10 6415b, prior to its repeal, but which did not receive such weighting for
11 school year 2014-2015, an amount directly attributable to the school
12 facilities weighting as would have been determined under K.S.A. 72-6415,
13 prior to its repeal, for school year 2015-2016 shall be added to the amount
14 of general state aid for such school district determined under subsection (a)
15 (1).

16 (3) For any school district which would have been eligible to receive
17 school facilities weighting for school year 2016-2017 under K.S.A. 72-
18 6415b, prior to its repeal, but which did not receive such weighting for
19 school year 2014-2015, and which would not have been eligible to receive
20 such weighting for school year 2015-2016 under K.S.A. 72-6415b, prior to

25 (f) The general state aid for each school district shall be disbursed in
26 accordance with appropriation acts. In the event the appropriation for
27 general state aid exceeds the amount determined under subsection (a) for
28 any school year, then the state board shall disburse such excess amount to

30 (g) The provisions of this section shall be effective from and after

32 New Sec. 7. (a) The distribution of general state aid determined
33 pursuant to section 6, and amendments thereto, shall be made in
34 accordance with appropriation acts each year as provided in this section.

35 (b) (1) In the months of July through May of each school year, the
36 state board shall determine the amount of general state aid which will be

38 making such determination, the state board shall take into consideration

18 (d) If any amount of general state aid that is due to be paid during the
19 month of June of a school year pursuant to the other provisions of this

22 available therefor. Any payment of general state aid that is due to be paid
23 during the month of June of a school year and that is paid to school
24 districts on or after the ensuing July 1 shall be recorded and accounted for
25 by school districts as a receipt for the school year ending on the preceding
26 June 30.

27 (e) The provisions of this section shall be effective from and after
28 July 1, 2015, through June 30, 2017.

29 New Sec. 8. (a) In the event any district is paid more than it is entitled
30 to receive under any distribution made under the provisions of sections 4
31 through 22, and amendments thereto, or under any statute repealed by this
32 act, the state board shall notify the district of the amount of such
33 overpayment, and such district shall remit the same to the state board. The
34 state board shall remit any moneys so received to the state treasurer in
35 accordance with the provisions of K.S.A. 75-4215, and amendments
36 thereto. Upon receipt of each such remittance, the state treasurer shall
37 deposit the entire amount in the state treasury to the credit of the state
38 school district finance fund. If any district fails so to remit, the state board
39 shall deduct the excess amounts so paid from future payments becoming
40 due to the district. In the event any district is paid less than the amount to
41 which it is entitled under any distribution made under the provisions of
42 sections 4 through 22, and amendments thereto, the state board shall pay
43 the additional amount due at any time within the school year in which the

1 underpayment was made or within 60 days after the end of such school
2 year.

3 (b) The provisions of this section shall be effective from and after

23 thereto.

24 (b) The state school district finance fund shall be used for the purpose
25 of school district finance and for no other governmental purpose. It is the
26 intent of the legislature that the fund shall remain intact and inviolate for
27 such purpose, and moneys in the fund shall not be subject to the provisions

33 July 1, 2015, through June 30, 2017.

34 New Sec. 11. (a) The board of education of each school district shall
35 levy an ad valorem tax upon the taxable tangible property of the district at
36 a rate of 20 mills in school year 2015-2016 and school year 2016-2017 for
37 the purpose of:

38 (1) Paying a portion of the costs of operating and maintaining public
39 schools in partial fulfillment of the constitutional obligation of the
40 legislature to finance the educational interests of the state; and

41 (2) with respect to any redevelopment district established prior to July
42 1, 1997, pursuant to K.S.A. 12-1771, and amendments thereto, paying a

3 (b) Except for that portion of the proceeds used for the purpose
4 specified in subsection (a)(2), the proceeds from the tax levied by a school
5 district under authority of this section shall be remitted to the state
6 treasurer in accordance with the provisions of K.S.A. 75-4215, and

33 budget in an amount less than the amount authorized. If the board of any
34 school district whose authority to adopt a local option budget is not
35 continuous and permanent refrains from adopting a local option budget,

37 extended by such refrainment beyond the period specified in the resolution
38 authorizing adoption of such budget.

39 (d) The board of any district may initiate procedures to renew the

4 the period of time specified in the resolution or may abandon the
5 resolution and operate under the provisions of this section. Any such
6 school district shall operate under the provisions of this section after the
7 period of time specified in the resolution has expired.

8 (f) Any resolution adopted pursuant to this section may revoke or
9 repeal any resolution previously adopted by the board. If the resolution
10 does not revoke or repeal previously adopted resolutions, all resolutions
11 which are in effect shall expire on the same date. The maximum amount of
12 the local option budget of a school district under all resolutions in effect
13 shall not exceed the limitation set forth in subsection (a) in any school

43 Supp. 72-6451, prior to its repeal, for school year 2014-2015.

1 (b) The board of education of any school district which would have
2 been eligible to levy an ad valorem tax pursuant to K.S.A. 2014 Supp. 72-
3 6451, prior to its repeal, for school year 2015-2016 or 2016-2017, may
4 levy an ad valorem tax on the taxable tangible property of the school
5 district each year for a period of time not to exceed two years in an amount
6 not to exceed the amount authorized by the state board of tax appeals
7 under this subsection for the purpose of financing the costs incurred by the
8 school district directly attributable to the school district's declining
9 enrollment. The state board of tax appeals may authorize the school district
10 to make a levy which will produce an amount that is not greater than the
11 amount of revenues lost as a result of the declining enrollment of the
12 school district. Such amount shall not exceed 5% of the general fund

26 thereto. Upon receipt of each such remittance, the state treasurer shall
27 deposit the entire amount in the state treasury and shall credit the same to
28 the state school finance fund. All moneys remitted to the state treasurer
29 pursuant to this subsection shall be used for paying a portion of the costs
30 of operating and maintaining public schools in partial fulfillment of the
31 constitutional obligation of the legislature to finance the educational
32 interests of the state.

38 and 2016-2017 in an amount not to exceed the amount authorized by the
39 state court of tax appeals for school year 2014-2015 pursuant to K.S.A. 72-
40 6441, prior to its repeal, for the purpose set forth in K.S.A. 72-6441, prior
41 to its repeal. The provisions of this subsection apply to any school district
42 that imposed a levy pursuant to K.S.A. 72-6441, prior to its repeal, for
43 school year 2014-2015.

1 (b) The board of any school district which would have been eligible
2 to levy an ad valorem tax pursuant to K.S.A. 2014 Supp. 72-6441, prior to
3 its repeal, for school year 2015-2016 or 2016-2017, may levy an ad

10 which will produce an amount that is not greater than the difference
11 between the amount of costs directly attributable to commencing operation
12 of one or more new school facilities and the amount that is financed from
13 any other source provided by law for such purpose.

14 (c) The state board of tax appeals shall certify to the state board of

29 the costs attributable to commencing operation of one or more new school
30 facilities are significantly greater than the costs attributable to the
31 operation of other school facilities in the school district. The tax authorized
32 under this subsection may be levied at a rate which will produce an
33 amount that is not greater than the amount computed by the state board of
34 education as provided in this subsection. In computing such amount, the
35 state board shall:

36 (1) Determine the amount produced by the tax levied by the school
37 district under authority of subsection (b) in the second year for which such
38 tax was levied;

39 (2) compute 90% of the amount of the sum obtained under subsection
40 (d)(1), which computed amount is the amount the school district may levy
41 in the first year of the six-year period for which the school district may
42 levy a tax under authority of this subsection;

43 (3) compute 75% of the amount of the sum obtained under subsection

1 (d)(1), which computed amount is the amount the school district may levy
2 in the second year of the six-year period for which the school district may
3 levy a tax under authority of this subsection;

4 (4) compute 60% of the amount of the sum obtained under subsection
5 (d)(1), which computed amount is the amount the school district may levy
6 in the third year of the six-year period for which the school district may
7 levy a tax under authority of this subsection;

8 (5) compute 45% of the amount of the sum obtained under subsection
9 (d)(1), which computed amount is the amount the school district may levy
10 in the fourth year of the six-year period for which the school district may

13 (d)(1), which computed amount is the amount the school district may levy
14 in the fifth year of the six-year period for which the school district may
15 levy a tax under authority of this subsection; and

16 (7) compute 15% of the amount of the sum obtained under subsection
17 (d)(1), which computed amount is the amount the school district may levy
18 in the sixth year of the six-year period for which the school district may
19 levy a tax under authority of this subsection.

20 (e) The proceeds from any tax levied by a school district under
21 authority of this section shall be remitted to the state treasurer in
22 accordance with the provisions of K.S.A. 75-4215, and amendments
23 thereto. Upon receipt of each such remittance, the state treasurer shall
24 deposit the entire amount in the state treasury and shall credit the same to
25 the state school finance fund. All moneys remitted to the state treasurer
26 pursuant to this subsection shall be used for paying a portion of the costs
27 of operating and maintaining public schools in partial fulfillment of the
28 constitutional obligation of the legislature to finance the educational
29 interests of the state.

39 a levy pursuant to K.S.A. 2014 Supp. 72-6449, prior to its repeal, for
40 school year 2014-2015.

41 (b) The board of education of any school district which would have
42 been eligible to levy an ad valorem tax pursuant to K.S.A. 2014 Supp. 72-
43 6449, prior to its repeal, for school year 2015-2016 or 2016-2017, may

4 in an amount not to exceed the amount such school district would have
5 been authorized to levy under K.S.A. 2014 Supp. 72-6449, prior to its
6 repeal.

35 hereby amended to read as follows: 74-8925. (a) For the purposes of this
36 act, the term "taxing subdivision" shall include the county, the city, the
37 unified school district and any other taxing subdivision levying real
38 property taxes, the territory or jurisdiction of which includes any currently
39 existing or subsequently created redevelopment district. The term "real
40 property taxes" includes all taxes levied on an ad valorem basis upon land
41 and improvements thereon, other than the property tax levied pursuant to
42 the provisions of ~~K.S.A. 72-6431~~ *section 11*, and amendments thereto, or
43 any other property tax levied by or on behalf of a school district.

1 (b) All tangible taxable property located within a redevelopment
2 district shall be assessed and taxed for ad valorem tax purposes pursuant to
3 law in the same manner that such property would be assessed and taxed if
4 located outside such district, and all ad valorem taxes levied on such
5 property shall be paid to and collected by the county treasurer in the same
6 manner as other taxes are paid and collected. Except as otherwise provided
7 in this section, the county treasurer shall distribute such taxes as may be
8 collected in the same manner as if such property were located outside a
9 redevelopment district. Each redevelopment district established under the
10 provisions of this act shall constitute a separate taxing unit for the purpose
11 of the computation and levy of taxes.

12 (c) Beginning with the first payment of taxes which are levied
13 following the date of approval of any redevelopment district established
14 pursuant to K.S.A. 74-8921, and amendments thereto, real property taxes
15 received by the county treasurer resulting from taxes which are levied
16 subject to the provisions of this act by and for the benefit of a taxing
17 subdivision, as herein defined, on property located within such
18 redevelopment district constituting a separate taxing unit under the
19 provisions of this section, shall be divided as follows:

20 (1) From the taxes levied each year subject to the provisions of this
21 act by or for each of the taxing subdivisions upon property located within a
22 redevelopment district constituting a separate taxing unit under the
23 provisions of this act, the county treasurer first shall allocate and pay to
24 each such taxing subdivision all of the real property taxes collected which
25 are produced from that portion of the current assessed valuation of such
26 real property located within such separate taxing unit which is equal to the
27 total assessed value of such real property on the date of the establishment
28 of the redevelopment district.

29 (2) Any real property taxes produced from that portion of the current
30 assessed valuation of real property within the redevelopment district
31 constituting a separate taxing unit under the provisions of this section in
32 excess of an amount equal to the total assessed value of such real property
33 on the effective date of the establishment of the district shall be allocated
34 and paid by the county treasurer according to specified percentages of the
35 tax increment expressly agreed upon and consented to by the governing
36 bodies of the county and school district in which the redevelopment
37 district is located. The amount of the real property taxes allocated and
38 payable to the authority under the agreement shall be paid by the county
39 treasurer to the treasurer of the state. The remaining amount of the real
40 property taxes not payable to the authority shall be allocated and paid in
41 the same manner as other ad valorem taxes. Any real property taxes paid to
42 the state treasurer under this section shall be deposited in the
43 redevelopment bond finance fund of the authority which is created

1 pursuant to K.S.A. 74-8927, and amendments thereto, to pay the costs of
2 any approved redevelopment project, including the payment of principal of
3 and interest on any bonds issued by the authority to finance, in whole or in
4 part, such project. When such bonds and interest thereon have been paid,
5 all moneys thereafter received from real property taxes within such
6 redevelopment district shall be allocated and paid to the respective taxing
7 subdivisions in the same manner as are other ad valorem taxes. If such
8 bonds and interest thereon have been paid before the completion of a
9 project, the authority may continue to use such moneys for any purpose
10 authorized by the redevelopment agreement until such time as the project
11 costs are paid or reimbursed, but for a period not to exceed the final
12 scheduled maturity of the bonds.

13 (d) In any redevelopment plan or in the proceedings for the issuing of
14 any bonds by the authority to finance a project, the property tax increment
15 portion of taxes provided for in ~~paragraph (2) of subsection (c)(2)~~ may be
16 irrevocably pledged for the payment of the principal of and interest on
17 such bonds. The authority may adopt a redevelopment plan in which only
18 a specified percentage of the tax increment realized from taxpayers in the
19 redevelopment district is pledged to the payment of costs.

20 Sec. 71. From and after July 1, 2015, K.S.A. 2014 Supp. 74-99b43 is
21 hereby amended to read as follows: 74-99b43. (a) The Kansas
22 development finance authority is hereby authorized to issue special

30 from one or more of the following, as directed by the authority:

43 any city from franchise fees collected from utilities and other businesses

2 (5) by any combination of these methods.

3 (b) All tangible taxable property located within a bioscience
4 development district shall be assessed and taxed for ad valorem tax
5 purposes pursuant to law in the same manner that such property would be
6 assessed and taxed if located outside such district, and all ad valorem taxes
7 levied on such property shall be paid to and collected by the county
8 treasurer in the same manner as other taxes are paid and collected. Except
9 as otherwise provided in this section, the county treasurer shall distribute
10 such taxes as may be collected in the same manner as if such property
11 were located outside a bioscience development district. Each bioscience
12 development district established under the provisions of this act shall
13 constitute a separate taxing unit for the purpose of the computation and
14 levy of taxes.

15 (c) Beginning with the first payment of taxes which are levied
16 following the date of the establishment of the bioscience development
17 district real property taxes received by the county treasurer resulting from
18 taxes which are levied subject to the provisions of this act by and for the
19 benefit of a taxing subdivision, as defined in K.S.A. 2014 Supp. 12-1770a,

21 development district constituting a separate taxing unit under the
22 provisions of this section, shall be divided as follows:

23 (1) From the taxes levied each year subject to the provisions of this
24 act by or for each of the taxing subdivisions upon property located within a
25 bioscience development district constituting a separate taxing unit under
26 the provisions of this act, the county treasurer first shall allocate and pay to
27 each such taxing subdivision all of the real property taxes collected which
28 are produced from the base year assessed valuation.

29 (2) Any real property taxes, except for property taxes levied for
30 schools pursuant to ~~K.S.A. 72-6431~~ *section 11*, and amendments thereto,
31 produced from that portion of the current assessed valuation of real
32 property within the bioscience development district constituting a separate
33 taxing unit under the provisions of this section in excess of the base year
34 assessed valuation shall be allocated and paid by the county treasurer to
35 the bioscience development bond fund to pay the bioscience development
36 project costs including the payment of principal and interest on any special
37 obligation bonds to finance, in whole or in part, such bioscience
38 development projects.

39 (d) The authority may pledge the bioscience development bond fund
40 or other available revenue to the repayment of such special obligation
41 bonds prior to, simultaneously with, or subsequent to the issuance of such
42 special obligation bonds.

43 (e) Any bonds issued under the provisions of this act and the interest

22 ~~(2)~~ (B) determine the median AVPP of all school districts;

23 ~~(3)~~ (C) prepare a schedule of dollar amounts using the amount of the

36 point for each \$1,000 interval above the amount of the median AVPP, and
37 increasing the state aid computation percentage assigned to the amount of

22 *state and round such amount to the nearest \$1,000. The rounded amount is*
23 *the AVPP of a school district for the purposes of this subsection (b)(2);*

24 *(B) prepare a schedule of dollar amounts using the amount of the*
25 *AVPP of the school district with the lowest AVPP of all school districts as*
26 *the point of beginning. The schedule of dollar amounts shall range upward*
27 *in equal \$1,000 intervals from the point of beginning to and including an*
28 *amount that is equal to the amount of the AVPP of the school district with*

36 *amendments thereto, the state aid percentage factor of a school district is*
37 *the percentage assigned to the schedule amount that is equal to the*
38 *amount of the AVPP of the school district. The state aid computation*
39 *percentage is 75%;*

40 *(D) determine the amount of payments that a school district is*
41 *obligated to make from its bond and interest fund attributable to*
42 *contractual bond obligations incurred by the school district on or after*
43 *July 1, 2015; and*

1 (E) multiply the amount determined under subsection (b)(2)(D) by
2 the applicable state aid percentage factor.

3 (3) The sum of the amount determined under subsection (b)(1)(F) and
4 the amount determined under subsection (b)(2)(E) is the amount of

6 capital improvements fund in the school year.

7 (c) The state board of education shall certify to the director of
8 accounts and reports the entitlements of school districts determined under
9 the provisions of subsection (b), and an amount equal thereto shall be

16 transfers from the state general fund.

17 (d) Payments from the school district capital improvements fund shall
18 be distributed to school districts at times determined by the state board of

26 and interest fund of the school district to be used for the purposes of such
27 fund.

28 (e) The provisions of this section apply only to contractual
29 obligations incurred by school districts pursuant to general obligation
30 bonds issued upon approval of a majority of the qualified electors of the
31 school district voting at an election upon the question of the issuance of

5 amount of ad valorem tax to be levied to the amount of ad valorem tax
6 levied in the next preceding year, adjusted to reflect changes in the

- 18 (2) increased personal property valuation, other than increased
19 valuation of oil and gas leaseholds and mobile homes;
- 20 (3) property located within added jurisdictional territory; or
- 21 (4) property which has changed in use shall not be considered when
22 determining whether revenue produced from property has increased from
23 the next preceding year.

24 (c) In the event the governing body votes to approve any
25 appropriation or budget, as the case requires, which may be funded by
26 revenue produced from property taxes, and which provides for funding
27 with such revenue in an amount exceeding that of the next preceding year
28 as provided in subsection (a), notice of such vote shall be published in the
29 official county newspaper of the county where such municipality is
30 located.

31 (d) The provisions of this section shall be applicable to all fiscal and
32 budget years commencing on and after the effective date of this act.

33 (e) The provisions of this section shall not apply to revenue received
34 from property tax levied for the sole purpose of repayment of the principal

25 portion thereof by which the trade-in value of the vehicle exceeds \$22,000;
26 (2) if the model year of the motor vehicle is a year other than the year for
27 which the tax is levied, by reducing such midpoint amount by an amount
28 equal to 16% in 1995, and all years prior thereto, and 15% in 1996, and all
29 years thereafter, of the remaining balance for each year of difference
30 between the model year of the motor vehicle and the year for which the tax
