money pledged to make bond payments or lease payments less  
 42 than the amount pledged to make payments in that year.

1           (c) Subject to subsection (b), the county auditor shall reduce  
2 allocations under this section in accordance with the instructions  
3 in an ordinance adopted by the adopting body. To the extent that  
4 the adopting body has not adopted an ordinance to specify how a  
5 deficiency is to be eliminated, or the ordinance does not eliminate  
6 the deficiency, the county auditor shall, subject to subsection (b),  
7 uniformly reduce allocations in each category.

8           Sec. 7. The county auditor may not allocate more than the  
9 amount authorized by the adopting body. If the amount available  
10 in a year for allocation under this chapter is greater than the  
11 amount necessary to fund all the purposes authorized by the  
12 adopting body, the county auditor shall:

- 13           (1) allocate the excess as directed by the adopting body; or  
14           (2) in the absence of an ordinance that allocates all the excess,  
15 retain the excess and apply it, as necessary, to fund the  
16 purposes authorized by the adopting body for the following  
17 year.

18           Sec. 8. (a) This section applies to the allocation of additional  
19 revenue from a tax under this chapter to public safety purposes.

20           (b) This subsection applies to Marion County. The adopting  
21 body may allocate part or all of the certified distribution that is  
22 allocated to public safety purposes to fund the operation of a public  
23 communications system and computer facilities district as provided  
24 in an election, if any, made by the county fiscal body under  
25 IC 36-8-15-19(b).

26           (c) Except as provided in subsection (d), the amount of the  
27 certified distribution that is allocated to public safety purposes,  
28 and for Marion County after making allocations under IC 6-3.6-11,  
29 shall be allocated to the county and to each municipality in the  
30 county that is carrying out or providing at least one (1) public  
31 safety purpose. For purposes of this subsection, in the case of a  
32 consolidated city, the total property taxes imposed by the  
33 consolidated city include the property taxes imposed by the  
34 consolidated city and all special taxing districts, all special service  
35 districts, and all entities whose budgets and property tax levies are  
36 subject to review under IC 36-3-6-9. The amount allocated under  
37 this subsection to a county or municipality is equal to the result of:

- 38           (1) the amount of the certified distribution that is allocated to  
39 public safety purposes; multiplied by  
40           (2) a fraction equal to:  
41                (A) in the case of a county that initially imposed a rate for  
42 public safety under IC 6-3.5-6, the result of the total

1           property taxes imposed in the county by the county or  
2           municipality for the calendar year, divided by the sum of  
3           the total property taxes imposed in the county by the  
4           county and each municipality in the county that is entitled  
5           to a distribution under this section for the calendar year;  
6           or  
7           **(B) in the case of a county that initially imposed a rate for**  
8           **public safety under IC 6-3.5-1.1 or a county that did not**  
9           **impose a rate for public safety under either IC 6-3.5-1.1 or**  
10          **IC 6-3.5-6, the result of the attributed allocation amount of**  
11          **the county or municipality for the calendar year, divided**  
12          **by the sum of the attributed allocation amounts of the**  
13          **county and each municipality in the county that is entitled**  
14          **to a distribution under this section for the calendar year.**

15          **(d) A fire department, volunteer fire department, or emergency**  
16          **medical services provider that:**

17               **(1) provides fire protection or emergency medical services**  
18               **within the county; and**

19               **(2) is operated by or serves a political subdivision that is not**  
20               **otherwise entitled to receive a distribution of tax revenue**  
21               **under this section;**

22          may, before July 1 of a year, apply to the adopting body for a  
23          distribution of tax revenue under this section during the following  
24          calendar year. The adopting body shall review an application  
25          submitted under this subsection and may, before September 1 of a  
26          year, adopt a resolution requiring that one (1) or more of the  
27          applicants shall receive a specified amount of the tax revenue to be  
28          distributed under this section during the following calendar year.  
29          A resolution approved under this subsection providing for a  
30          distribution to one (1) or more fire departments, volunteer fire  
31          departments, or emergency medical services providers applies only  
32          to distributions in the following calendar year. Any amount of tax  
33          revenue distributed under this subsection to a fire department,  
34          volunteer fire department, or emergency medical services provider  
35          shall be distributed before the remainder of the tax revenue is  
36          allocated under subsection (c).

37          **Sec. 8.5. (a) This section applies only to Marion County.**

38          **(b) The adopting body may allocate additional revenue to fund**  
39          **the operation of a public library in a county containing a**  
40          **consolidated city as provided in an election, if any, made by the**  
41          **county fiscal body under IC 36-3-7-6. An allocation under this**  
42          **section shall be made from the part of the additional revenue that**

1 would otherwise be allocated as certified shares.

2 (c) The adopting body may allocate additional revenue to fund  
3 the operation of a public transportation corporation as provided  
4 in an election, if any, made by the county fiscal body under  
5 IC 36-9-4-42. An allocation under this section shall be made from  
6 the part of the additional revenue that would otherwise be  
7 allocated as certified shares.

8 Sec. 9. (a) This section applies to the allocation of additional  
9 revenue from a tax under this chapter for economic development  
10 purposes.

11 (b) Money designated for economic development purposes shall  
12 be allocated to the county, cities, and towns for use by the taxing  
13 unit's fiscal body for any of the purposes described in IC 6-3.6-10.  
14 Except as provided in subsections (c) and (d), and subject to  
15 adjustment as provided in IC 36-8-19-7.5, the amount of the  
16 certified distribution allocated to economic development purposes  
17 that the county and each city or town in a county is entitled to  
18 receive each month of each year equals the amount determined  
19 using the following formula:

20 STEP ONE: Determine the sum of:

21 (A) the total property taxes being imposed by the county,  
22 city, or town during the calendar year of the distribution;  
23 plus

24 (B) for a county, the welfare allocation amount.

25 STEP TWO: Determine the quotient of:

26 (A) The STEP ONE amount; divided by

27 (B) the sum of the total property taxes that are first due  
28 and payable to the county and all cities and towns of the  
29 county during the calendar year in which the month falls,  
30 plus the welfare allocation amount.

31 STEP THREE: Determine the product of:

32 (A) the amount of the certified distribution allocated to  
33 economic development purposes for that month; multiplied  
34 by

35 (B) the STEP TWO amount.

36 (c) The body imposing the tax may adopt an ordinance before  
37 August 2 of a year to provide for a distribution of the amount  
38 allocated to economic development purposes based on population  
39 instead of a distribution under subsection (b). The following apply  
40 if an ordinance is adopted under this subsection:

41 (1) The ordinance is effective January 1 of the following year.

42 (2) The amount of the certified distribution allocated to

1 economic development purposes that the county and each city  
 2 and town in the county are entitled to receive during each  
 3 month of each year equals the product of:

4 (A) the amount of the certified distribution that is allocated  
 5 to economic development purposes for the month;  
 6 multiplied by

7 (B) the quotient of:

8 (A) for a city or town, the population of the city or the  
 9 town that is located in the county and for a county, the  
 10 population of the part of the county that is not located in  
 11 a city or town; divided by

12 (B) the population of the entire county.

13 (3) The ordinance may be made irrevocable for the duration  
 14 of specified lease rental or debt service payments.

15 (d) In a county having a consolidated city, only the consolidated  
 16 city is entitled to the amount of the certified distribution that is  
 17 allocated to economic development purposes.

18 (e) This section applies to Porter County. Three million five  
 19 hundred thousand dollars (\$3,500,000) of the additional revenue  
 20 that is allocated each year for economic development purposes  
 21 shall be used by the county or by eligible municipalities (as defined  
 22 in IC 36-7.5-1-11.3) in the county to make transfers as provided in  
 23 and required under IC 36-7.5-4-2 (before its repeal).

24 Sec. 9.5. (a) The executive of a county, city, or town may:

25 (1) adopt a capital improvement plan specifying the uses of  
 26 the additional revenue to be allocated for economic  
 27 development purposes; or

28 (2) designate the county or a city or town in the county as the  
 29 recipient of all or a part of its share of the additional revenue  
 30 that is distributed to it for economic development purposes.

31 (b) If a designation is made under subsection (a)(2), the county  
 32 treasurer shall transfer the share or part of the share to the  
 33 designated unit unless that unit does not have a capital  
 34 improvement plan.

35 (c) A county, city, or town that fails to adopt a capital  
 36 improvement plan may not receive:

37 (1) its fractional amount of the additional revenue to be  
 38 allocated for economic development purposes; or

39 (2) any amount designated under subsection (a)(2);

40 for the year or years in which the unit does not have a plan. The  
 41 county treasurer shall retain the amounts not distributed for such  
 42 a unit in a separate account until the unit adopts a plan. Interest on

1 the separate account becomes part of the account. If a unit fails to  
 2 adopt a plan for a period of three (3) years, the balance in the  
 3 separate account shall be distributed to the other units in the  
 4 county in the same manner that other additional revenue allocated  
 5 for economic development purposes is distributed.

6 (d) A capital improvement plan must include the following  
 7 components:

8 (1) Identification and general description of each project that  
 9 would be funded by other additional revenue allocated for  
 10 economic development purposes.

11 (2) The estimated total cost of the project.

12 (3) Identification of all sources of funds expected to be used  
 13 for each project.

14 (4) The planning, development, and construction schedule of  
 15 each project.

16 (e) A capital improvement plan:

17 (1) must encompass a period of not less than two (2) years;  
 18 and

19 (2) must incorporate projects the cost of which is at least  
 20 seventy-five percent (75%) of the fractional amount of  
 21 additional revenue allocated for economic development  
 22 purposes that is expected to be received by the county, city, or  
 23 town in that period.

24 (f) In making a designation under subsection (a)(2), the  
 25 executive must specify the purpose and duration of the designation.  
 26 If the designation is made to provide for the payment of lease  
 27 rentals or bond payments, the executive may specify that the  
 28 designation and its duration are irrevocable.

29 Sec. 10. (a) This section applies to additional revenue from a tax  
 30 under this chapter that is allocated for certified shares.

31 (b) Additional revenue remaining from a tax imposed under this  
 32 chapter, after deducting the amounts allocated to public safety  
 33 purposes and economic development purposes, shall be allocated  
 34 among the civil taxing units as certified shares.

35 Sec. 11. (a) Except as provided in this chapter and IC 6-3.6-11,  
 36 this section applies to an allocation of certified shares in all  
 37 counties.

38 (b) Subject to this chapter, any civil taxing unit that imposes an  
 39 ad valorem property tax in the county that has a tax rate in effect  
 40 under this chapter is eligible for an allocation under this chapter.

41 (c) A school corporation is not a civil taxing unit for the purpose  
 42 of receiving an allocation of certified shares under this chapter.

1           (d) A county solid waste management district (as defined in  
2 IC 13-11-2-47) or a joint solid waste management district (as  
3 defined in IC 13-11-2-113) is not a civil taxing unit for the purpose  
4 of receiving an allocation of certified shares under this chapter  
5 unless a majority of the members of each of the county fiscal bodies  
6 of the counties within the district passes a resolution approving the  
7 distribution.

8           (e) A resolution passed by a county fiscal body under subsection  
9 (d) may:

10           (1) expire on a date specified in the resolution; or

11           (2) remain in effect until the county fiscal body revokes or  
12 rescinds the resolution.

13           Sec. 12. (a) Except as provided in this chapter and IC 6-3.6-11,  
14 this section applies to an allocation of certified shares in all  
15 counties.

16           (b) The allocation amount of a civil taxing unit during a  
17 calendar year is equal to the amount determined using the  
18 following formula:

19           STEP ONE: Determine the sum of the total property taxes  
20 being imposed by the civil taxing unit during the calendar  
21 year of the distribution.

22           STEP TWO: Determine the sum of the following:

23           (A) Amounts appropriated from property taxes to pay the  
24 principal of or interest on any debenture or other debt  
25 obligation issued after June 30, 2005, other than an  
26 obligation described in subsection (c).

27           (B) Amounts appropriated from property taxes to make  
28 payments on any lease entered into after June 30, 2005,  
29 other than a lease described in subsection (d).

30           STEP THREE: Subtract the STEP TWO amount from the  
31 STEP ONE amount.

32           STEP FOUR: Determine the sum of:

33           (A) the STEP THREE amount; plus

34           (B) the civil taxing unit's certified shares for the previous  
35 calendar year.

36           The allocation amount is subject to adjustment as provided in  
37 IC 36-8-19-7.5.

38           (c) Except as provided in this subsection, an appropriation from  
39 property taxes to repay interest and principal of a debt obligation  
40 is not deducted from the allocation amount for a civil taxing unit  
41 if:

42           (1) the debt obligation was issued; and

1           (2) the proceeds were appropriated from property taxes;  
 2 to refund or otherwise refinance a debt obligation or a lease issued  
 3 before July 1, 2005. However, an appropriation from property  
 4 taxes related to a debt obligation issued after June 30, 2005, is  
 5 deducted if the debt extends payments on a debt or lease beyond  
 6 the time in which the debt or lease would have been payable if the  
 7 debt or lease had not been refinanced or increases the total amount  
 8 that must be paid on a debt or lease in excess of the amount that  
 9 would have been paid if the debt or lease had not been refinanced.  
 10 The amount of the deduction is the annual amount for each year of  
 11 the extension period or the annual amount of the increase over the  
 12 amount that would have been paid.

13           (d) Except as provided in this subsection, an appropriation from  
 14 property taxes to make payments on a lease is not deducted from  
 15 the allocation amount for a civil taxing unit if:

16           (1) the lease was issued; and

17           (2) the proceeds were appropriated from property taxes;  
 18 to refinance a debt obligation or lease issued before July 1, 2005.  
 19 However, an appropriation from property taxes related to a lease  
 20 entered into after June 30, 2005, is deducted if the lease extends  
 21 payments on a debt or lease beyond the time in which the debt or  
 22 lease would have been payable if the debt or lease had not been  
 23 refinanced or increases the total amount that must be paid on a  
 24 debt or lease in excess of the amount that would have been paid if  
 25 the debt or lease had not been refinanced. The amount of the  
 26 deduction is the annual amount for each year of the extension  
 27 period or the annual amount of the increase over the amount that  
 28 would have been paid.

29           Sec. 13. (a) This section applies to an allocation of certified  
 30 shares in all counties other than Marion County.

31           (b) The attributed allocation amount of a civil taxing unit  
 32 during a calendar year is equal to the sum of:

33           (1) the allocation amount of the civil taxing unit for that  
 34 calendar year; plus

35           (2) in the case of a county, the welfare allocation amount.

36           Sec. 14. (a) This section applies to an allocation of certified  
 37 shares in a county other than Marion County.

38           (b) Subject to this chapter, certified shares must be allocated  
 39 among civil taxing units based on the attributed allocation amount.

40           (c) The amount of certified shares to be allocated to each civil  
 41 taxing unit is equal to:

42           (1) the total amount of the certified distribution that is

1 allocated to certified shares for the county for the month;  
2 multiplied by

3 (2) the quotient of:

4 (A) the attributed allocation amount for the civil taxing  
5 unit in the county during the calendar year; divided by

6 (B) the sum of the attributed allocation amounts for all  
7 civil taxing units in the county during the calendar year.

8 Sec. 15. (a) This section applies to an allocation or distribution,  
9 or both, of certified shares that is required to be made to a civil  
10 taxing unit in a county other than Marion County.

11 (b) IC 36-8-19-7.5 applies to the adjustment of the amounts  
12 distributed to a civil taxing unit that participates in a fire  
13 protection territory.

14 Sec. 16. IC 6-3.6-11 applies to the allocation of certified shares  
15 in Marion County.

16 Sec. 17. A civil taxing unit may use its certified shares for any of  
17 the purposes of the civil taxing unit.

18 Sec. 18. A civil taxing unit may pledge its certified shares to the  
19 payment of bonds or to lease payments for:

20 (1) any purpose of the civil taxing unit;

21 (2) any purpose of another governmental entity located in any  
22 part in the county, including a governmental entity organized  
23 on a regional basis; or

24 (3) any purpose for which certified shares may be used under  
25 IC 6-3.6-10.

26 The pledge must be approved in an ordinance adopted by the fiscal  
27 body of the political subdivision.

28 Sec. 19. (a) A civil taxing unit may distribute any part of its  
29 certified shares to any governmental entity located in any part of  
30 its county to:

31 (1) carry out a joint purpose; or

32 (2) fund the purposes of the other governmental entity;  
33 including a governmental entity organized on a regional basis to  
34 serve an area in more than one (1) county.

35 (b) The distribution must be authorized by ordinance of the  
36 fiscal body of the civil taxing unit to which the revenue is allocated  
37 by this chapter. An ordinance must specify the purpose of the  
38 designation and its duration.

39 (c) The fiscal body of the civil taxing unit may direct the county  
40 auditor in the ordinance to withhold from the civil taxing unit's  
41 allocation the amount that is the subject of the ordinance and  
42 distribute the amount directly to the other governmental entity

1 authorized to receive the money.

2 **Sec. 20. (a)** This section applies to any allocation or distribution  
 3 of revenue under section 3(1) or 3(2) of this chapter that is made on  
 4 the basis of property tax levies. If a school corporation or civil  
 5 taxing unit of an adopting county does not impose a property tax  
 6 levy that is first due and payable in a calendar year in which  
 7 revenue under section 3(1) or 3(2) of this chapter is being allocated  
 8 or distributed, that school corporation or civil taxing unit is  
 9 entitled to receive a part of the revenue under section 3(1) or 3(2)  
 10 of this chapter (as appropriate) to be distributed within the county.  
 11 The fractional amount that such a school corporation or civil  
 12 taxing unit is entitled to receive each month during that calendar  
 13 year equals the product of the following:

14 (1) The amount of revenue under section 3(1) or 3(2) of this  
 15 chapter to be distributed on the basis of property tax levies  
 16 during that month; multiplied by

17 (2) A fraction. The numerator of the fraction equals the  
 18 budget of that school corporation or civil taxing unit for that  
 19 calendar year. The denominator of the fraction equals the  
 20 aggregate budgets of all school corporations or civil taxing  
 21 units of that county for that calendar year.

22 (b) If for a calendar year a school corporation or civil taxing  
 23 unit is allocated a part of a county's revenue under section 3(1) or  
 24 3(2) of this chapter by subsection (a), the calculations used to  
 25 determine the shares of revenue of all other school corporations  
 26 and civil taxing units under section 3(1) or 3(2) of this chapter (as  
 27 appropriate) shall be changed each month for that same year by  
 28 reducing the amount of revenue to be distributed by the amount of  
 29 revenue under section 3(1) or 3(2) of this chapter allocated under  
 30 subsection (a) for that same month. The department of local  
 31 government finance shall make any adjustments required by this  
 32 subsection and provide them to the appropriate county auditors.

33 **Chapter 7. Special Purpose Rates**

34 **Sec. 1.** Maintaining low property tax rates is essential to  
 35 economic development. The use of a tax imposed for the purposes  
 36 of this chapter, rather than the use of property taxes, promotes this  
 37 policy.

38 **Sec. 2.** An adopting body may impose a tax on the adjusted gross  
 39 income of local taxpayers in the county served by the adopting  
 40 body that is a combination of one (1) or more of the tax rates  
 41 permitted in this chapter in the county served by the adopting  
 42 body. The total of all tax rates under this chapter in a county may

1 not be greater than the sum of the tax rates specified in this  
 2 chapter for special purpose projects in the county and may be  
 3 imposed only for the length of time that rate was permitted under  
 4 the former tax law.

5 Sec. 3. (a) A separate tax rate is permitted under this chapter  
 6 for each of the following purposes:

7 (1) To finance, construct, acquire, improve, renovate,  
 8 remodel, or equip a criminal justice facility, including a court,  
 9 a jail, a juvenile detention center facility, or a juvenile  
 10 probation facility, including:

11 (A) related buildings and parking facilities;

12 (B) costs related to the demolition of existing buildings;

13 (C) the acquisition of land; and

14 (D) any other reasonably related costs;

15 for these purposes.

16 (2) To renovate a former county hospital for additional office  
 17 space, educational facilities, nonsecure juvenile facilities, and  
 18 other county functions.

19 (3) To finance, construct, acquire, renovate, and equip  
 20 buildings for a volunteer fire department (as defined in  
 21 IC 36-8-12-2) that provides services in any part of the county.

22 (4) To finance, construct, acquire, and renovate firefighting  
 23 apparatus or other related equipment for a volunteer fire  
 24 department (as defined in IC 36-8-12-2) that provides services  
 25 in any part of the county.

26 (5) To finance, construct, acquire, renovate, and operate a  
 27 public transportation system described in IC 8-25.

28 (6) To carry out the purposes set forth throughout this  
 29 chapter.

30 (b) The rate permitted under subsection (a)(1) may include a  
 31 rate to repay bonds issued or leases entered into for a purpose  
 32 described in subsection (a)(1). A tax rate imposed under this  
 33 section may be imposed only until the last of the following dates:

34 (1) The date on which the purposes described in subsection  
 35 (a)(1) are completed.

36 (2) The date on which the last of any bonds issued (including  
 37 any refunding bonds) or leases described in subsection (a) are  
 38 fully paid.

39 However, for a bond or lease entered into after December 31, 2015,  
 40 the term of the bonds issued (including any refunding bonds) or a  
 41 lease entered into under this section may not exceed twenty (20)  
 42 years. The adopting body shall provide a notice to the budget

1 agency, the department of local government finance, and the  
2 department of state revenue specifying that the date for the  
3 termination of the tax rate has occurred.

4 (c) Money accumulated from the tax under this section after:

5 (1) the redemption of bonds issued; or

6 (2) the final payment of lease rentals due under a lease  
7 entered into under this section;

8 shall be transferred to the county highway fund to be used for  
9 construction, resurfacing, restoration, and rehabilitation of county  
10 highways, roads, and bridges.

11 Sec. 4. In order to impose a tax under this chapter, the adopting  
12 body must adopt an ordinance finding and determining that  
13 revenues from the tax are needed for the purposes described in the  
14 section under which the tax is imposed.

15 Sec. 5. Revenue raised from a tax imposed under this chapter  
16 shall be treated as additional revenue and may not be considered  
17 by the department of local government finance in determining:

18 (1) any taxing unit's maximum permissible property tax levy  
19 limit under IC 6-1.1-18.5; or

20 (2) the approved property tax rate for any fund.

21 Sec. 6. A governmental entity to which revenue raised from a  
22 tax under this chapter is distributed must segregate the amount  
23 raised from the tax in a separate account or fund and maintain  
24 sufficient records, as required by the state board of accounts, to  
25 demonstrate that the revenue is used only for the purposes for  
26 which the tax was imposed.

27 Sec. 7. (a) This section applies to Daviess County.

28 (b) Daviess County possesses unique governmental and  
29 economic development challenges due to:

30 (1) underemployment in relation to similarly situated counties  
31 and the loss of a major manufacturing business;

32 (2) an increase in property taxes for taxable years after  
33 December 31, 2000, for the construction of a new elementary  
34 school; and

35 (3) overcrowding of the county jail, the costs associated with  
36 housing the county's inmates outside the county, and the  
37 potential unavailability of additional housing for inmates  
38 outside the county.

39 The use of a tax under this section is necessary for the county to  
40 provide adequate jail capacity in the county and to maintain low  
41 property tax rates essential to economic development. The use of  
42 a tax under this section for the purposes of this section, rather than

1 the use of property taxes, promotes these purposes.  
 2 (c) The county fiscal body may impose a tax on the adjusted  
 3 gross income of local taxpayers at a tax rate that does not exceed  
 4 the lesser of the following:  
 5 (1) Twenty-five hundredths percent (0.25%).  
 6 (2) The rate necessary to carry out the purposes described in  
 7 this section.  
 8 (d) Revenue from the tax under this section may be used only  
 9 for the following purposes:  
 10 (1) To finance, construct, acquire, improve, renovate,  
 11 remodel, or equip the county jail and related buildings and  
 12 parking facilities, including costs related to the demolition of  
 13 existing buildings, the acquisition of land, and any other  
 14 reasonably related costs.  
 15 (2) To repay bonds issued or leases entered into for  
 16 constructing, acquiring, improving, renovating, remodeling,  
 17 and equipping the county jail and related buildings and  
 18 parking facilities, including costs related to the demolition of  
 19 existing buildings, the acquisition of land, and any other  
 20 reasonably related costs.  
 21 (e) The tax imposed under this section may be imposed only  
 22 until the last of the following dates:  
 23 (1) The date on which the purposes described in subsection  
 24 (d)(1) are completed.  
 25 (2) The date on which the last of any bonds issued (including  
 26 any refunding bonds) or leases described in subsection (d)(2)  
 27 are fully paid.  
 28 The term of the bonds issued (including any refunding bonds) or a  
 29 lease entered into under subsection (d)(2) may not exceed  
 30 twenty-five (25) years.  
 31 (f) Money accumulated from the tax under this section after:  
 32 (1) the redemption of bonds issued; or  
 33 (2) the final payment of lease rentals due under a lease  
 34 entered into under this section;  
 35 shall be transferred to the county highway fund to be used for  
 36 construction, resurfacing, restoration, and rehabilitation of county  
 37 highways, roads, and bridges.  
 38 Sec. 8. (a) This section applies to Elkhart County.  
 39 (b) The county fiscal body may impose a tax on the adjusted  
 40 gross income of local taxpayers at a tax rate that does not exceed  
 41 the lesser of the following:  
 42 (1) Twenty-five hundredths percent (0.25%).

- 1           **(2) The rate necessary to carry out the purposes described in**  
 2           **subsection (c).**
- 3           **(c) Revenue raised from a tax under this section may be used**  
 4           **only for the following purposes:**
- 5           **(1) To finance, construct, acquire, improve, renovate, or**  
 6           **equip:**
- 7               **(A) jail facilities;**  
 8               **(B) juvenile court, detention, and probation facilities;**  
 9               **(C) other criminal justice facilities; and**  
 10              **(D) related buildings and parking facilities;**  
 11           **located in the county, including costs related to the demolition**  
 12           **of existing buildings and the acquisition of land.**
- 13           **(2) To repay bonds issued or leases entered into for the**  
 14           **purposes described in subdivision (1).**
- 15           **(3) To operate and maintain jail facilities described in**  
 16           **subdivision (1)(A) but only after the purposes described in**  
 17           **subdivision (1) are completed and any bonds issued or leases**  
 18           **entered into under subdivision (2) are fully paid.**
- 19           **(d) The term of the bonds issued (including any refunding**  
 20           **bonds) or a lease entered into under this section may not exceed**  
 21           **twenty (20) years.**
- 22           **(e) Money accumulated from a tax under this section that**  
 23           **remains after the tax imposed by this section is terminated shall be**  
 24           **transferred to the county highway fund to be used for construction,**  
 25           **resurfacing, restoration, and rehabilitation of county highways,**  
 26           **roads, and bridges.**
- 27           **Sec. 9. (a) This section applies only to Hancock County.**
- 28           **(b) The county fiscal body may, by ordinance, allocate part of**  
 29           **the tax rate imposed under IC 6-3.6-5, not to exceed a tax rate of**  
 30           **fifteen hundredths percent (0.15%), to a property tax credit**  
 31           **against the property tax liability imposed for public libraries in the**  
 32           **county, if all territory in the county is included in a library district.**  
 33           **The county treasurer shall establish a library property tax**  
 34           **replacement fund to be used only for the purposes described in this**  
 35           **section. Tax revenues derived from the part of the tax rate imposed**  
 36           **under IC 6-3-5 that is designated for property tax replacement**  
 37           **credits under this section shall be deposited in the library property**  
 38           **tax replacement fund. Any interest earned on money in the library**  
 39           **property tax replacement fund shall be credited to the library**  
 40           **property tax replacement fund.**
- 41           **(c) The amount of property tax replacement credits that each**  
 42           **public library in the county is entitled to receive during a calendar**

1 year under this section equals the lesser of:

2 (1) the product of:

3 (A) the amount of revenue deposited by the county auditor  
4 in the library property tax replacement fund; multiplied  
5 by

6 (B) a fraction described as follows:

7 (i) The numerator of the fraction equals the sum of the  
8 total property taxes that would have been collected by  
9 the public library during the previous calendar year  
10 from taxpayers located within the library district if the  
11 property tax replacement under this section had not been  
12 in effect.

13 (ii) The denominator of the fraction equals the sum of  
14 the total property taxes that would have been collected  
15 during the previous year from taxpayers located within  
16 the county by all public libraries that are eligible to  
17 receive property tax replacement credits under this  
18 section if the property tax replacement under this section  
19 had not been in effect; or

20 (2) the total property taxes that would otherwise be collected  
21 by the public library for the calendar year if the property tax  
22 replacement credit under this section were not in effect.

23 The department of local government finance shall make any  
24 adjustments necessary to account for the expansion of a library  
25 district. However, a public library is eligible to receive property  
26 tax replacement credits under this section only if it has entered into  
27 reciprocal borrowing agreements with all other public libraries in  
28 the county. If the total amount of tax revenue deposited by the  
29 county auditor in the library property tax replacement fund for a  
30 calendar year exceeds the total property tax liability that would  
31 otherwise be imposed for public libraries in the county for the  
32 year, the excess must remain in the library property tax  
33 replacement fund and may be used for library property tax  
34 replacement purposes in the following calendar year.

35 (d) A public library receiving property tax replacement credits  
36 under this section shall allocate the credits among each fund for  
37 which a distinct property tax levy is imposed in proportion to the  
38 property taxes levied for each fund. However, if a public library  
39 did not impose a property tax levy during the previous calendar  
40 year or did not impose a property tax levy for a particular fund  
41 during the previous calendar year, but the public library is  
42 imposing a property tax levy in the current calendar year or is

1 imposing a property tax levy for the particular fund in the current  
 2 calendar year, the department of local government finance shall  
 3 adjust the amount of property tax replacement credits allocated  
 4 among the various funds of the public library and shall provide the  
 5 adjustment to the county auditor. If a public library receiving  
 6 property tax replacement credits under this section does not  
 7 impose a property tax levy for a particular fund that is first due  
 8 and payable in a calendar year in which the property tax  
 9 replacement credits are being distributed, the public library is not  
 10 required to allocate to that fund a part of the property tax  
 11 replacement credits to be distributed to the public library.  
 12 Notwithstanding IC 6-1.1-20-1.1(1), a public library that receives  
 13 property tax replacement credits under this section is subject to the  
 14 procedures for the issuance of bonds set forth in IC 6-1.1-20.

15 (e) A public library shall treat property tax replacement credits  
 16 received during a particular calendar year under this section as a  
 17 part of the public library's property tax levy for each fund for that  
 18 same calendar year for purposes of fixing the public library's  
 19 budget and for purposes of the property tax levy limits imposed by  
 20 IC 6-1.1-18.5.

21 (f) For the purpose of allocating tax revenue under IC 6-3.6-6  
 22 and computing and distributing tax revenue under IC 6-5.5 or  
 23 IC 6-6-5, the property tax replacement credits that are received  
 24 under this section shall be treated as though they were property  
 25 taxes that were due and payable during that same calendar year.

26 **Sec. 10. (a)** This section applies only to Howard County.

27 (b) Maintaining low property tax rates is essential to economic  
 28 development, and the use of a tax under this section, as needed in  
 29 the county, to carry out the purposes of this section, rather than  
 30 the use of property taxes, promotes these purposes.

31 (c) The county fiscal body may impose a tax rate on the adjusted  
 32 gross income of local taxpayers that does not exceed twenty-five  
 33 hundredths percent (0.25%).

34 (d) Revenues raised from a tax imposed under this section may  
 35 be used only for the purposes of funding a property tax credit to  
 36 reduce the property tax liability imposed by a county to fund the  
 37 county's operation and maintenance of a jail or a juvenile  
 38 detention center, or both.

39 (e) The total of all tax credits granted under this section for a  
 40 year may not exceed the amount of revenue raised by the tax  
 41 imposed under this section. If the amount available in a year for  
 42 property tax credits under this section is less than the amount

1 necessary to provide all the property tax credits authorized by the  
 2 adopting body, the county auditor shall reduce the property tax  
 3 credits granted to eliminate the excess. The county auditor shall  
 4 reduce credits uniformly in proportion to the tax liability incurred  
 5 by each taxpayer.

6 (f) The total of all tax credits granted under this section for a  
 7 year may not exceed the amount necessary to offset the property  
 8 tax liability imposed for the purposes of this section. If the amount  
 9 available in a year for property tax credits under this section is  
 10 greater than the amount necessary to provide property tax credits  
 11 to offset the property tax liability imposed for the purposes of this  
 12 section, the county auditor shall retain and apply the excess, as  
 13 necessary, to provide the property tax credits for the purposes of  
 14 this section for the following year.

15 (g) The county auditor shall allocate the amount of revenue  
 16 applied as tax credits under this section to the county.

17 Sec. 11. (a) This section applies only to Jackson County.

18 (b) For calendar years ending before January 1, 2024, the  
 19 county fiscal body may impose a tax on the adjusted gross income  
 20 of local taxpayers at a tax rate that does not exceed one-tenth  
 21 percent (0.1%).

22 (c) Revenue raised from a tax under this section may be used  
 23 only for the purposes of funding the operation and maintenance of  
 24 a jail and juvenile detention center opened after July 1, 1998.

25 Sec. 12. (a) This section applies only to Jasper County.

26 (b) The county council may, by ordinance, determine that  
 27 additional local income tax revenue is needed in the county to:

28 (1) finance, construct, acquire, improve, renovate, or equip:

29 (A) jail facilities;

30 (B) juvenile court, detention, and probation facilities;

31 (C) other criminal justice facilities; and

32 (D) related buildings and parking facilities;

33 located in the county, including costs related to the demolition  
 34 of existing buildings and the acquisition of land; and

35 (2) repay bonds issued or leases entered into for the purposes  
 36 described in subdivision (1).

37 (c) The county council may, by ordinance, determine that  
 38 additional local income tax revenue is also needed in the county to  
 39 operate or maintain any of the facilities described in subsection  
 40 (b)(1)(A) through (b)(1)(D) that are located in the county. The  
 41 county council may make a determination under both this  
 42 subsection and subsection (b).

1           **(d) The county council may impose a tax rate of:**

2               **(1) fifteen-hundredths percent (0.15%);**

3               **(2) two-tenths percent (0.2%); or**

4               **(3) twenty-five hundredths percent (0.25%);**

5           **on the adjusted gross income of county taxpayers if the adopting**  
6           **body makes a finding and determination set forth in subsection (b)**  
7           **or (c).**

8           **(e) If the county council imposes the tax under this section to**  
9           **pay for the purposes described in both subsections (b) and (c),**  
10           **when:**

11               **(1) the financing, construction, acquisition, improvement,**  
12               **renovation, and equipping described in subsection (b) are**  
13               **completed; and**

14               **(2) all bonds issued or leases entered into to finance the**  
15               **construction, acquisition, improvement, renovation, and**  
16               **equipping described in subsection (b) are fully paid;**

17           **the county council shall, subject to subsection (d), establish a tax**  
18           **rate under this section by ordinance such that the revenue from the**  
19           **tax does not exceed the costs of operating and maintaining the jail**  
20           **facilities described in subsection (b)(1)(A). The tax rate may not be**  
21           **imposed at a rate greater than is necessary to carry out the**  
22           **purposes described in subsections (b) and (c), as applicable.**

23           **(f) The tax imposed under this section may be imposed only**  
24           **until the latest of the following:**

25               **(1) The date on which the financing, construction, acquisition,**  
26               **improvement, renovation, and equipping described in**  
27               **subsection (b) are completed.**

28               **(2) The date on which the last of any bonds issued or leases**  
29               **entered into to finance the construction, acquisition,**  
30               **improvement, renovation, and equipping described in**  
31               **subsection (b) are fully paid.**

32               **(3) The date on which an ordinance adopted under subsection**  
33               **(c) is rescinded.**

34           **(g) The term of the bonds issued (including any refunding**  
35           **bonds) or a lease entered into under subsection (b)(2) may not**  
36           **exceed twenty (20) years.**

37           **(h) The county treasurer shall establish a criminal justice**  
38           **facilities revenue fund to be used only for purposes described in**  
39           **this section. Revenue derived from the tax imposed under this**  
40           **section shall be deposited in the criminal justice facilities revenue**  
41           **fund.**

42           **(i) Revenue derived from the tax imposed under this section:**

1 (1) may be used only for the purposes described in this  
2 section;

3 (2) may not be considered by the department of local  
4 government finance in determining the county's maximum  
5 permissible property tax levy limit under IC 6-1.1-18.5; and

6 (3) may be pledged to the repayment of bonds issued or leases  
7 entered into for any or all the purposes described in  
8 subsection (b).

9 (j) Notwithstanding any other law, money remaining in the  
10 criminal justice facilities revenue fund established under  
11 subsection (h) after the tax imposed by this section is terminated  
12 under subsection (f) shall be transferred to the county highway  
13 fund to be used for construction, resurfacing, restoration, and  
14 rehabilitation of county highways, roads, and bridges.

15 Sec. 13. (a) This section applies only to Knox County.

16 (b) The county fiscal body may impose a tax on the adjusted  
17 gross income of local taxpayers at a tax rate that does not exceed  
18 the lesser of the following:

19 (1) Twenty-five hundredths percent (0.25%).

20 (2) The rate necessary to carry out the purposes described in  
21 this section.

22 (c) Revenue from a tax under this section may be used only for  
23 the following purposes:

24 (1) To finance, construct, acquire, and equip the county jail.

25 (2) To repay bonds issued or leases entered into for  
26 constructing, acquiring, and equipping the county jail.

27 Sec. 14. (a) This section applies only to Marshall County.

28 (b) The county fiscal body may impose a tax on the adjusted  
29 gross income of local taxpayers at a tax rate that does not exceed  
30 the lesser of the following:

31 (1) Twenty-five hundredths percent (0.25%).

32 (2) The rate necessary to carry out the purposes described in  
33 subsection (c).

34 (c) Revenue raised from a tax under this section may be used  
35 only for the following purposes:

36 (1) To finance, construct, acquire, improve, renovate, or  
37 equip:

38 (A) jail facilities;

39 (B) juvenile court, detention, and probation facilities;

40 (C) other criminal justice facilities; and

41 (D) related buildings and parking facilities;

42 located in the county, including costs related to the demolition

1 of existing buildings and the acquisition of land.  
 2 (2) Repay bonds issued or leases entered into for the purposes  
 3 described in subdivision (1).  
 4 (d) The tax imposed under this section may be imposed only  
 5 until the last of the following dates:  
 6 (1) The date on which the purposes described in subsection  
 7 (c)(1) are completed.  
 8 (2) The date on which the last of any bonds issued (including  
 9 any refunding bonds) or leases described in subsection (c)(2)  
 10 are fully paid.  
 11 The term of the bonds issued (including any refunding bonds) or a  
 12 lease entered into under subsection (c)(2) may not exceed twenty  
 13 (20) years.  
 14 (e) Money accumulated from the tax under this section after the  
 15 tax imposed by this section is terminated shall be transferred to the  
 16 county highway fund to be used for construction, resurfacing,  
 17 restoration, and rehabilitation of county highways, roads, and  
 18 bridges.  
 19 Sec. 15. (a) This section applies only to Miami County.  
 20 (b) Miami County possesses unique economic development  
 21 challenges due to:  
 22 (1) underemployment in relation to similarly situated  
 23 counties; and  
 24 (2) the presence of a United States government military base  
 25 or other military installation that is completely or partially  
 26 inactive or closed.  
 27 Maintaining low property tax rates is essential to economic  
 28 development, and the use of a tax under this section to pay any  
 29 bonds issued or leases entered into to carry out the purposes of this  
 30 section rather than use of property taxes promotes these purposes.  
 31 (c) The county fiscal body may impose a tax rate on the adjusted  
 32 gross income of local taxpayers that is the lesser of the following:  
 33 (1) Twenty-five hundredths percent (0.25%).  
 34 (2) The rate necessary to pay the costs of financing,  
 35 constructing, acquiring, renovating, and equipping a county  
 36 jail.  
 37 (d) Revenue raised from a tax imposed under this section may  
 38 be used only for the purposes of paying the costs of financing,  
 39 constructing, acquiring, renovating, and equipping a county jail,  
 40 including the repayment of bonds issued, or leases entered into, for  
 41 financing, constructing, acquiring, renovating, and equipping a  
 42 county jail.

- 1           **Sec. 16. (a) This section applies only to Monroe County.**  
 2           **(b) Maintaining low property tax rates is essential to economic**  
 3           **development, and the use of a tax under this section, as needed in**  
 4           **the county, to carry out the purposes of this section, rather than**  
 5           **the use of property taxes, promotes these purposes.**  
 6           **(c) The county fiscal body may impose a tax rate on the adjusted**  
 7           **gross income of local taxpayers that does not exceed twenty-five**  
 8           **hundredths percent (0.25%).**  
 9           **(d) Revenues raised from a tax imposed under this section may**  
 10           **be used only for the purposes of funding a property tax credit to**  
 11           **reduce the property tax liability imposed by a county to fund the**  
 12           **operation and maintenance of a juvenile detention center and other**  
 13           **facilities to provide juvenile services.**  
 14           **(e) The total of all tax credits granted under this section for a**  
 15           **year may not exceed the amount of revenue raised by the tax**  
 16           **imposed under this section. If the amount available in a year for**  
 17           **property tax credits under this section is less than the amount**  
 18           **necessary to provide all the property tax credits authorized by the**  
 19           **adopting body, the county auditor shall reduce the property tax**  
 20           **credits granted to eliminate the excess. The county auditor shall**  
 21           **reduce credits uniformly in proportion to the tax liability incurred**  
 22           **by each taxpayer.**  
 23           **(f) The total of all tax credits granted under this section for a**  
 24           **year may not exceed the amount necessary to offset the property**  
 25           **tax liability imposed for the purposes of this section. If the amount**  
 26           **available in a year for property tax credits under this section is**  
 27           **greater than the amount necessary to provide property tax credits**  
 28           **to offset the property tax liability imposed for the purposes of this**  
 29           **section, the county auditor shall retain and apply the excess, as**  
 30           **necessary, to provide the property tax credits for the purposes of**  
 31           **this section for the following year.**  
 32           **(g) The county auditor shall allocate the amount of revenue**  
 33           **applied as tax credits under this section to the county.**  
 34           **Sec. 17. (a) This section applies only to Perry County.**  
 35           **(b) Perry County possesses unique governmental and economic**  
 36           **development challenges due to:**  
 37               **(1) underemployment in relation to similarly situated counties**  
 38               **and the loss of a major manufacturing business; and**  
 39               **(2) overcrowding of the county jail, the costs associated with**  
 40               **housing the county's inmates outside the county, and the**  
 41               **potential unavailability of additional housing for inmates**  
 42               **outside the county.**

1       **The use of a tax under this section is necessary for the county to**  
 2       **provide adequate jail capacity in the county and to maintain low**  
 3       **property tax rates essential to economic development. The use of**  
 4       **a tax under this section for the purposes described in this section**  
 5       **promotes these purposes.**

6       **(c) The county fiscal body may impose a tax on the adjusted**  
 7       **gross income of local taxpayers at a tax rate that does not exceed**  
 8       **the lesser of the following:**

9           **(1) Five-tenths percent (0.5%).**

10          **(2) The rate necessary to carry out the purposes described in**  
 11          **this section.**

12       **(d) Revenue from a tax imposed under this section may be used**  
 13       **only for the following purposes:**

14           **(1) To finance, construct, acquire, improve, renovate,**  
 15           **remodel, or equip the county jail and related buildings and**  
 16           **parking facilities, including costs related to the demolition of**  
 17           **existing buildings, the acquisition of land, and any other**  
 18           **reasonably related costs.**

19           **(2) To repay bonds issued or leases entered into for**  
 20           **constructing, acquiring, improving, renovating, remodeling,**  
 21           **and equipping the county jail and related buildings and**  
 22           **parking facilities, including costs related to the demolition of**  
 23           **existing buildings, the acquisition of land, and any other**  
 24           **reasonably related costs.**

25       **(e) The tax imposed under this section may be imposed only**  
 26       **until the last of the following dates:**

27           **(1) The date on which the purposes described in subsection**  
 28           **(d)(1) are completed.**

29           **(2) The date on which the last of any bonds issued (including**  
 30           **any refunding bonds) or leases described in subsection (d)(2)**  
 31           **are fully paid.**

32       **The term of the bonds issued (including any refunding bonds) or a**  
 33       **lease entered into under subsection (d)(2) may not exceed**  
 34       **twenty-five (25) years.**

35       **(f) Funds accumulated from a tax under this section after:**

36           **(1) the redemption of the bonds issued; or**

37           **(2) the final payment of lease rentals due under a lease**  
 38           **entered into under this section;**

39       **shall be transferred to the county highway fund to be used for**  
 40       **construction, resurfacing, restoration, and rehabilitation of county**  
 41       **highways, roads, and bridges.**

42       **Sec. 18. (a) This section applies only to Pulaski County.**

1           (b) For calendar years beginning before January 1, 2021, the  
2 county fiscal body may impose a tax on the adjusted gross income  
3 of local taxpayers at a tax rate that does not exceed three-tenths  
4 percent (0.3%).

5           (c) Revenue from a tax imposed under this section may be used  
6 only for the purposes of paying the costs of operating and  
7 maintaining a jail and justice center.

8           **Sec. 19. (a) This section applies only to Randolph County.**

9           **(b) Randolph County possesses:**

10           (1) unique fiscal challenges to finance the operations of county  
11 government due to the county's ongoing obligation to repay  
12 amounts received by the county due to an overpayment of the  
13 county's certified distribution under IC 6-3.5-1.1-9 (before its  
14 repeal) for a prior year; and

15           (2) unique capital financing needs related to the purposes  
16 described in this section.

17           (c) The county fiscal body may impose a tax on the adjusted  
18 gross income of local taxpayers at a tax rate that does not exceed  
19 the lesser of the following:

20           (1) Twenty-five hundredths percent (0.25%).

21           (2) The rate necessary to carry out the purposes described in  
22 this section.

23           (d) Revenues from a tax under this section may be used only for  
24 the following purposes:

25           (1) Financing, constructing, acquiring, renovating, and  
26 equipping the county courthouse, and financing and  
27 renovating the former county hospital for additional office  
28 space, educational facilities, nonsecure juvenile facilities, and  
29 other county functions, including the repayment of bonds  
30 issued, or leases entered into, for constructing, acquiring,  
31 renovating, and equipping the county courthouse and for  
32 renovating the former county hospital for additional office  
33 space, educational facilities, nonsecure juvenile facilities, and  
34 other county functions.

35           (2) Financing, constructing, acquiring, renovating, and  
36 equipping buildings for a volunteer fire department (as  
37 defined in IC 36-8-12-2) that provides services in any part of  
38 the county.

39           (3) Financing, constructing, acquiring, and renovating  
40 firefighting apparatus or other related equipment for a  
41 volunteer fire department (as defined in IC 36-8-12-2) that  
42 provides services in any part of the county.

1           **Sec. 20. (a) This section applies only to Scott County.**  
2           **(b) Scott County is a county in which:**  
3               **(1) maintaining low property tax rates is essential to economic**  
4               **development; and**  
5               **(2) the use of additional tax revenues as provided in this**  
6               **section, rather than the use of property taxes, to fund:**  
7                   **(A) the financing, construction, acquisition, improvement,**  
8                   **renovation, equipping, operation, or maintenance of jail**  
9                   **facilities; and**  
10                  **(B) the repayment of bonds issued or leases entered into**  
11                  **for the purposes described in clause (A), except operation**  
12                  **or maintenance;**  
13               **promotes the purpose of maintaining low property tax rates.**  
14           **(c) The county fiscal body may impose a tax rate on the adjusted**  
15           **gross income of local taxpayers that is the lesser of the following:**  
16               **(1) Twenty-five hundredths percent (0.25%).**  
17               **(2) The rate necessary to pay the costs of financing,**  
18               **constructing, acquiring, renovating, and equipping the**  
19               **facilities described in subsection (d).**  
20           **(d) Revenues raised under this section may be used only for the**  
21           **following purposes:**  
22               **(1) The financing, construction, acquisition, improvement,**  
23               **renovation, equipping, operation, or maintenance of jail**  
24               **facilities.**  
25               **(2) The repayment of bonds issued or leases entered into for**  
26               **the purposes described in subdivision (1), except operation or**  
27               **maintenance.**  
28           **Sec. 21. (a) This section applies only to Starke County.**  
29           **(b) Starke County possesses unique governmental and economic**  
30           **development challenges due to:**  
31               **(1) the county's predominantly rural geography, demography,**  
32               **and economy;**  
33               **(2) the county's relatively low tax base and relatively high**  
34               **property tax rates;**  
35               **(3) the current maximum capacity of the county jail, which**  
36               **was constructed in 1976; and**  
37               **(4) pending federal class action litigation seeking a mandate**  
38               **to address capacity and living conditions in the county jail.**  
39           **The use of a tax under this section is necessary for the county to**  
40           **address jail capacity and appropriate inmate living conditions and**  
41           **to maintain low property tax rates essential to economic**  
42           **development. The use of a tax under this section for the purposes**

- 1 described in this section promotes these purposes.
- 2 (c) The county fiscal body may impose a tax on the adjusted
- 3 gross income of local taxpayers at a tax rate that does not exceed
- 4 the lesser of the following:
- 5 (1) Sixty-five hundredths percent (0.65%).
- 6 (2) The rate necessary to carry out the purposes described in
- 7 this section.
- 8 (d) Revenue from a tax under this section may be used only for
- 9 the following purposes:
- 10 (1) To finance, construct, acquire, and equip the county jail
- 11 and related buildings and parking facilities, including costs
- 12 related to the demolition of existing buildings, the acquisition
- 13 of land, and any other reasonably related costs.
- 14 (2) To repay bonds issued or leases entered into for
- 15 constructing, acquiring, and equipping the county jail and
- 16 related buildings and parking facilities, including costs related
- 17 to the demolition of existing buildings, the acquisition of land,
- 18 and any other reasonably related costs.
- 19 (e) The tax imposed under this section may be imposed only
- 20 until the last of the following dates:
- 21 (1) The date on which the purposes described in subsection
- 22 (d)(1) are completed.
- 23 (2) The date on which the last of any bonds issued (including
- 24 any refunding bonds) or leases described in subsection (d)(2)
- 25 are fully paid.
- 26 The term of the bonds issued (including any refunding bonds) or a
- 27 lease entered into under subsection (d)(2) may not exceed
- 28 twenty-five (25) years.
- 29 Sec. 22. (a) This section applies only to Union County.
- 30 (b) Union County possesses unique economic development
- 31 challenges due to:
- 32 (1) the county's heavy agricultural base;
- 33 (2) the presence of a large amount of state owned property in
- 34 the county that is exempt from property taxation; and
- 35 (3) recent obligations of the school corporation in the county
- 36 that have already increased property taxes in the county and
- 37 imposed additional property tax burdens on the county's
- 38 agricultural base.
- 39 Maintaining low property tax rates is essential to economic
- 40 development. The use of a tax under this section for the purposes
- 41 described in this section, rather than the use of property taxes,
- 42 promotes these purposes.

1           (c) The county fiscal body may impose a tax on the adjusted  
2 gross income of local taxpayers at a tax rate that does not exceed  
3 the lesser of the following:

4           (1) Twenty-five hundredths percent (0.25%).

5           (2) The rate necessary to carry out the purposes described in  
6 this section.

7           (d) Revenue raised from a tax under this section may be used  
8 only for the following purposes:

9           (1) To finance, construct, acquire, improve, renovate, or equip  
10 the county courthouse.

11           (2) To repay bonds issued, or leases entered into, for  
12 constructing, acquiring, improving, renovating, and equipping  
13 the county courthouse.

14           (e) The tax imposed under this section may be imposed only  
15 until the last of the following dates:

16           (1) The date on which the purposes described in subsection  
17 (d)(1) are completed.

18           (2) The date on which the last of any bonds issued (including  
19 any refunding bonds) or leases described in subsection (d)(2)  
20 are fully paid.

21           The term of the bonds issued (including any refunding bonds) or a  
22 lease entered into under subsection (d)(2) may not exceed  
23 twenty-two (22) years.

24           (f) Funds accumulated from a tax under this section after:

25           (1) the redemption of the bonds issued; or

26           (2) the final payment of lease rentals due under a lease  
27 entered into under this section;

28 shall be transferred to the county highway fund to be used for  
29 construction, resurfacing, restoration, and rehabilitation of county  
30 highways, roads, and bridges.

31           Sec. 23. (a) This section applies only to Wayne County.

32           (b) Wayne County possesses unique economic development  
33 challenges due to underemployment in relation to similarly  
34 situated counties. Maintaining low property tax rates is essential  
35 to economic development, and the use of a tax under this section to  
36 pay any bonds issued or leases entered into to carry out the  
37 purposes of this section, rather than the use of property taxes,  
38 promotes these purposes.

39           (c) The county fiscal body may impose a tax on the adjusted  
40 gross income of local taxpayers at a tax rate that does not exceed  
41 twenty-five hundredths percent (0.25%).

42           (d) Revenue raised from a tax under this section may be used

1 only for the following purposes:

2 (1) To finance, construct, acquire, improve, renovate, or equip  
3 the county jail and related buildings and parking facilities,  
4 including costs related to the demolition of existing buildings  
5 and the acquisition of land.

6 (2) To repay bonds issued, or leases entered into, for  
7 constructing, acquiring, improving, renovating, and equipping  
8 the county jail and related buildings and parking facilities,  
9 including costs related to the demolition of existing buildings  
10 and the acquisition of land.

11 (e) The tax imposed under this section may be imposed only  
12 until the later of the date on which the financing, acquisition,  
13 improvement, renovation, and equipping described in this section  
14 are completed or the date on which the last of any bonds issued or  
15 leases entered into to finance the construction, acquisition,  
16 improvement, renovation, and equipping described in this section  
17 are fully paid. The term of the bonds issued (including any  
18 refunding bonds) or a lease entered into under this section may not  
19 exceed twenty (20) years.

20 (f) Notwithstanding any other law, funds accumulated from the  
21 tax imposed under this section after:

22 (1) the redemption of bonds issued; or

23 (2) the final payment of lease rentals due under a lease  
24 entered into under this section;

25 shall be transferred to the county highway fund to be used for  
26 construction, resurfacing, restoration, and rehabilitation of county  
27 highways, roads, and bridges.

28 Sec. 24. (a) This section applies only to a county that is a  
29 member of a regional development authority under IC 36-7.6.

30 (b) The adopting body for the county may impose a tax rate on  
31 the adjusted gross income tax of local taxpayers that is not greater  
32 than:

33 (1) in the case of a county described in IC 36-7.6-4-2(b)(2),  
34 twenty-five thousandths of one percent (0.025%); or

35 (2) in the case of any other county to which this section  
36 applies, five-hundredths of one percent (0.05%).

37 (c) The revenue from a tax under this section may be used only  
38 for the purpose of transferring the revenue in the regional  
39 development authority under IC 36-7.6.

40 Sec. 25. (a) This section applies only to a county that:

41 (1) operates a county jail that is subject to an order that:

42 (A) was issued by a federal district court before January 1,

- 1                   **2003; and**  
 2                   **(B) has not been terminated;**  
 3                   **(2) operates a county jail that fails to meet:**  
 4                   **(A) American Correctional Association Jail Construction**  
 5                   **Standards; and**  
 6                   **(B) Indiana jail operation standards adopted by the**  
 7                   **department of correction; and**  
 8                   **(3) has insufficient revenue to finance the construction,**  
 9                   **acquisition, improvement, renovation, and equipping of a**  
 10                   **county jail and related buildings and parking facilities.**  
 11                   **(b) A county described in subsection (a) possesses unique**  
 12                   **economic development challenges due to underemployment in**  
 13                   **relation to similarly situated counties. Maintaining low property**  
 14                   **tax rates is essential to economic development. The use of a tax**  
 15                   **under this section for the purposes of this section, rather than the**  
 16                   **use of property taxes, promotes these purposes.**  
 17                   **(c) For purposes of this section, "county jail" includes any other**  
 18                   **penal facility that is:**  
 19                   **(1) located in; and**  
 20                   **(2) operated by;**  
 21                   **the county.**  
 22                   **(d) The county fiscal body may impose a tax on the adjusted**  
 23                   **gross income of local taxpayers at a tax rate that does not exceed**  
 24                   **the lesser of the following:**  
 25                   **(1) Twenty-five hundredths percent (0.25%).**  
 26                   **(2) The rate necessary to carry out the purposes described in**  
 27                   **this section.**  
 28                   **(e) Revenue from a tax under this section may be used only for**  
 29                   **the following purposes:**  
 30                   **(1) To finance, construct, acquire, improve, renovate, or equip**  
 31                   **a county jail and related buildings and parking facilities,**  
 32                   **including costs related to the demolition of existing buildings**  
 33                   **and the acquisition of land.**  
 34                   **(2) To repay bonds issued or leases entered into for**  
 35                   **constructing, acquiring, improving, renovating, and equipping**  
 36                   **the county jail and related buildings and parking facilities,**  
 37                   **including costs related to the demolition of existing buildings**  
 38                   **and the acquisition of land.**  
 39                   **(f) The tax imposed under this section may be imposed only**  
 40                   **until the last of the following dates:**  
 41                   **(1) The date on which the purposes described in subsection**  
 42                   **(e)(1) are completed.**

- 1           (2) The date on which the last of any bonds issued (including  
2           any refunding bonds) or leases described in subsection (e)(2)  
3           are fully paid.
- 4           **The term of the bonds issued (including any refunding bonds) or a**  
5           **lease entered into under subsection (e)(2) may not exceed thirty**  
6           **(30) years.**
- 7           **(g) Funds accumulated from the tax under this section after:**  
8           **(1) the redemption of bonds issued; or**  
9           **(2) the final payment of lease rentals due under a lease**  
10           **entered into under this section;**  
11           **shall be transferred to the county general fund.**
- 12           **Sec. 26. (a) This section applies to a county that:**  
13           **(1) operates a courthouse that is subject to an order that:**  
14           **(A) is issued by a federal district court;**  
15           **(B) applies to an action commenced before January 1,**  
16           **2003; and**  
17           **(C) requires the county to comply with the federal**  
18           **Americans with Disabilities Act; and**  
19           **(2) has insufficient revenues to finance the construction,**  
20           **acquisition, improvement, renovation, equipping, and**  
21           **operation of the courthouse facilities and related facilities.**
- 22           **(b) A county described in this section possesses unique fiscal**  
23           **challenges in financing, renovating, equipping, and operating the**  
24           **county courthouse facilities and related facilities because the**  
25           **county consistently has one (1) of the highest unemployment rates**  
26           **in Indiana. Maintaining low property tax rates is essential to**  
27           **economic development in the county. The use of a tax under this**  
28           **section for the purposes of this section promotes these purposes.**
- 29           **(c) The county fiscal body may impose a tax on the adjusted**  
30           **gross income of local taxpayers at a tax rate that does not exceed**  
31           **the lesser of the following:**  
32           **(1) Twenty-five hundredths percent (0.25%).**  
33           **(2) The rate necessary to carry out the purposes described in**  
34           **this section.**
- 35           **(d) Revenue from a tax under this section may be used only for**  
36           **the following purposes:**  
37           **(1) To finance, construct, acquire, improve, renovate, equip,**  
38           **or operate the county courthouse or related facilities.**  
39           **(2) To repay bonds issued or leases entered into for**  
40           **constructing, acquiring, improving, renovating, equipping, or**  
41           **operating the county courthouse or related facilities.**  
42           **(3) To pay for economic development projects described in the**

1 county's capital improvement plan.

2 (e) Funds accumulated from a tax under this section or any  
3 other revenues of the county may be deposited into a nonreverting  
4 fund of the county to be used for operating costs of the courthouse  
5 facilities, juvenile detention facilities, or related facilities.

6 Sec. 27. (a) This section applies only to an eligible county, as  
7 defined in IC 8-25-1-4.

8 (b) If the voters of the county approve a local public question  
9 under IC 8-25-2, the fiscal body of the county may adopt an  
10 ordinance to provide for the use of local income tax revenues  
11 attributable to an additional tax rate imposed under IC 6-3.5-6 to  
12 fund a public transportation project under IC 8-25. However, a  
13 county fiscal body shall adopt an ordinance under this subsection  
14 if required by IC 8-25-6-10 to impose an additional tax rate on the  
15 county taxpayers who reside in a township in which the voters  
16 approve a public transportation project in a local public question  
17 held under IC 8-25-6. An ordinance adopted under this subsection  
18 must specify an additional tax rate to be imposed in the county (or  
19 township in the case of an additional rate required by IC 8-25-6-10)  
20 of at least one-tenth percent (0.1%), but not more than twenty-five  
21 hundredths percent (0.25%). If an ordinance is adopted under this  
22 subsection, the amount of the certified distribution attributable to  
23 the additional tax rate imposed under this subsection must be:

- 24 (1) retained by the county auditor;  
25 (2) deposited in the county public transportation project fund  
26 established under IC 8-25-3-7; and  
27 (3) used for the purpose provided in this subsection instead of  
28 as a property tax replacement distribution.

29 (c) The tax rate under this section plus the tax rate under  
30 IC 6-3.5-5 may not exceed two and five-tenths percent (2.5%).

31 Sec. 28. (a) This section applies only to Rush County.

32 (b) The county council may, by ordinance, determine that  
33 additional tax revenue is needed in the county to:

- 34 (1) finance the construction, acquisition, improvement,  
35 renovation, equipping, operation, or maintenance of the  
36 county jail and related buildings and parking facilities,  
37 including costs related to the demolition of existing buildings,  
38 the acquisition of land, and any other reasonably related  
39 costs; and  
40 (2) repay bonds issued or leases entered into for the purposes  
41 described in subdivision (1).

42 (c) If the county council makes a determination under

1 subsection (b), the county council may adopt a tax rate under  
 2 subsection (d). The tax rate may not be imposed at a rate greater  
 3 than is necessary to pay for the purposes described in subsection  
 4 (b).

5 (d) The county council may impose a tax on the adjusted gross  
 6 income of local taxpayers at a tax rate of:

- 7 (1) fifteen-hundredths percent (0.15%);
- 8 (2) two-tenths percent (0.2%);
- 9 (3) twenty-five hundredths percent (0.25%);
- 10 (4) three-tenths percent (0.3%);
- 11 (5) thirty-five hundredths percent (0.35%);
- 12 (6) four-tenths percent (0.4%);
- 13 (7) forty-five hundredths percent (0.45%);
- 14 (8) five-tenths percent (0.5%);
- 15 (9) fifty-five hundredths percent (0.55%); or
- 16 (10) six-tenths percent (0.6%);

17 on the adjusted gross income of county taxpayers if the county  
 18 council makes the determination set forth in subsection (b).

19 (e) If the county council imposes the tax under this section to  
 20 pay for the purposes described in subsection (b) when:

- 21 (1) the financing, construction, acquisition, improvement,  
 22 renovation, and equipping described in subsection (b) are  
 23 completed; and
- 24 (2) all bonds issued (including any refunding bonds) or leases  
 25 entered into to finance the construction, acquisition,  
 26 improvement, renovation, and equipping described in  
 27 subsection (b) are fully paid;

28 the county council shall, subject to subsection (d), establish a tax  
 29 rate under this section by ordinance such that the revenue from the  
 30 tax does not exceed the costs of operating and maintaining the  
 31 facilities referred to in subsection (b)(1).

32 (f) The tax imposed under this section may be imposed only  
 33 until the latest of the following dates:

- 34 (1) The date on which the financing, construction, acquisition,  
 35 improvement, renovation, and equipping described in  
 36 subsection (b) are completed.
- 37 (2) The date on which the last of any bonds issued (including  
 38 any refundable bond) or leases entered into to finance the  
 39 construction, acquisition, improvement, renovation, and  
 40 equipping described in subsection (b) are fully paid.
- 41 (3) The date on which an ordinance adopted under subsection  
 42 (c) is rescinded.

1           (g) The term of the bonds issued (including any refunding  
2 bonds) or a lease entered into under subsection (b) may not exceed  
3 twenty-five (25) years.

4           (h) The county treasurer shall establish a county facilities  
5 revenue fund to be used only for the purposes described in this  
6 section. Revenue derived from the tax imposed under this section  
7 shall be deposited in the county facilities revenue fund.

8           (i) Revenue derived from the tax imposed under this section:

9               (1) may be used only for the purposes described in this  
10 section;

11               (2) may not be considered by the department of local  
12 government finance in determining the county's maximum  
13 permissible property tax levy limit under IC 6-1.1-18.5; and

14               (3) may be pledged to the repayment of bonds issued or leases  
15 entered into for any or all of the purposes described in  
16 subsection (b).

17           (j) Rush County possesses unique governmental and economic  
18 development challenges due to:

19               (1) deficiencies in the current county jail, including:

20                   (A) aging facilities, which have been significantly improved  
21 or renovated since the original constructions;

22                   (B) lack of recreation and medical facilities;

23                   (C) inadequate line of sight supervision of inmates due to  
24 current jail configurations;

25                   (D) lack of adequate housing for an increasing population  
26 of female inmate population and inmates with special  
27 needs;

28                   (E) lack of adequate administrative space; and

29                   (F) increasing maintenance demands and costs resulting  
30 from the age of the facilities; and

31               (2) a limited amount of industrial and other commercial tax  
32 base.

33           The use of a tax under this section is necessary for the county to  
34 provide adequate jail facilities in the county and to maintain low  
35 property tax rates essential to economic development. The use of  
36 a tax under this section as provided in subsection (b) rather than  
37 use of property taxes promotes these purposes.

38           (k) Notwithstanding any other law, money remaining in the  
39 county facilities revenue fund established under subsection (h)  
40 after the tax imposed by this section is terminated under subsection  
41 (f) shall be transferred to the county rainy day fund under  
42 IC 36-1-8-5.1.

1           **Chapter 8. Administration of Tax**

2           **Sec. 1. If for any taxable year a local taxpayer is subject to**  
 3 **different tax rates for the tax imposed by a particular county, the**  
 4 **taxpayer's tax rate for that county and that taxable year is the rate**  
 5 **determined in the last STEP of the following STEPS:**

6           **STEP ONE: For each tax rate in effect in a year, multiply:**

7           **(A) the number of months in the taxpayer's taxable year in**  
 8 **which the rate is in effect; by**

9           **(B) the rate.**

10          **STEP TWO: Divide:**

11          **(A) the sum of the amounts determined under STEP ONE;**  
 12          **by**

13          **(B) twelve (12).**

14          **Sec. 2. If the tax is not in effect during a local taxpayer's entire**  
 15 **taxable year, the amount of tax that the local taxpayer owes for**  
 16 **that taxable year equals the product of:**

17          **(1) the amount of tax the local taxpayer would owe if the tax**  
 18 **had been imposed during the local taxpayer's entire taxable**  
 19 **year; multiplied by**

20          **(2) a fraction equal to:**

21          **(A) the number of days in the local taxpayer's taxable year**  
 22 **during which the tax was in effect; divided by**

23          **(B) the total number of days in the local taxpayer's taxable**  
 24 **year.**

25          **However, if the taxpayer files state income tax returns on a**  
 26 **calendar year basis, the fraction to be applied under this section is**  
 27 **one-half (1/2).**

28          **Sec. 3. (a) For purposes of this article, an individual shall be**  
 29 **treated as a resident of the county in which the individual:**

30          **(1) maintains a home, if the individual maintains only one (1)**  
 31 **home in Indiana;**

32          **(2) if subdivision (1) does not apply, is registered to vote;**

33          **(3) if subdivision (1) or (2) does not apply, registers the**  
 34 **individual's personal automobile; or**

35          **(4) spent the majority of the individual's time in Indiana**  
 36 **during the taxable year in question, if subdivision (1), (2), or**

37          **(3) does not apply.**

38          **(b) The residence or principal place of business or employment**  
 39 **of an individual is to be determined on January 1 of the calendar**  
 40 **year in which the individual's taxable year commences. If an**  
 41 **individual changes the location of the individual's residence or**  
 42 **principal place of employment or business to another county in**

1       **Indiana during a calendar year, the individual's liability for tax is**  
 2       **not affected.**

3       **(c) Notwithstanding subsection (b), if an individual becomes a**  
 4       **local taxpayer for purposes of IC 36-7-27 during a calendar year**  
 5       **because the individual:**

6               **(1) changes the location of the individual's residence to a**  
 7               **county in which the individual begins employment or business**  
 8               **at a qualified economic development tax project (as defined in**  
 9               **IC 36-7-27-9); or**

10              **(2) changes the location of the individual's principal place of**  
 11              **employment or business to a qualified economic development**  
 12              **tax project and does not reside in another county in which a**  
 13              **tax is in effect;**

14       **the individual's adjusted gross income attributable to employment**  
 15       **or business at the qualified economic development tax project is**  
 16       **taxable only by the county containing the qualified economic**  
 17       **development tax project.**

18       **Sec. 4. (a) Using procedures provided under this chapter, the**  
 19       **adopting body of any adopting county may pass an ordinance to**  
 20       **enter into reciprocity agreements with the taxing authority of any**  
 21       **city, town, municipality, county, or other similar local**  
 22       **governmental entity of any other state. The reciprocity agreements**  
 23       **must provide that the income of resident local taxpayers is exempt**  
 24       **from income taxation by the other local governmental entity to the**  
 25       **extent income of the residents of the other local governmental**  
 26       **entity is exempt from the tax in the adopting county.**

27       **(b) A reciprocity agreement adopted under this section may not**  
 28       **become effective until it is also made effective in the other local**  
 29       **governmental entity that is a party to the agreement.**

30       **(c) The form and effective date of any reciprocity agreement**  
 31       **described in this section must be approved by the department.**

32       **Sec. 5. (a) Except as otherwise provided in subsection (b) and**  
 33       **the other provisions of this article, all provisions of the adjusted**  
 34       **gross income tax law (IC 6-3) concerning:**

35               **(1) definitions;**

36               **(2) declarations of estimated tax;**

37               **(3) filing of returns;**

38               **(4) deductions or exemptions from adjusted gross income;**

39               **(5) remittances;**

40               **(6) incorporation of the provisions of the Internal Revenue**  
 41               **Code;**

42               **(7) penalties and interest; and**

1           **(8) exclusion of military pay credits for withholding;**  
 2 **apply to the imposition, collection, and administration of the tax**  
 3 **imposed by this article.**

4           **(b) IC 6-3-1-3.5(a)(6), IC 6-3-3-3, IC 6-3-3-5, and IC 6-3-5-1 do**  
 5 **not apply to the tax imposed by this article.**

6           **(c) Notwithstanding subsections (a) and (b), each employer shall**  
 7 **report to the department of state revenue the amount of**  
 8 **withholdings attributable to each county. This report shall be**  
 9 **submitted to the department of state revenue:**

10           **(1) each time the employer remits to the department the tax**  
 11 **that is withheld; and**

12           **(2) annually along with the employer's annual withholding**  
 13 **report.**

14           **Sec. 6. (a) Except as provided in subsection (b), if for a**  
 15 **particular taxable year a local taxpayer is liable for an income tax**  
 16 **imposed by a county, city, town, or other local governmental entity**  
 17 **located outside Indiana, that local taxpayer is entitled to a credit**  
 18 **against the tax liability imposed under this article for that same**  
 19 **taxable year. The amount of the credit equals the amount of tax**  
 20 **imposed by the other governmental entity on income derived from**  
 21 **sources outside Indiana and subject to the tax imposed under this**  
 22 **article. However, the credit provided by this section may not**  
 23 **reduce a local taxpayer's tax liability to an amount less than would**  
 24 **have been owed if the income subject to taxation by the other**  
 25 **governmental entity had been ignored.**

26           **(b) The credit provided by this section does not apply to a local**  
 27 **taxpayer to the extent that the other governmental entity provides**  
 28 **for a credit to the taxpayer for the amount of taxes owed under this**  
 29 **article.**

30           **(c) To claim the credit provided by this section, a local taxpayer**  
 31 **must provide the department with satisfactory evidence that the**  
 32 **taxpayer is entitled to the credit.**

33           **Sec. 7. In the case of a local taxpayer who is a resident of Perry**  
 34 **County, the term "adjusted gross income" does not include**  
 35 **adjusted gross income that is:**

36           **(1) earned in a county that is:**

37           **(A) located in another state; and**

38           **(B) adjacent to the county in which the taxpayer resides;**  
 39 **and**

40           **(2) subject to an income tax imposed by a county, city, town,**  
 41 **or other local governmental entity in the other state.**

42           **Sec. 8. (a) If for a particular taxable year a local taxpayer is, or**

1 a local taxpayer and the taxpayer's spouse who file a joint return  
 2 are, allowed a credit for the elderly or individuals with a total  
 3 disability under Section 22 of the Internal Revenue Code, the local  
 4 taxpayer is, or the local taxpayer and the taxpayer's spouse are,  
 5 entitled to a credit against the tax liability imposed under this  
 6 article for that same taxable year. The amount of the credit equals  
 7 the lesser of:

8 (1) the product of:

9 (A) the credit for the elderly or individuals with a total  
 10 disability for that same taxable year; multiplied by

11 (B) a fraction equal to:

12 (i) the tax rate imposed against the local taxpayer, or the  
 13 local taxpayer and the taxpayer's spouse; divided by

14 (ii) fifteen-hundredths (0.15); or

15 (2) the amount of tax imposed on the local taxpayer, or the  
 16 local taxpayer and the taxpayer's spouse.

17 (b) If a local taxpayer and the taxpayer's spouse file a joint  
 18 return and are subject to different tax rates for the same taxable  
 19 year, they must compute the credit under this section by using the  
 20 formula provided by subsection (a), except that they must use the  
 21 average of the two (2) tax rates imposed against them as the  
 22 numerator referred to in subsection (a)(1)(B).

23 **Chapter 9. Distribution of Revenue**

24 **Sec. 1. (a)** A trust account within the state general fund shall be  
 25 established for each county that imposes a tax. Any revenue  
 26 derived from the imposition of the tax by a county shall be  
 27 deposited in that county's trust account in the state general fund.

28 (b) Any income earned on money held in a trust account under  
 29 subsection (a) becomes a part of that trust account.

30 (c) Any revenue remaining in a trust account established under  
 31 subsection (a) at the end of a fiscal year does not revert to the state  
 32 general fund.

33 **Sec. 2.** The budget agency shall before May 1 of every  
 34 odd-numbered year publish an estimate of the statewide total  
 35 amount of certified distributions to be made under this article  
 36 during the following two (2) calendar years.

37 **Sec. 3.** The budget agency shall before May 1 of every  
 38 even-numbered year publish an estimate of the statewide total  
 39 amount of certified distributions to be made under this article  
 40 during the following calendar year.

41 **Sec. 4.** Revenue derived from the imposition of the tax shall, in  
 42 the manner prescribed by this chapter, be distributed to the county

1 that imposed it. The amount that is to be distributed to a county  
 2 during an ensuing calendar year equals the amount of tax revenue  
 3 that the budget agency determines has been:

4 (1) received from that county for a taxable year ending in a  
 5 calendar year preceding the calendar year in which the  
 6 determination is made; and

7 (2) reported on an annual return or amended return  
 8 processed by the department in the state fiscal year ending  
 9 before July 1 of the calendar year in which the determination  
 10 is made;

11 as adjusted for refunds of tax made in the state fiscal year.

12 **Sec. 5. (a) Before August 2 of each calendar year, the budget**  
 13 **agency shall provide to the department of local government finance**  
 14 **and the county auditor of each adopting county an estimate of the**  
 15 **amount determined under section 4 of this chapter that will be**  
 16 **distributed to the county, based on known tax rates. Not later than**  
 17 **fifteen (15) days after receiving the estimate of the certified**  
 18 **distribution, the department of local government finance shall**  
 19 **determine for each taxing unit and notify the county auditor of the**  
 20 **estimated amount of property tax credits, school distributions,**  
 21 **public safety revenue, economic development revenue, certified**  
 22 **shares, and special purpose revenue that will be distributed to the**  
 23 **taxing unit under this chapter during the ensuing calendar year.**  
 24 **Not later than thirty (30) days after receiving the department's**  
 25 **estimate, the county auditor shall notify each taxing unit of the**  
 26 **amounts estimated for the taxing unit.**

27 (b) Before October 1 of each calendar year, the budget agency  
 28 shall certify to the department of local government finance and the  
 29 county auditor of each adopting county:

30 (1) the amount determined under section 4 of this chapter;  
 31 and

32 (2) the amount of interest in the county's account that has  
 33 accrued and has not been included in a certification made in  
 34 a preceding year.

35 The amount certified is the county's certified distribution for the  
 36 immediately succeeding calendar year. The amount certified shall  
 37 be adjusted, as necessary, under sections 6, 7, and 8 of this chapter.  
 38 Not later than fifteen (15) days after receiving the amount of the  
 39 certified distribution, the department of local government finance  
 40 shall determine for each taxing unit and notify the county auditor  
 41 of the certified amount of property tax credits, school distributions,  
 42 public safety revenue, economic development revenue, certified

1 shares, and special purpose revenue that will be distributed to the  
2 taxing unit under this chapter during the ensuing calendar year.  
3 Not later than thirty (30) days after receiving the department's  
4 estimate, the county auditor shall notify each taxing unit of the  
5 certified amounts for the taxing unit.

6 **Sec. 6.** The budget agency shall certify an amount less than the  
7 amount determined under section 5(b) of this chapter if the budget  
8 agency determines that the reduced distribution is necessary to  
9 offset overpayments made in a calendar year before the calendar  
10 year of the distribution. The budget agency may reduce the amount  
11 of the certified distribution over several calendar years so that any  
12 overpayments are offset over several years rather than in one (1)  
13 lump sum.

14 **Sec. 7.** The budget agency shall adjust the certified distribution  
15 of a county to correct for any clerical or mathematical errors made  
16 in any previous certification under this section. The budget agency  
17 may reduce the amount of the certified distribution over several  
18 calendar years so that any adjustment under this subsection is  
19 offset over several years rather than in one (1) lump sum.

20 **Sec. 8.** This section applies to a county that imposes, increases,  
21 decreases, or rescinds a tax or tax rate under this article before  
22 November 1 in the same calendar year in which the budget agency  
23 makes a certification under this section. The budget agency shall  
24 adjust the certified distribution of a county to provide for a  
25 distribution in the immediately following calendar year and in each  
26 calendar year thereafter. The budget agency shall provide for a full  
27 transition to certification of distributions as provided in section  
28 4(1) through 4(2) of this chapter in the manner provided in section  
29 6 of this chapter. If the county imposes, increases, decreases, or  
30 rescinds a tax or tax rate under this article after the date for which  
31 a certification under section 5(b) of this chapter is based, the  
32 budget agency shall adjust the certified distribution of the county  
33 after October 1 and before December 1 of the calendar year. The  
34 adjustment must reflect any other adjustment required under  
35 sections 6 and 7 of this chapter. The adjusted certification shall be  
36 treated as the county's certified distribution for the immediately  
37 succeeding calendar year. The budget agency shall certify the  
38 adjusted certified distribution to the county auditor for the county  
39 and provide the county council with an informative summary of  
40 the calculations that revises the informative summary provided in  
41 section 9 of this chapter and reflects the changes made in the  
42 adjustment.

1           **Sec. 9.** The budget agency shall provide the county council with  
 2 an informative summary of the calculations used to determine the  
 3 certified distribution. The summary of calculations must include:

- 4           (1) the amount reported on individual income tax returns  
 5 processed by the department during the previous fiscal year;  
 6           (2) adjustments for over distributions in prior years;  
 7           (3) adjustments for clerical or mathematical errors in prior  
 8 years;  
 9           (4) adjustments for tax rate changes; and  
 10           (5) the amount of excess account balances to be distributed  
 11 under section 15 of this chapter.

12           **Sec. 10.** The budget agency shall also certify information  
 13 concerning the part of the certified distribution that is attributable  
 14 to each of the following:

- 15           (1) The tax rate imposed under IC 6-3.6-5.  
 16           (2) The tax rate imposed under IC 6-3.6-6.  
 17           (3) Each tax rate imposed under IC 6-3.6-7.

18           The amount certified shall be adjusted to reflect any adjustment in  
 19 the certified distribution under this chapter.

20           **Sec. 11.** The information described in sections 9 and 10 of this  
 21 chapter must be certified to the county auditor and to the  
 22 department of local government finance not later than the later of  
 23 the following:

- 24           (1) October 1 of each calendar year.  
 25           (2) Thirty (30) days after the adopting body certifies a new  
 26 rate to the budget agency.

27           **Sec. 12.** One-twelfth (1/12) of each adopting county's certified  
 28 distribution for a calendar year shall be distributed from its trust  
 29 account established under this chapter to the appropriate county  
 30 treasurer on the first regular business day of each month of that  
 31 calendar year.

32           **Sec. 13.** All distributions from a trust account established under  
 33 this chapter shall be made by warrants issued by the auditor of  
 34 state to the treasurer of state ordering the appropriate payments.

35           **Sec. 14.** Before November 2 of each year, the budget agency  
 36 shall submit a report to each county auditor indicating the balance  
 37 in the county's trust account as of the cutoff date set by the budget  
 38 agency.

39           **Sec. 15. (a)** If the budget agency determines that the balance in  
 40 a county trust account exceeds fifty percent (50%) of the certified  
 41 distributions to be made to the county in the ensuing year, the  
 42 budget agency shall make a supplemental distribution to the county

from the county's special account.

(b) A supplemental distribution described in subsection (a) must be:

- (1) made in January of the ensuing calendar year; and
- (2) allocated in the same manner as certified distributions for deposit in a civil unit's rainy day fund established under IC 36-1-8-5.1. However, the part of a supplemental distribution that is attributable to an additional rate authorized under this article:

(A) shall be used for the purpose specified in the statute authorizing the additional rate; and

(B) is not required to be deposited in the unit's rainy day fund.

The amount of the supplemental distribution is equal to the amount by which the balance in the county trust account exceeds fifty percent (50%) of the certified distributions to be made to the county in the ensuing year.

(c) Any income earned on money held in a trust account established for a county under this chapter shall be deposited in that trust account.

(d) A determination under this section must be made before November 2.

Sec. 16. Upon receipt, each monthly payment of a county's certified distribution or supplemental distribution shall be allocated and distributed to the appropriate entities in accordance with this article and the allocation ordinances adopted under this article.

**Chapter 10. Permitted Expenditures**

Sec. 1. This chapter is not an exhaustive list of the purposes for which revenue raised under IC 6-3.6-6 may be expended.

Sec. 2. A county may use revenue allocated for economic development purposes under IC 6-3.6-6-9 for any combination of the following purposes:

- (1) To pay all or a part of the interest owed by a private developer or user on a loan extended by a financial institution or other lender to the developer or user if the proceeds of the loan are or are to be used to finance an economic development project.
- (2) For the retirement of bonds for economic development projects.
- (3) For leases or for leases or bonds entered into or issued before the date the county economic development income tax

- 1 (IC 6-3.5-7 repealed) was imposed if the purpose of the lease  
 2 or bonds would have qualified as a purpose under this article  
 3 at the time the lease was entered into or the bonds were  
 4 issued.
- 5 (4) The construction or acquisition of, or remedial action with  
 6 respect to, a capital project for which the unit is empowered  
 7 to issue general obligation bonds or establish a fund under  
 8 any statute listed in IC 6-1.1-18.5-9.8.
- 9 (5) The retirement of bonds issued under any provision of  
 10 Indiana law for a capital project.
- 11 (6) The payment of lease rentals under any statute for a  
 12 capital project.
- 13 (7) Contract payments to a nonprofit corporation whose  
 14 primary corporate purpose is to assist government in  
 15 planning and implementing economic development projects.
- 16 (8) Operating expenses of a governmental entity that plans or  
 17 implements economic development projects.
- 18 (9) Funding of a revolving fund established under  
 19 IC 5-1-14-14.
- 20 (10) For a regional venture capital fund or a local venture  
 21 capital fund.
- 22 **Sec. 3. (a) The fiscal body of a county, city, or town may issue**  
 23 **bonds payable from revenue under IC 6-3.6-6. The bonds must be**  
 24 **for economic development projects.**
- 25 (b) The fiscal body of a county, city, or town may issue bonds  
 26 payable from revenue described in section 2 of this chapter for any  
 27 capital project for which the fiscal body is authorized to issue  
 28 general obligation bonds. The bonds issued under this section may  
 29 be payable from the tax if the county option income tax (IC 6-3.5-6  
 30 repealed), the county adjusted gross income tax (IC 6-3.5-1.1  
 31 repealed), or a tax under IC 6-3.6-6 is also in effect in the county at  
 32 the time the bonds are issued.
- 33 (c) If there are bonds outstanding that have been issued under  
 34 this section, or leases in effect under section 4 of this chapter, the  
 35 adopting body may not reduce the tax imposed under IC 6-3.6-6,  
 36 or an allocation under IC 6-3.6-6-9, or certified shares pledged to  
 37 repay bonds, as appropriate, below a rate that would produce one  
 38 and twenty-five hundredths (1.25) times the total of the highest  
 39 annual debt service on the bonds to their final maturity, plus the  
 40 highest annual lease payments, unless:
- 41 (1) the body that imposed a tax under IC 6-3.6-6; or  
 42 (2) any city, town, or county;

1 pledges all or a part of its certified shares for the life of the bonds  
 2 or the term of the lease, in an amount that is sufficient, when  
 3 combined with the amount pledged by the city, town, or county  
 4 that issued the bonds, to produce one and twenty-five hundredths  
 5 (1.25) times the total of the highest outstanding annual debt service  
 6 plus the highest annual lease payments.

7 (d) For purposes of subsection (c), the determination of a tax  
 8 rate sufficient to produce one and twenty-five hundredths (1.25)  
 9 times the total of the highest outstanding annual debt service plus  
 10 the highest annual lease payments must be based on an average of  
 11 the immediately preceding three (3) years tax collections, if the tax  
 12 has been imposed for the last preceding three (3) years. If the tax  
 13 has not been imposed for the last preceding three (3) years, the  
 14 body that imposed the tax may not reduce the rate below a rate  
 15 that would produce one and twenty-five hundredths (1.25) times  
 16 the total of the highest annual debt service, plus the highest annual  
 17 lease payments, based upon a study by a qualified public  
 18 accountant or financial advisor.

19 (e) IC 6-1.1-20 does not apply to the issuance of bonds under this  
 20 section.

21 (f) Bonds issued under this section may be sold at a public sale  
 22 in accordance with IC 5-1-11 or may be sold at a negotiated sale.

23 (g) After a sale of bonds under this section, the county auditor  
 24 shall prepare a debt service schedule for the bonds.

25 (h) The general assembly covenants that it will not repeal or  
 26 amend this article in a manner that would adversely affect owners  
 27 of outstanding bonds issued, or payment of any lease rentals due,  
 28 under this section.

29 **Sec. 4. (a)** A county, city, or town may enter into a lease with a  
 30 leasing body (as defined in IC 5-1-1-1) of any property that could  
 31 be financed with the proceeds of bonds issued under this chapter  
 32 with a lessor for a term not to exceed fifty (50) years, and the lease  
 33 may provide for payments from revenues described in section 2 of  
 34 this chapter, any other revenue available to the unit, or any  
 35 combination of these sources.

36 (b) A lease may provide that payments by the unit to the lessor  
 37 are required only to the extent and only for the period that the  
 38 lessor is able to provide the leased facilities in accordance with the  
 39 lease. The terms of each lease must be based upon the value of the  
 40 facilities leased and may not create a debt of the unit for purposes  
 41 of the Constitution of the State of Indiana.

42 (c) A lease may be entered into by the executive of the unit only

1 after a public hearing at which all interested parties are provided  
 2 the opportunity to be heard. After the public hearing, the executive  
 3 may approve the execution of the lease on behalf of the unit if the  
 4 executive finds that the service to be provided throughout the term  
 5 of the lease will serve the public purpose of the unit and is in the  
 6 best interests of its residents. Any lease approved by the executive  
 7 must also be approved by an ordinance of the fiscal body of the  
 8 unit.

9 (d) Upon execution of a lease providing for payments by the unit  
 10 in whole or in part from revenues described in section 2 of this  
 11 chapter and upon approval of the lease by the unit's fiscal body,  
 12 the executive of the unit shall publish notice of the execution of the  
 13 lease and its approval in accordance with IC 5-3-1.

14 (e) Except as provided in this section, no approvals of any  
 15 governmental body or agency are required before the unit enters  
 16 into a lease under this section.

17 (f) An action to contest the validity of the lease under this  
 18 section or to enjoin the performance of any of its terms and  
 19 conditions must be brought within thirty (30) days after the  
 20 publication of the notice of the execution and approval of the lease.

21 (g) If a unit exercises an option to buy a leased facility from a  
 22 lessor, the unit may subsequently sell the leased facility, without  
 23 regard to any other statute, to the lessor at the end of the lease  
 24 term at a price set forth in the lease or at fair market value  
 25 established at the time of the sale by the executive of the unit  
 26 through auction, appraisal, or arms length negotiation. If the  
 27 facility is sold at auction, after appraisal, or through negotiation,  
 28 the unit shall conduct a hearing after public notice in accordance  
 29 with IC 5-3-1 before the sale. Any action to contest the sale must be  
 30 brought within fifteen (15) days of the hearing.

31 **Sec. 5.** Notwithstanding any other law, if a civil taxing unit  
 32 desires to issue obligations, or enter into leases, payable wholly or  
 33 in part by the taxes imposed under IC 6-3.6-6 or IC 6-3.6-7 (but not  
 34 IC 6-3.6-5), the obligations of the civil taxing unit or any lessor may  
 35 be sold at public sale in accordance with IC 5-1-11 or at negotiated  
 36 sale.

37 **Sec. 6. (a)** A pledge of revenues from a tax imposed under  
 38 IC 6-3.6-6 or IC 6-3.6-7 (but not IC 6-3.6-5) is enforceable in  
 39 accordance with IC 5-1-14.

40 (b) With respect to obligations for which a pledge has been  
 41 made under IC 6-3.6-6 or IC 6-3.6-7 (but not IC 6-3.6-5), the  
 42 general assembly covenants with the county and the purchasers or

1 owners of those obligations that this article will not be repealed or  
 2 amended in any manner that will adversely affect the tax collected  
 3 under this article as long as the principal of or interest on those  
 4 obligations is unpaid.

5 Sec. 7. (a) The general assembly finds that counties and  
 6 municipalities in Indiana have a need to foster economic  
 7 development, the development of new technology, and industrial  
 8 and commercial growth. The general assembly finds that it is  
 9 necessary and proper to provide an alternative method for counties  
 10 and municipalities to foster the following:

- 11 (1) Economic development.
- 12 (2) The development of new technology.
- 13 (3) Industrial and commercial growth.
- 14 (4) Employment opportunities.
- 15 (5) The diversification of industry and commerce.

16 The fostering of economic development and the development of  
 17 new technology under this section or section 8 of this chapter for  
 18 the benefit of the general public, including industrial and  
 19 commercial enterprises, is a public purpose.

20 (b) The fiscal bodies of two (2) or more counties or  
 21 municipalities may, by resolution, do the following:

- 22 (1) Determine that part or all the revenue described in section  
 23 2 of this chapter should be combined to foster:
  - 24 (A) economic development;
  - 25 (B) the development of new technology; and
  - 26 (C) industrial and commercial growth.
- 27 (2) Establish a regional venture capital fund.

28 (c) Each unit participating in a regional venture capital fund  
 29 established under subsection (b) may deposit the following in the  
 30 fund:

- 31 (1) Revenues described in section 2 of this chapter.
- 32 (2) The proceeds of public or private grants.

33 (d) A regional venture capital fund shall be administered by a  
 34 governing board. The expenses of administering the fund shall be  
 35 paid from money in the fund. The governing board shall invest the  
 36 money in the fund not currently needed to meet the obligations of  
 37 the fund in the same manner as other public money may be  
 38 invested. Interest that accrues from these investments shall be  
 39 deposited into the fund. The fund is subject to an annual audit by  
 40 the state board of accounts. The fund must bear the full costs of the  
 41 audit.

42 (e) The fiscal body of each participating unit shall approve an

1 interlocal agreement created under IC 36-1-7 establishing the  
2 terms for the administration of the regional venture capital fund.

3 The terms must include the following:

- 4 (1) The membership of the governing board.  
5 (2) The amount of each unit's contribution to the fund.  
6 (3) The procedures and criteria under which the governing  
7 board may loan or grant money from the fund.  
8 (4) The procedures for the dissolution of the fund and for the  
9 distribution of money remaining in the fund at the time of the  
10 dissolution.

11 (f) An interlocal agreement made by the participating units  
12 under subsection (e) must provide that:

- 13 (1) each of the participating units is represented by at least  
14 one (1) member of the governing board; and  
15 (2) the membership of the governing board is established on  
16 a bipartisan basis so that the number of the members of the  
17 governing board who are members of one (1) political party  
18 may not exceed the number of members of the governing  
19 board required to establish a quorum.

20 (g) A majority of the governing board constitutes a quorum, and  
21 the concurrence of a majority of the governing board is necessary  
22 to authorize any action.

23 (h) An interlocal agreement made by the participating units  
24 under subsection (e) must be submitted to the Indiana economic  
25 development corporation for approval before the participating  
26 units may contribute to the fund.

27 (i) A majority of members of a governing board of a regional  
28 venture capital fund established under this section must have at  
29 least five (5) years of experience in business, finance, or venture  
30 capital.

31 (j) The governing board of the fund may loan or grant money  
32 from the fund to a private or public entity if the governing board  
33 finds that the loan or grant will be used by the borrower or grantee  
34 for at least one (1) of the following economic development  
35 purposes:

- 36 (1) To promote significant employment opportunities for the  
37 residents of the units participating in the regional venture  
38 capital fund.  
39 (2) To attract a major new business enterprise to a  
40 participating unit.  
41 (3) To develop, retain, or expand a significant business  
42 enterprise in a participating unit.

1           **(k) The expenditures of a borrower or grantee of money from**  
 2 **a regional venture capital fund that are considered to be for an**  
 3 **economic development purpose include expenditures for any of the**  
 4 **following:**

- 5           **(1) Research and development of technology.**  
 6           **(2) Job training and education.**  
 7           **(3) Acquisition of property interests.**  
 8           **(4) Infrastructure improvements.**  
 9           **(5) New buildings or structures.**  
 10          **(6) Rehabilitation, renovation, or enlargement of buildings or**  
 11          **structures.**  
 12          **(7) Machinery, equipment, and furnishings.**  
 13          **(8) Funding small business development with respect to:**  
 14               **(A) prototype products or processes;**  
 15               **(B) marketing studies to determine the feasibility of new**  
 16               **products or processes; or**  
 17               **(C) business plans for the development and production of**  
 18               **new products or processes.**

19          **Sec. 8. (a) The fiscal body of a county or municipality may, by**  
 20 **resolution, establish a local venture capital fund.**

21          **(b) A unit establishing a local venture capital fund under**  
 22 **subsection (a) may deposit the following in the fund:**

- 23               **(1) Revenues described in section 2 of this chapter.**  
 24               **(2) The proceeds of public or private grants.**

25          **(c) A local venture capital fund shall be administered by a**  
 26 **governing board. The expenses of administering the fund shall be**  
 27 **paid from money in the fund. The governing board shall invest the**  
 28 **money in the fund not currently needed to meet the obligations of**  
 29 **the fund in the same manner as other public money may be**  
 30 **invested. Interest that accrues from these investments shall be**  
 31 **deposited into the fund. The fund is subject to an annual audit by**  
 32 **the state board of accounts. The fund must bear the full costs of the**  
 33 **audit.**

34          **(d) The fiscal body of a unit establishing a local venture capital**  
 35 **fund under subsection (a) shall establish the terms for the**  
 36 **administration of the local venture capital fund. The terms must**  
 37 **include the following:**

- 38               **(1) The membership of the governing board.**  
 39               **(2) The amount of the unit's contribution to the fund.**  
 40               **(3) The procedures and criteria under which the governing**  
 41               **board may loan or grant money from the fund.**  
 42               **(4) The procedures for the dissolution of the fund and for the**

- 1           distribution of money remaining in the fund at the time of the  
2           dissolution.
- 3           (e) A unit establishing a local venture capital fund under  
4 subsection (a) must be represented by at least one (1) member of  
5 the governing board.
- 6           (f) The membership of the governing board must be established  
7 on a bipartisan basis so that the number of the members of the  
8 governing board who are members of one (1) political party may  
9 not exceed the number of members of the governing board  
10 required to establish a quorum.
- 11           (g) A majority of the governing board constitutes a quorum, and  
12 the concurrence of a majority of the governing board is necessary  
13 to authorize any action.
- 14           (h) The terms established under subsection (d) for the  
15 administration of the local venture capital fund must be submitted  
16 to the Indiana economic development corporation for approval  
17 before a unit may contribute to the fund.
- 18           (i) A majority of members of a governing board of a local  
19 venture capital fund established under this section must have at  
20 least five (5) years of experience in business, finance, or venture  
21 capital.
- 22           (j) The governing board of the fund may loan or grant money  
23 from the fund to a private or public entity if the governing board  
24 finds that the loan or grant will be used by the borrower or grantee  
25 for at least one (1) of the following economic development  
26 purposes:
- 27           (1) To promote significant employment opportunities for the  
28 residents of the unit establishing the local venture capital  
29 fund.
- 30           (2) To attract a major new business enterprise to the unit.
- 31           (3) To develop, retain, or expand a significant business  
32 enterprise in the unit.
- 33           (k) The expenditures of a borrower or grantee of money from  
34 a local venture capital fund that are considered to be for an  
35 economic development purpose include expenditures for any of the  
36 following:
- 37           (1) Research and development of technology.
- 38           (2) Job training and education.
- 39           (3) Acquisition of property interests.
- 40           (4) Infrastructure improvements.
- 41           (5) New buildings or structures.
- 42           (6) Rehabilitation, renovation, or enlargement of buildings or

1 structures.

2 (7) Machinery, equipment, and furnishings.

3 (8) Funding small business development with respect to:

4 (A) prototype products or processes;

5 (B) marketing studies to determine the feasibility of new  
6 products or processes; or

7 (C) business plans for the development and production of  
8 new products or processes.

9 Chapter 11. Supplemental Allocation and Distribution  
10 Requirements

11 Sec. 1. (a) This section applies to any county that imposed a  
12 former tax to provide for a levy freeze.

13 (b) The revenue used to offset the levy freeze shall be part of the  
14 tax rate under IC 6-3.6-6.

15 (c) The levy freeze amount prescribed by the adopting body  
16 shall continue to be applied under this article as it was applied  
17 under the former tax until an adopting body adopts an ordinance  
18 that fixes the levy freeze amount as of a certain date as permitted  
19 under the former tax. A levy freeze may be fixed as of a certain  
20 date, but may not be rescinded.

21 (d) The levy freeze, levy amounts, and income tax distributions  
22 shall be administered in the same manner as under the former tax.  
23 The distributions of income tax shall be made before allocating or  
24 distributing revenue under IC 6-3.6-6 or applying the property tax  
25 credits funded by a tax rate under IC 6-3.6-5.

26 (e) Notwithstanding IC 6-1.1-18.5-3 and IC 6-3.5-1.5, for  
27 purposes of calculating the maximum permissible ad valorem  
28 property tax levy under IC 6-1.1-18.5 for an ensuing calendar year  
29 beginning after December 31, 2016, revenue under IC 6-3.6-6 that  
30 is applied under this section for purposes of a levy freeze shall not  
31 be included in the amount determined under STEP ONE of  
32 IC 6-1.1-18.5-3 for the civil taxing unit.

33 (f) This subsection applies for ensuing calendar years beginning  
34 after December 31, 2016. This subsection applies in a county that:

35 (1) imposed a tax rate for a levy freeze under IC 6-3.5-1.1-24  
36 (before its repeal January 1, 2017) or IC 6-3.5-6-30 (before its  
37 repeal January 1, 2017); and

38 (2) has not adopted an ordinance specifying that the levy  
39 freeze will not apply to future increases in maximum  
40 permissible ad valorem property tax levies.

41 The maximum permissible ad valorem property tax levy calculated  
42 under IC 6-1.1-18.5 for the ensuing calendar year for a civil taxing

1 unit in a county subject to this section is equal to the civil taxing  
 2 unit's maximum permissible ad valorem property tax levy for the  
 3 current calendar year.

4 **Sec. 2. (a) This section applies to Jasper County's allocation of**  
 5 **property tax credits provided by a tax rate under IC 6-3.6-5.**

6 **(b) A taxpayer that owns an industrial plant located in Jasper**  
 7 **County is ineligible for a credit under IC 6-3.5-5 against the**  
 8 **property taxes due on the industrial plant if the assessed value of**  
 9 **the industrial plant as of March 1, 2006, exceeded twenty percent**  
 10 **(20%) of the total assessed value of all taxable property in the**  
 11 **county on that date. The general assembly finds that the provisions**  
 12 **of this subsection are necessary because the industrial plant**  
 13 **represents such a large percentage of Jasper County's assessed**  
 14 **valuation.**

15 **Sec. 3. (a) This section applies to Lake County's categorizations,**  
 16 **allocations, and distributions under IC 6-3.6-5.**

17 **(b) The rate under the former tax in Lake County that was used**  
 18 **for any of the following shall be categorized under IC 6-3.6-5, and**  
 19 **the Lake County council may adopt an ordinance providing that**  
 20 **the revenue from the tax rate under this section may be used for**  
 21 **any of the following:**

22 **(1) To reduce all property tax levies imposed by the county by**  
 23 **the granting of property tax replacement credits against those**  
 24 **property tax levies.**

25 **(2) To provide local property tax replacement credits in Lake**  
 26 **County in the following manner:**

27 **(A) The tax revenue under this section that is collected**  
 28 **from taxpayers within a particular municipality in Lake**  
 29 **County (as determined by the department of state revenue**  
 30 **based on the department's best estimate) shall be used only**  
 31 **to provide a local property tax credit against property**  
 32 **taxes imposed by that municipality.**

33 **(B) The tax revenue under this section that is collected**  
 34 **from taxpayers within the unincorporated area of Lake**  
 35 **County (as determined by the department of state revenue)**  
 36 **shall be used only to provide a local property tax credit**  
 37 **against property taxes imposed by the county. The local**  
 38 **property tax credit for the unincorporated area of Lake**  
 39 **County shall be available only to those taxpayers within**  
 40 **the unincorporated area of the county.**

41 **(3) To provide property tax credits in the following manner:**

42 **(A) Sixty percent (60%) of the tax revenue shall be used as**

1 provided in subdivision (2).

2 (B) Forty percent (40%) of the tax revenue shall be used to  
 3 provide property tax replacement credits against property  
 4 tax levies of the county and each township and  
 5 municipality in the county. The percentage of the tax  
 6 revenue distributed under this item that shall be used as  
 7 credits against the county's levies or against a particular  
 8 township's or municipality's levies is equal to the  
 9 percentage determined by dividing the population of the  
 10 county, township, or municipality by the sum of the total  
 11 population of the county, each township in the county, and  
 12 each municipality in the county.

13 The Lake County council shall determine whether the credits  
 14 under subdivision (1), (2), or (3) shall be provided to homesteads,  
 15 to all qualified residential property, or to all taxpayers. The  
 16 department of local government finance, with the assistance of the  
 17 budget agency, shall certify to the county auditor and the fiscal  
 18 body of the county and each township and municipality in the  
 19 county the amount of property tax credits under this subdivision.  
 20 The tax revenue under this section that is used to provide credits  
 21 under this subdivision shall be treated for all purposes as property  
 22 tax levies but shall not be considered for purposes of computing the  
 23 maximum permissible property tax levy under IC 6-1.1-18.5-3 or  
 24 the credit under IC 6-1.1-20.6.

25 Sec. 4. (a) This section applies to Marion County's allocation of  
 26 the tax revenue under IC 6-3.6-6 that is dedicated to public safety.

27 (b) The adopting body may allocate part or all of the certified  
 28 distribution that is allocated to public safety purposes to fund the  
 29 operation of a public communications system and computer  
 30 facilities district as provided in an election, if any, made by the  
 31 county fiscal body under IC 36-8-15-19(b).

32 Sec. 5. (a) This section applies to Marion County's allocation of  
 33 the tax revenue under IC 6-3.6-6 that is dedicated to certified  
 34 shares.

35 (b) The consolidated city, the county, all special taxing districts,  
 36 special service districts, included towns (as defined in IC 36-3-1-7),  
 37 and all other political subdivisions except:

- 38 (1) townships;
- 39 (2) excluded cities (as defined in IC 36-3-1-7); and
- 40 (3) school corporations;

41 are considered to comprise one (1) civil taxing unit whose fiscal  
 42 body is the fiscal body of the consolidated city.

1 (c) For purposes of subsection (d), the following amounts are  
 2 referred to as the subsection (c) ratio:

3	Center Township	.0251
4	Decatur Township	.00217
5	Franklin Township	.0023
6	Lawrence Township	.01177
7	Perry Township	.01130
8	Pike Township	.01865
9	Warren Township	.01359
10	Washington Township	.01346
11	Wayne Township	.01307
12	Lawrence-City	.00858
13	Beech Grove	.00845
14	Southport	.00025
15	Speedway	.00722
16	Indianapolis/Marion County	.86409

17 (d) The distributive shares that each civil taxing unit in the  
 18 county is entitled to receive during a month equals the total  
 19 amount of revenues that are to be distributed as distributive shares  
 20 during that month calculated as follows:

21 **STEP ONE:** Determine the total amount of revenues that  
 22 were distributed as distributive shares during that month in  
 23 calendar year 1995.

24 **STEP TWO:** Determine the total amount of revenue that the  
 25 department has certified as distributive shares for that  
 26 month under IC 6-3.6-6 for the calendar year.

27 **STEP THREE:** Subtract the STEP ONE result from the  
 28 STEP TWO result.

29 **STEP FOUR:** If the STEP THREE result is less than or  
 30 equal to zero (0), multiply the STEP TWO result by the  
 31 applicable subsection (c) ratio for the civil taxing unit.

32 **STEP FIVE:** Determine the ratio of:

33 (A) the maximum permissible property tax levy under  
 34 IC 6-1.1-18.5 for each civil taxing unit for the calendar  
 35 year in which the month falls, plus, for a county, the  
 36 welfare allocation amount; divided by

37 (B) the sum of the maximum permissible property tax  
 38 levies under IC 6-1.1-18.5 for all civil taxing units of the  
 39 county during the calendar year in which the month falls,  
 40 and an amount equal to the welfare allocation amount.

41 **STEP SIX:** If the STEP THREE result is greater than zero  
 42 (0), the STEP ONE amount shall be distributed by

- 1 multiplying the STEP ONE amount by the subsection (c)  
 2 ratio.  
 3 **STEP SEVEN:** For each taxing unit determine the STEP  
 4 FIVE ratio multiplied by the STEP TWO amount.  
 5 **STEP EIGHT:** For each civil taxing unit determine the  
 6 difference between the STEP SEVEN amount minus the  
 7 product of the STEP ONE amount multiplied by the  
 8 subsection (c) ratio. The STEP THREE excess shall be  
 9 distributed as provided in STEP NINE only to the civil taxing  
 10 units that have a STEP EIGHT difference greater than or  
 11 equal to zero (0).  
 12 **STEP NINE:** For the civil taxing units qualifying for a  
 13 distribution under STEP EIGHT, each civil taxing unit's  
 14 share equals the STEP THREE excess multiplied by the ratio  
 15 of:  
 16 (A) the maximum permissible property tax levy under  
 17 IC 6-1.1-18.5 for the qualifying civil taxing unit during the  
 18 calendar year in which the month falls, plus, for a county,  
 19 an amount equal to the welfare allocation amount; divided  
 20 by  
 21 (B) the sum of the maximum permissible property tax  
 22 levies under IC 6-1.1-18.5 for all qualifying civil taxing  
 23 units of the county during the calendar year in which the  
 24 month falls, and an amount equal to the welfare allocation  
 25 amount.  
 26 SECTION 7. [EFFECTIVE JULY 1, 2015] (a) The legislative  
 27 council shall provide for the preparation and introduction of  
 28 legislation in the 2016 session of the general assembly to correct  
 29 cross-references and make other changes to the Indiana Code, as  
 30 necessary, to bring provisions that are not added or amended by  
 31 this act into conformity with this act.  
 32 (b) This SECTION expires January 1, 2017.  
 33 SECTION 8. An emergency is declared for this act.

## COMMITTEE REPORT

Mr. Speaker: Your Committee on Ways and Means, to which was referred House Bill 1485, has had the same under consideration and begs leave to report the same back to the House with the recommendation that said bill be amended as follows:

Replace the effective dates in SECTIONS 1 through 4 with "[EFFECTIVE JANUARY 1, 2017]".

Replace the effective dates in SECTIONS 5 through 6 with "[EFFECTIVE JULY 1, 2015]".

Page 2, line 1, delete "2015," and insert "**2016**,".

Page 2, delete lines 2 through 36 and insert "**uniform law that transitions each county from the former taxes to the tax governed by this article without any change in purpose of the former taxes to the extent practicable. The intent is that the revenue from the taxes under this article shall be distributed and used as close as possible to the way the revenue was distributed and used under the former taxes until a county adopts an ordinance under this article to change the distribution and use of the revenue as permitted by this article.**

(b) The general assembly declares that the enactment of IC 6-3.6 is a simplification, recodification, and replacement, in the same or a restated form, of the procedures established for the imposition, collection, and distribution of the income taxes authorized under a former tax. The substantive operation and effect of the provisions of a former tax that are repealed and replaced, in the same or a restated form, by the provisions of this article, continue uninterrupted.

(c) Notwithstanding the effective date of the repeal of the former tax laws on January 1, 2017, an adopting body may not adopt any ordinances under a former tax after June 30, 2015. In addition, notwithstanding the effective date of this article being July 1, 2015, an adopting body may not take any action under this article before July 1, 2016.

(d) To carry out the transition, the office of management and budget, along with the appropriate state agencies and in cooperation with each county, shall do the following:

- (1) Document all terms, conditions, limitations, and obligations that exist under the former taxes.
- (2) Categorize the tax rate under the former taxes into the appropriate tax rate or rates under this article to provide revenue for all the same purposes for which revenue under a former tax was used in 2016. The revenue shall be apportioned,

allocated, and distributed to taxing units, to the extent possible, in the same amounts, and be applied to those taxpayers in each property class that received any form of property tax relief in 2016 so that the benefits are received by the same property classes in the same proportionate amounts as in 2016. Matching the purposes of a former tax to the purposes under this article, including the apportionment, allocation, and distribution of revenue under this article shall be accomplished by using the best information available. These purposes include, but are not limited to, one (1) or more of the following:

(A) Property tax credits using the options set forth in IC 6-3.6-5, which categorization is to encompass all uses of the revenue under a former tax that provided any form of property tax relief, except for revenue used for a levy freeze described in IC 6-3.6-11, including the following purposes:

(i) Property tax replacement credits that applied to all classes of property, including part of the revenue categorized from the first twenty-five hundredths percent (0.25%) rate under the county adjusted gross income tax under IC 6-3.5-1.1 (repealed) for civil taxing units and school corporations using the attributed allocation amounts for civil taxing units and school corporations as those determinations were made under IC 6-3.5-1.1 (repealed).

(ii) Credits against property taxes that did not apply to all classes of property, such as homestead credits, credits on other types of residential property, or credits used to offset the exemption of inventory from property taxation.

(B) Special purpose revenue that is not covered by a special purpose rate under IC 6-3.6-7, such as revenue that must be dedicated to public safety or economic development.

(C) Certified shares without any restriction on the use of the revenue.

(D) A special purpose project (IC 6-3.6-7) using the former tax rate that was dedicated to the project.

(e) The department of local government finance shall, if necessary, recalculate maximum permissible property tax levies and property tax rates for all taxing units to transition to the use of property tax credits as prescribed in this article.

(f) The office of management and budget shall compile a comprehensive report detailing for each taxing unit throughout the state and for each property class type described in IC 6-3.5-6, the

**categorization of revenue and its uses under this article compared to the former taxes. Before November 1, 2015, the department shall submit its report to the legislative council in an electronic format under IC 5-14-6.**

**(g) The transition under this article shall be completed by August 1, 2016, for purposes of local government budgets for 2017."**

Page 3, line 2, delete "2015." and insert "**2016**."

Page 3, line 11, delete "2015," and insert "**2016**,".

Page 3, line 12, delete "2015," and insert "**2016**,".

Page 3, line 14, delete "(a)".

Page 3, line 22, delete "2015," and insert "**2016**,".

Page 3, delete lines 24 through 28, begin a new paragraph and insert:  
**"Sec. 5. A reference in a statute or rule to a statute that is repealed and replaced in the same or a different form in this article shall be treated after December 31, 2016, as a reference to the new provision."**

Page 3, line 32, after "purpose." insert "**Notwithstanding the repeal of IC 6-3.5 and the enactment of this article, any pledge of revenues received from a tax imposed under any of the provisions of IC 6-3.5 (prior to its repeal) to the payment, in whole or in part, of:**

- (1) the principal of and interest on bonds;**
- (2) lease rentals due under a lease; and**
- (3) the payment of any other obligation;**

**is binding and enforceable and remains in full force and effect as long as the principal of and interest on any bonds, the lease rentals due under any lease, or the payment of any obligation remains unpaid. The enactment of this article does not affect any rights, duties, obligations, proceedings, or liabilities accrued before January 1, 2017. Those rights, duties, obligations, proceedings, or liabilities continue and shall be imposed and enforced under prior law as if this article had not been enacted."**

Page 4, delete lines 5 through 24, begin a new paragraph and insert:  
**"Sec. 9. Before August 2, 2016, the budget agency, with the assistance of the department of local government finance, shall certify to each county the income tax rates under this article, by tax rate category, as categorized by the office of management and budget under this chapter."**

Page 4, line 25, delete "12." and insert "**10**."

Page 8, line 1, delete "fund." and insert "**fund, plus, in the case of Marion County, thirty-five million dollars (\$35,000,000)**."

Page 12, delete lines 8 through 13.

Page 13, line 35, delete "one percent (1%)" and insert "**two and**

five-tenths percent (2.5%)".

Page 13, delete line 42 and insert "**this section. Property taxes imposed due to a referendum in which a majority of the voters in the taxing unit imposing the property taxes approved the property taxes are not eligible for a credit under this section.**".

Page 14, delete lines 1 through 6.

Page 14, line 9, after "credits" insert "**in subsequent years. The ordinance must be adopted before July 1 and first applies in the following year and then thereafter until it is rescinded or modified. The property tax credits may be allocated**".

Page 60, between lines 1 and 2, begin a new paragraph and insert:

**"Chapter 11. Supplemental Allocation and Distribution Requirements**

**Sec. 1. (a) This section applies to any county that imposed a former tax to provide for a levy freeze.**

**(b) The revenue used to offset the levy freeze shall be part of the tax rate under IC 6-3.6-5.**

**(c) The levy freeze amount prescribed by the adopting body shall continue to be applied under this article as it was applied under the former tax until an adopting body adopts an ordinance:**

**(1) that fixes the levy freeze amount as of a certain date as permitted under the former tax; or**

**(2) provides that the levy freeze no longer applies.**

(d) The levy freeze, levy amounts, and income tax distributions shall be administered in the same manner as under the former tax. The distributions of income tax shall be made before applying the property tax credits funded by a tax rate under IC 6-3.6-5.

Sec. 2. (a) This section applies to Jasper County's allocation of property tax credits provided by a tax rate under IC 6-3.6-5.

(b) A taxpayer that owns an industrial plant located in Jasper County is ineligible for a credit under this section against the property taxes due on the industrial plant if the assessed value of the industrial plant as of March 1, 2006, exceeds twenty percent (20%) of the total assessed value of all taxable property in the county on that date. The general assembly finds that the provisions of this subsection are necessary because the industrial plant represents such a large percentage of Jasper County's assessed valuation.

Sec. 3. (a) This section applies to Lake County's categorizations, allocations, and distributions under IC 6-3.6-5.

(b) The rate under the former tax in Lake County that was used for any of the following shall be categorized under IC 6-3.6-5 and used for the following:

(1) To reduce all property tax levies imposed by the county by the granting of property tax replacement credits against those property tax levies.

(2) To provide local property tax replacement credits in Lake County in the following manner:

(A) The tax revenue under this section that is collected from taxpayers within a particular municipality in Lake County (as determined by the department of state revenue based on the department's best estimate) shall be used only to provide a local property tax credit against property taxes imposed by that municipality.

(B) The tax revenue under this section that is collected from taxpayers within the unincorporated area of Lake County (as determined by the department of state revenue) shall be used only to provide a local property tax credit against property taxes imposed by the county. The local property tax credit for the unincorporated area of Lake County shall be available only to those taxpayers within the unincorporated area of the county.

(3) To provide property tax credits in the following manner:

(A) Sixty percent (60%) of the tax revenue shall be used as provided in subdivision (2).

**(B) Forty percent (40%) of the tax revenue shall be used to provide property tax replacement credits against property tax levies of the county and each township and municipality in the county. The percentage of the tax revenue distributed under this item that shall be used as credits against the county's levies or against a particular township's or municipality's levies is equal to the percentage determined by dividing the population of the county, township, or municipality by the sum of the total population of the county, each township in the county, and each municipality in the county.**

**The Lake County council shall determine whether the credits under subdivision (1), (2), or (3) shall be provided to homesteads, to all qualified residential property, or to all taxpayers. The department of local government finance, with the assistance of the budget agency, shall certify to the county auditor and the fiscal body of the county and each township and municipality in the county the amount of property tax credits under this subdivision. The tax revenue under this section that is used to provide credits under this subdivision shall be treated for all purposes as property tax levies but shall not be considered for purposes of computing the maximum permissible property tax levy under IC 6-1.1-18.5-3 or the credit under IC 6-1.1-20.6.**

**Sec. 4. (a) This section applies to Marion County's allocation of the tax revenue under IC 6-3.6-6 that is dedicated to public safety.**

**(b) The adopting body may allocate part or all of the certified distribution that is allocated to public safety purposes to fund the operation of a public communications system and computer facilities district as provided in an election, if any, made by the county fiscal body under IC 36-8-15-19(b).**

**Sec. 5. (a) This section applies to Marion County's allocation of the tax revenue under IC 6-3.6-6 that is dedicated to certified shares.**

**(b) The consolidated city, the county, all special taxing districts, special service districts, included towns (as defined in IC 36-3-1-7), and all other political subdivisions except:**

- (1) townships;**
- (2) excluded cities (as defined in IC 36-3-1-7); and**
- (3) school corporations;**

**are considered to comprise one (1) civil taxing unit whose fiscal body is the fiscal body of the consolidated city.**

**(c) For purposes of subsection (d), the following amounts are**

referred to as the subsection (c) ratio:

Center Township	.0251
Decatur Township	.00217
Franklin Township	.0023
Lawrence Township	.01177
Perry Township	.01130
Pike Township	.01865
Warren Township	.01359
Washington Township	.01346
Wayne Township	.01307
Lawrence-City	.00858
Beech Grove	.00845
Southport	.00025
Speedway	.00722
Indianapolis/Marion County	.86409

(d) The distributive shares that each civil taxing unit in the county is entitled to receive during a month equals the total amount of revenues that are to be distributed as distributive shares during that month calculated as follows:

**STEP ONE:** Determine the total amount of revenues that were distributed as distributive shares during that month in calendar year 1995.

**STEP TWO:** Determine the total amount of revenue that the department has certified as distributive shares for that month under IC 6-3.6-6 for the calendar year.

**STEP THREE:** Subtract the STEP ONE result from the STEP TWO result.

**STEP FOUR:** If the STEP THREE result is less than or equal to zero (0), multiply the STEP TWO result by the applicable subsection (c) ratio for the civil taxing unit.

**STEP FIVE:** Determine the ratio of:

(A) the maximum permissible property tax levy under IC 6-1.1-18.5 for each civil taxing unit for the calendar year in which the month falls, plus, for a county, the welfare allocation amount; divided by

(B) the sum of the maximum permissible property tax levies under IC 6-1.1-18.5 for all civil taxing units of the county during the calendar year in which the month falls, and an amount equal to the welfare allocation amount.

**STEP SIX:** If the STEP THREE result is greater than zero (0), the STEP ONE amount shall be distributed by multiplying the STEP ONE amount by the subsection (c)

ratio.

**STEP SEVEN:** For each taxing unit determine the STEP FIVE ratio multiplied by the STEP TWO amount.

**STEP EIGHT:** For each civil taxing unit determine the difference between the STEP SEVEN amount minus the product of the STEP ONE amount multiplied by the subsection (c) ratio. The STEP THREE excess shall be distributed as provided in STEP NINE only to the civil taxing units that have a STEP EIGHT difference greater than or equal to zero (0).

**STEP NINE:** For the civil taxing units qualifying for a distribution under STEP EIGHT, each civil taxing unit's share equals the STEP THREE excess multiplied by the ratio of:

(A) the maximum permissible property tax levy under IC 6-1.1-18.5 for the qualifying civil taxing unit during the calendar year in which the month falls, plus, for a county, an amount equal to the welfare allocation amount; divided by

(B) the sum of the maximum permissible property tax levies under IC 6-1.1-18.5 for all qualifying civil taxing units of the county during the calendar year in which the month falls, and an amount equal to the welfare allocation amount."

and when so amended that said bill do pass.

THOMPSON

## COMMITTEE REPORT

Madam President: The Senate Committee on Tax and Fiscal Policy, to which was referred House Bill No. 1485, has had the same under consideration and begs leave to report the same back to the Senate with the recommendation that said bill be AMENDED as follows:

Page 1, between the enacting clause and line 1, begin a new paragraph and insert:

"SECTION 1. IC 6-1.1-3-7.3 IS ADDED TO THE INDIANA CODE AS A **NEW SECTION TO READ AS FOLLOWS** [EFFECTIVE JULY 1, 2015]: **Sec. 7.3. (a) A county fiscal body may adopt an ordinance to impose a local service fee on each person that files an annual certification with the county assessor under section 7.2 of this chapter stating that the person's business personal property in the county is exempt from taxation under section 7.2 of this chapter for an assessment date after December 31, 2015.**

**(b) The county fiscal body shall specify the amount of the local service fee in the ordinance. A local service fee imposed on a person under this section may not exceed fifty dollars (\$50).**

**(c) A local service fee imposed for an assessment date is due and payable at the same time that property taxes for that assessment date are due and payable. A county may collect a delinquent local service fee in the same manner as delinquent property taxes are collected.**

**(d) The revenue from a local service fee:**

**(1) shall be allocated in the same manner and proportion and at the same time as property taxes are allocated to each taxing unit in the county; and**

**(2) may be used by a taxing unit for any lawful purpose of the taxing unit."**

Page 2, line 3, after "article" delete "without any changes in the purposes" and insert ".".

Page 2, delete lines 4 through 18.

Page 2, line 19, delete "(c)" and insert "**(b)**".

Page 2, line 21, delete "2015." and insert "**2016.**".

Page 2, line 25, delete "(d)" and insert "**(c)**".

Page 2, line 33, delete ". The revenue shall be" and insert "**, except to the extent required under this article and to the extent that an adopting body takes action under this article after June 30, 2016, to change the purposes and allocation of the revenue as permitted under this article.**".

Page 2, delete lines 34 through 38.

Page 2, line 39, delete "proportionate amounts as in 2016."

**EH 1485—LS 7183/DI 58**

Page 3, delete lines 3 through 33, begin a new line double block indented and insert:

**"(A) Property tax credits using the options set forth in IC 6-3.6-5. This categorization is limited to former tax rates that were dedicated to providing credits against property taxes under IC 6-3.5-1.1-26, IC 6-3.5-6, or IC 6-3.5-7.**

**(B) School corporation distributions and additional revenue. All former tax rates not used for a specified project or categorized under clause (A) shall be categorized under IC 6-3.6-6 using the former tax rates or dollar amounts that were dedicated for school corporation distributions, public safety, economic development, and certified shares.**

**(C) A special purpose project (IC 6-3.6-7) using the former tax rate that was dedicated to the project."**

Page 3, line 34, delete "(f)" and insert "(d)".

Page 3, line 41, delete "(g)" and insert "(e)".

Page 4, line 4, delete "February 28," and insert **"December 31, 2015; and"**.

Page 4, delete line 5.

Page 4, line 38, delete "IC 6-3.5" and insert **"IC 6-3.5-1.1, IC 6-3.5-1.5, IC 6-3.5-6, and IC 6-3.5-7"**.

Page 4, line 40, delete "IC 6-3.5" and insert **"IC 6-3.5-1.1, IC 6-3.5-1.5, IC 6-3.5-6, and IC 6-3.5-7"**.

Page 4, line 40, delete "its" and insert **"their"**.

Page 5, line 10, after "enacted" delete "." and insert **"and the prior law had not been repealed."**

Page 13, line 32, after "under" insert **"IC 6-3.5-1.1 (before its repeal January 1, 2017), IC 6-3.5-6 (before its repeal January 1, 2017), IC 6-3.5-7 (before its repeal January 1, 2017),"**.

Page 13, line 32, after "IC 6-3.6-6" insert ",".

Page 14, line 35, delete "two and five-tenths percent (2.5%)" and insert **"one and twenty-five hundredths percent (1.25%)"**.

Page 16, line 40, delete "one and twenty-five hundredths percent (1.25%)" and insert **"two and five-tenths percent (2.5%)"**.

Page 16, line 42, delete "one and five-tenths percent (1.5%)" and insert **"two and seventy-five hundredths percent (2.75%)"**.

Page 17, line 4, delete "additional revenue (referred to as additional" and insert **"follows:**

**(1) To make distributions to school corporations and civil**

taxing units in counties that formerly imposed a tax under IC 6-3.5-1.1. The revenue categorized from the first twenty-five hundredths percent (0.25%) of the rate for a former tax adopted under IC 6-3.5-1.1 shall be allocated to school corporations and civil taxing units. The amount of the allocation to a school corporation or civil taxing unit shall be determined using the allocation amounts for civil taxing units and school corporations in the determination.

(2) The remaining revenue shall be treated as additional revenue (referred to as "additional revenue" in this chapter). Additional revenue may not be considered by the department of local government finance in determining:

(A) any taxing unit's maximum permissible property tax levy limit under IC 6-1.1-18.5; or

(B) the approved property tax rate for any fund."

Page 17, delete lines 5 through 9.

Page 18, line 25, after "purpose." insert "For purposes of this subsection, in the case of a consolidated city, the total property taxes imposed by the consolidated city include the property taxes imposed by the consolidated city and all special taxing districts, all special service districts, and all entities whose budgets and property tax levies are subject to review under IC 36-3-6-9."

Page 18, delete lines 30 through 35, begin a new line double block indented and insert:

"(A) in the case of a county that initially imposed a rate for public safety under IC 6-3.5-6, the result of the total property taxes imposed in the county by the county or municipality for the calendar year, divided by the sum of the total property taxes imposed in the county by the county and each municipality in the county that is entitled to a distribution under this section for the calendar year; or

(B) in the case of a county that initially imposed a rate for public safety under IC 6-3.5-1.1 or a county that did not impose a rate for public safety under either IC 6-3.5-1.1 or IC 6-3.5-6, the result of the attributed allocation amount of the county or municipality for the calendar year, divided by the sum of the attributed allocation amounts of the county and each municipality in the county that is entitled to a distribution under this section for the calendar year."

Page 19, between lines 15 and 16, begin a new paragraph and insert:

"Sec. 8.5. (a) This section applies only to Marion County.

(b) The adopting body may allocate additional revenue to fund

the operation of a public library in a county containing a consolidated city as provided in an election, if any, made by the county fiscal body under IC 36-3-7-6. An allocation under this section shall be made from the part of the additional revenue that would otherwise be allocated as certified shares.

(c) The adopting body may allocate additional revenue to fund the operation of a public transportation corporation as provided in an election, if any, made by the county fiscal body under IC 36-9-4-42. An allocation under this section shall be made from the part of the additional revenue that would otherwise be allocated as certified shares."

Page 19, delete lines 33 through 42.

Page 20, line 1, delete "FOUR:" and insert "TWO:".

Page 20, line 2, delete "THREE" and insert "ONE".

Page 20, line 7, delete "FIVE:" and insert "THREE:".

Page 20, line 11, delete "FOUR" and insert "TWO".

Page 20, delete lines 36 through 42.

Page 21, delete lines 1 through 26, begin a new paragraph and insert:  
**"(e) This section applies to Porter County. Three million five hundred thousand dollars (\$3,500,000) of the additional revenue that is allocated each year for economic development purposes shall be used by the county or by eligible municipalities (as defined in IC 36-7.5-1-11.3) in the county to make transfers as provided in and required under IC 36-7.5-4-2 (before its repeal).**

**Sec. 9.5. (a) The executive of a county, city, or town may:**

**(1) adopt a capital improvement plan specifying the uses of the additional revenue to be allocated for economic development purposes; or**

**(2) designate the county or a city or town in the county as the recipient of all or a part of its share of the additional revenue that is distributed to it for economic development purposes.**

**(b) If a designation is made under subsection (a)(2), the county treasurer shall transfer the share or part of the share to the designated unit unless that unit does not have a capital improvement plan.**

**(c) A county, city, or town that fails to adopt a capital improvement plan may not receive:**

**(1) its fractional amount of the additional revenue to be allocated for economic development purposes; or**

**(2) any amount designated under subsection (a)(2);**

**for the year or years in which the unit does not have a plan. The county treasurer shall retain the amounts not distributed for such**

a unit in a separate account until the unit adopts a plan. Interest on the separate account becomes part of the account. If a unit fails to adopt a plan for a period of three (3) years, the balance in the separate account shall be distributed to the other units in the county in the same manner that other additional revenue allocated for economic development purposes is distributed.

(d) A capital improvement plan must include the following components:

- (1) Identification and general description of each project that would be funded by other additional revenue allocated for economic development purposes.
- (2) The estimated total cost of the project.
- (3) Identification of all sources of funds expected to be used for each project.
- (4) The planning, development, and construction schedule of each project.

(e) A capital improvement plan:

- (1) must encompass a period of not less than two (2) years; and
- (2) must incorporate projects the cost of which is at least seventy-five percent (75%) of the fractional amount of additional revenue allocated for economic development purposes that is expected to be received by the county, city, or town in that period.

(f) In making a designation under subsection (a)(2), the executive must specify the purpose and duration of the designation. If the designation is made to provide for the payment of lease rentals or bond payments, the executive may specify that the designation and its duration are irrevocable."

Page 21, line 33, delete "This" and insert "Except as provided in this chapter and IC 6-3.6-11, this".

Page 22, line 10, delete "This" and insert "Except as provided in this chapter and IC 6-3.6-11, this".

Page 24, between lines 39 and 40, begin a new paragraph and insert:  
**"Sec. 20. (a) This section applies to any allocation or distribution of revenue under section 3(1) or 3(2) of this chapter that is made on the basis of property tax levies. If a school corporation or civil taxing unit of an adopting county does not impose a property tax levy that is first due and payable in a calendar year in which revenue under section 3(1) or 3(2) of this chapter is being allocated or distributed, that school corporation or civil taxing unit is entitled to receive a part of the revenue under section 3(1) or 3(2) of this chapter (as appropriate) to be distributed within the county.**

The fractional amount that such a school corporation or civil taxing unit is entitled to receive each month during that calendar year equals the product of the following:

- (1) The amount of revenue under section 3(1) or 3(2) of this chapter to be distributed on the basis of property tax levies during that month; multiplied by
- (2) A fraction. The numerator of the fraction equals the budget of that school corporation or civil taxing unit for that calendar year. The denominator of the fraction equals the aggregate budgets of all school corporations or civil taxing units of that county for that calendar year.

(b) If for a calendar year a school corporation or civil taxing unit is allocated a part of a county's revenue under section 3(1) or 3(2) of this chapter by subsection (a), the calculations used to determine the shares of revenue of all other school corporations and civil taxing units under section 3(1) or 3(2) of this chapter (as appropriate) shall be changed each month for that same year by reducing the amount of revenue to be distributed by the amount of revenue under section 3(1) or 3(2) of this chapter allocated under subsection (a) for that same month. The department of local government finance shall make any adjustments required by this subsection and provide them to the appropriate county auditors."

Page 28, line 39, after "district." insert "The county treasurer shall establish a library property tax replacement fund to be used only for the purposes described in this section. Tax revenues derived from the part of the tax rate imposed under IC 6-3-5 that is designated for property tax replacement credits under this section shall be deposited in the library property tax replacement fund. Any interest earned on money in the library property tax replacement fund shall be credited to the library property tax replacement fund."

Page 29, line 37, after "fund." insert "However, if a public library did not impose a property tax levy during the previous calendar year or did not impose a property tax levy for a particular fund during the previous calendar year, but the public library is imposing a property tax levy in the current calendar year or is imposing a property tax levy for the particular fund in the current calendar year, the department of local government finance shall adjust the amount of property tax replacement credits allocated among the various funds of the public library and shall provide the adjustment to the county auditor. If a public library receiving property tax replacement credits under this section does not

impose a property tax levy for a particular fund that is first due and payable in a calendar year in which the property tax replacement credits are being distributed, the public library is not required to allocate to that fund a part of the property tax replacement credits to be distributed to the public library. Notwithstanding IC 6-1.1-20-1.1(1), a public library that receives property tax replacement credits under this section is subject to the procedures for the issuance of bonds set forth in IC 6-1.1-20.

(e) A public library shall treat property tax replacement credits received during a particular calendar year under this section as a part of the public library's property tax levy for each fund for that same calendar year for purposes of fixing the public library's budget and for purposes of the property tax levy limits imposed by IC 6-1.1-18.5.

(f) For the purpose of allocating tax revenue under IC 6-3.6-6 and computing and distributing tax revenue under IC 6-5.5 or IC 6-6-5, the property tax replacement credits that are received under this section shall be treated as though they were property taxes that were due and payable during that same calendar year."

Page 42, delete lines 41 through 42.

Page 43, after line 42, begin a new paragraph and insert:

"(c) The tax rate under this section plus the tax rate under IC 6-3.5-5 may not exceed two and five-tenths percent (2.5%).

Sec. 28. (a) This section applies only to Rush County.

(b) The county council may, by ordinance, determine that additional tax revenue is needed in the county to:

- (1) finance the construction, acquisition, improvement, renovation, equipping, operation, or maintenance of the county jail and related buildings and parking facilities, including costs related to the demolition of existing buildings, the acquisition of land, and any other reasonably related costs; and
- (2) repay bonds issued or leases entered into for the purposes described in subdivision (1).

(c) If the county council makes a determination under subsection (b), the county council may adopt a tax rate under subsection (d). The tax rate may not be imposed at a rate greater than is necessary to pay for the purposes described in subsection (b).

(d) The county council may impose a tax on the adjusted gross income of local taxpayers at a tax rate of:

- (1) fifteen-hundredths percent (0.15%);
- (2) two-tenths percent (0.2%);
- (3) twenty-five hundredths percent (0.25%);

- (4) three-tenths percent (0.3%);
- (5) thirty-five hundredths percent (0.35%);
- (6) four-tenths percent (0.4%);
- (7) forty-five hundredths percent (0.45%);
- (8) five-tenths percent (0.5%);
- (9) fifty-five hundredths percent (0.55%); or
- (10) six-tenths percent (0.6%);

on the adjusted gross income of county taxpayers if the county council makes the determination set forth in subsection (b).

(e) If the county council imposes the tax under this section to pay for the purposes described in subsection (b) when:

- (1) the financing, construction, acquisition, improvement, renovation, and equipping described in subsection (b) are completed; and
- (2) all bonds issued (including any refunding bonds) or leases entered into to finance the construction, acquisition, improvement, renovation, and equipping described in subsection (b) are fully paid;

the county council shall, subject to subsection (d), establish a tax rate under this section by ordinance such that the revenue from the tax does not exceed the costs of operating and maintaining the facilities referred to in subsection (b)(1).

(f) The tax imposed under this section may be imposed only until the latest of the following dates:

- (1) The date on which the financing, construction, acquisition, improvement, renovation, and equipping described in subsection (b) are completed.
- (2) The date on which the last of any bonds issued (including any refundable bond) or leases entered into to finance the construction, acquisition, improvement, renovation, and equipping described in subsection (b) are fully paid.
- (3) The date on which an ordinance adopted under subsection (c) is rescinded.

(g) The term of the bonds issued (including any refunding bonds) or a lease entered into under subsection (b) may not exceed twenty-five (25) years.

(h) The county treasurer shall establish a county facilities revenue fund to be used only for the purposes described in this section. Revenue derived from the tax imposed under this section shall be deposited in the county facilities revenue fund.

(i) Revenue derived from the tax imposed under this section:

- (1) may be used only for the purposes described in this section;

(2) may not be considered by the department of local government finance in determining the county's maximum permissible property tax levy limit under IC 6-1.1-18.5; and  
 (3) may be pledged to the repayment of bonds issued or leases entered into for any or all of the purposes described in subsection (b).

(j) Rush County possesses unique governmental and economic development challenges due to:

(1) deficiencies in the current county jail, including:

- (A) aging facilities, which have been significantly improved or renovated since the original constructions;
- (B) lack of recreation and medical facilities;
- (C) inadequate line of sight supervision of inmates due to current jail configurations;
- (D) lack of adequate housing for an increasing population of female inmate population and inmates with special needs;
- (E) lack of adequate administrative space; and
- (F) increasing maintenance demands and costs resulting from the age of the facilities; and

(2) a limited amount of industrial and other commercial tax base.

The use of a tax under this section is necessary for the county to provide adequate jail facilities in the county and to maintain low property tax rates essential to economic development. The use of a tax under this section as provided in subsection (b) rather than use of property taxes promotes these purposes.

(k) Notwithstanding any other law, money remaining in the county facilities revenue fund established under subsection (h) after the tax imposed by this section is terminated under subsection (f) shall be transferred to the county rainy day fund under IC 36-1-8-5.1."

Page 59, line 17, after "ordinance" delete ":".

Page 59, line 18, delete "(1)".

Page 59, run in lines 17 through 18.

Page 59, line 19, delete "; or" and insert ". A levy freeze may be fixed as of a certain date, but may not be rescinded."

Page 59, delete line 20.

Page 59, line 23, after "before" insert "allocating or distributing revenue under IC 6-3.6-6 or".

Page 59, between lines 24 and 25, begin a new paragraph and insert:  
 "(e) Notwithstanding IC 6-1.1-18.5-3 and IC 6-3.5-1.5, for

purposes of calculating the maximum permissible ad valorem property tax levy under IC 6-1.1-18.5 for an ensuing calendar year beginning after December 31, 2016, revenue under IC 6-3.6-6 that is applied under this section for purposes of a levy freeze shall not be included in the amount determined under STEP ONE of IC 6-1.1-18.5-3 for the civil taxing unit.

(f) This subsection applies for ensuing calendar years beginning after December 31, 2016. This subsection applies in a county that:

- (1) imposed a tax rate for a levy freeze under IC 6-3.5-1.1-24 (before its repeal January 1, 2017) or IC 6-3.5-6-30 (before its repeal January 1, 2017); and
- (2) has not adopted an ordinance specifying that the levy freeze will not apply to future increases in maximum permissible ad valorem property tax levies.

The maximum permissible ad valorem property tax levy calculated under IC 6-1.1-18.5 for the ensuing calendar year for a civil taxing unit in a county subject to this section is equal to the civil taxing unit's maximum permissible ad valorem property tax levy for the current calendar year."

Page 59, line 39, after "IC 6-3.6-5" delete "and" and insert ", and the Lake County council may adopt an ordinance providing that the revenue from the tax rate under this section may be".

Page 59, line 40, after "for" insert "any of".

Renumber all SECTIONS consecutively.

and when so amended that said bill do pass.
