DEPARTMENT OF TRANSPORTATION

1
2 Provided that it is the intent of the General
3 Assembly that projects and funding levels
4 appropriated for capital projects, as well
5 as total estimated project costs within the
6 Consolidated Transportation Program,
7 shall be expended in accordance with the
8 plan approved during the legislative
9 session. The department shall prepare a
10 report to notify the budget committees of
11 the proposed changes in the event the
12 department modifies the program to:

13 (1) add a new project to the
14 construction program or
15 development and evaluation
16 program meeting the definition of
17 a “major project” under Section
18 2-103.1 of the Transportation
19 Article that was not previously
20 contained within a plan reviewed
21 in a prior year by the General
22 Assembly and will result in the
23 need to expend funds in the
24 current budget year; or

25 (2) change the scope of a project in the
26 construction program or
27 development and evaluation
28 program meeting the definition of
29 a “major project” under Section
30 2-103.1 of the Transportation
31 Article that will result in an
32 increase of more than 10% or
33 \$1,000,000, whichever is greater,
34 in the total project costs as
35 reviewed by the General Assembly
36 during a prior session.

37 For each change, the report shall identify the
38 project title, justification for adding the
39 new project or modifying the scope of the
40 existing project, current year funding
41 levels, and the total project cost as
42 approved by the General Assembly during
43 the prior session compared with the

1 proposed current year funding and total
2 project cost estimate resulting from the
3 project addition or change in scope.

4 Further provided that notification of project
5 additions, as outlined in item (1) above;
6 changes in the scope of a project, as
7 outlined in item (2) above; or moving
8 projects from the development and
9 evaluation program to the construction
10 program, shall be made to the General
11 Assembly 45 days prior to the expenditure
12 of funds or the submission of any contract
13 for approval to the Board of Public Works.

14 The Maryland Department of Transportation
15 (MDOT) may not expend funds on any job
16 or position of employment approved in this
17 budget in excess of 8,734.50 positions and
18 131.41 contractual full-time equivalents
19 paid through special payments payroll
20 (defined as the quotient of the sum of the
21 hours worked by all such employees in the
22 fiscal year divided by 2,080 hours) of the
23 total authorized amount established in the
24 budget for MDOT at any one time during
25 fiscal 2014. The level of contractual
26 full-time equivalents may be exceeded
27 only if MDOT notifies the budget
28 committees of the need and justification
29 for additional contractual personnel due
30 to:

31 (1) business growth at the Helen
32 Delich Bentley Port of Baltimore or
33 Baltimore/Washington
34 International Thurgood Marshall
35 Airport that demands additional
36 personnel; or

37 (2) emergency needs that must be
38 met, such as transit security or
39 highway maintenance.

40 The Secretary shall use the authority under
41 Sections 2-101 and 2-102 of the
42 Transportation Article to implement this

1 provision. However, any authorized job or
 2 position to be filled above the regular
 3 position ceiling approved by the Board of
 4 Public Works shall count against the Rule
 5 of 100 imposed by the General Assembly.
 6 The establishment of new jobs or positions
 7 of employment not authorized in the fiscal
 8 2014 budget shall be subject to Section
 9 7-236 of the State Finance and
 10 Procurement Article and the Rule of 100.

11 It is the intent of the General Assembly that
 12 funds dedicated to the Transportation
 13 Trust Fund shall be applied to purposes
 14 bearing direct relation to the State
 15 transportation program, unless directed
 16 otherwise by legislation. To implement
 17 this intent for MDOT in fiscal 2014, no
 18 commitment of funds in excess of \$250,000
 19 may be made nor such an amount may be
 20 transferred, by budget amendment or
 21 otherwise, for any project or purpose not
 22 normally arising in connection with the
 23 ordinary ongoing operation of MDOT and
 24 not contemplated in the approved budget
 25 or the last published Consolidated
 26 Transportation Program without 45 days
 27 of review and comment by the budget
 28 committees.

27 DEBT SERVICE REQUIREMENTS

28 Consolidated Transportation Bonds may be
29 issued in any amount provided that the
30 aggregate outstanding and unpaid balance
31 of these bonds and bonds of prior issues as
32 of June 30, 2014, may not exceed:

33 (1) \$1,982,670,000, subject to item (2);
34 or

35 (2) \$2,292,670,000, contingent upon

1 enactment of HB 1515 or SB
2 1054 increasing transportation
3 revenues.

4 Further provided that the amount paid for
5 debt service shall be reduced by any
6 proceeds generated from net bond sale
7 premiums, provided that those revenues
8 are recognized by the department and
9 reflected in the Transportation Trust
10 Fund forecast. Further provided that the
11 appropriation for debt service shall be
12 reduced by any proceeds generated from
13 net bond sale premiums. To achieve this
14 reduction, the Maryland Department of
15 Transportation (MDOT) may either use
16 the proceeds from the net premium to
17 reduce the size of the bond issuance or
18 apply the proceeds from the net premium
19 to debt service for that bond issuance.

20 MDOT shall submit with its annual
21 September and January financial
22 forecasts information on:

23 (1) anticipated and actual
24 nontraditional debt outstanding as
25 of June 30 of each year; and

26 (2) anticipated and actual debt service
27 payments for each outstanding
28 nontraditional debt issuance from
29 fiscal 2013 through 2024.
30 Nontraditional debt is defined as
31 any debt instrument that is not a
32 Consolidated Transportation Bond
33 or a Grant Anticipation Revenue
34 Vehicle bond; such debt includes,
35 but is not limited to, Certificates of
36 Participation, debt backed by
37 customer facility charges,
38 passenger facility charges, or other
39 revenues, and debt issued by the
40 Maryland Economic Development
41 Corporation or any other third
42 party on behalf of MDOT.

1 The total aggregate outstanding and unpaid
2 principal balance of nontraditional debt,
3 defined as any debt instrument that is not
4 a Consolidated Transportation Bond or a
5 Grant Anticipation Revenue Vehicle bond
6 issued by MDOT, may not exceed
7 \$724,695,000 as of June 30, 2014.
8 Provided, however, that in addition to the
9 limit established under this provision,
10 MDOT may increase the aggregate
11 outstanding unpaid and principal balance

DEPARTMENT OF HEALTH AND MENTAL HYGIENE

OFFICE OF THE SECRETARY

Provided that \$1,000,000 of the General Fund appropriation of the Office of the Secretary made for the purpose of administration may not be expended until the Department of Health and Mental Hygiene (DHMH) submits a report to the budget committees detailing the Secretary of DHMH's final recommendation on a model for a behavioral health integrated service delivery and financing system.

If the Secretary chooses to move forward with the implementation of a new model, the report shall:

(1) detail how the new model will align financial incentives, resolve adverse selection, promote information exchange, establish multidisciplinary care coordination teams, and develop competent provider networks;

(2) outline how services to the uninsured and Medicaid-eligible services to Medicaid recipients will be provided;

(3) discuss the role of existing local planning agencies and State administrative support for those agencies;

(4) outline how other existing programs that operate outside of the current Medicaid, mental health fee-for-service, and substance abuse grant programs will operate;

(5) evaluate the outcome measures currently in place in the Medicaid, mental health, and substance

1 abuse systems and detail how
2 those measures need to be
3 improved or expanded on;

4 (6) evaluate current rate-setting
5 methodologies and determine what
6 changes to those methodologies
7 should be made;

8 (7) discuss whether or to what extent
9 the current array of statutorily
10 created substance abuse treatment
11 programs should be consolidated
12 into a single block grant;

13 (8) evaluate the fiscal impact of the
14 model; and

15 ~~(8)~~ (9) add any other information the
16 department wishes to include.

17 Further provided that the department,
18 simultaneous with the issuance of any
19 request for proposals (RFP) to implement
20 a new behavioral health service delivery
21 and financing system shall submit the
22 RFP to the budget committees.

23 The requested report shall be submitted on
24 the earlier of December 1, 2013, or the

29 on the report. Funding withheld pending
30 the receipt of the report may not be
31 expended or transferred to any other

DEVELOPMENTAL DISABILITIES ADMINISTRATION

M00M01.01 Program Direction
General Fund Appropriation, provided that \$1,000,000 of this appropriation made for the purpose of Program Direction may not be expended until the Department of Health and Mental Hygiene provides a report to the budget committees that summarizes the requirements analysis for the Developmental Disabilities Administration’s major information technology project for the financial restructuring of the agency’s existing system. Moreover, the report shall summarize the recommendations made by the independent consultant for the draft specifications to solicit the modification or replacement of the agency’s existing financial platform. The department shall advise how the new system will address the major underlying inefficiencies of the agency’s current payment system and identify any barriers to adopting a new financial management system, including statutory or regulatory barriers. The report shall also update the committees on progress in creating a new fiscal management structure and processes for financial projections and reporting. The report shall be submitted by December 1,

2013, and the committees shall have 45 days to review and comment. Funds restricted pending the receipt of the report may not be transferred by budget amendment or otherwise to any other purpose and shall revert to the General Fund if the report is not submitted to the committees.

Further provided that \$250,000 of this appropriation made for the purpose of Program Direction may not be expended until the Department of Health and Mental Hygiene provides a report to the budget committees on the process to be implemented by the department to address instances in which the contribution to care is not paid to providers by individuals receiving services or their representatives. Specifically, the report shall advise of the department's role in addressing nonpayment of contribution to care costs and any requirements to be imposed on licensed developmental disabilities community providers to address nonpayment of contribution to care. The report shall be submitted by August 1, 2013, and the committees shall have 45 days to review and comment. Funds restricted pending the receipt of the report may not be transferred by budget amendment or otherwise to any other purpose and shall revert to the General Fund if the report is not submitted to the committees

40 SECTION 20. AND BE IT FURTHER ENACTED, That all across-the-board
41 reductions applied to the Executive Branch, unless otherwise stated, shall apply to
42 current unrestricted and general funds in the University System of Maryland, St.
43 Mary's College of Maryland, Morgan State University, and Baltimore City Community
44 College.

1 SECTION 21. AND BE IT FURTHER ENACTED, That the General Accounting
2 Division of the Comptroller of Maryland shall establish a subsidiary ledger control
3 account to debit all State agency funds budgeted under subobject 0175 (workers'
4 compensation coverage) and to credit all payments disbursed to the Chesapeake
5 Employers' Insurance Company (CEIC) via transmittal. The control account shall also
6 record all funds withdrawn from CEIC and returned to the State and subsequently
7 transferred to the General Fund. CEIC shall submit monthly reports to the
8 Department of Legislative Services concerning the status of the account.

9 SECTION 22. AND BE IT FURTHER ENACTED, That the Governor's budget
10 books shall include a summary statement of federal revenues by major federal
11 program sources supporting the federal appropriations made therein along with the
12 major assumptions underpinning the federal fund estimates. The Department of
13 Budget and Management (DBM) shall exercise due diligence in reporting this data
14 and ensure that they are updated as appropriate to reflect ongoing congressional
15 action on the federal budget. In addition, DBM shall provide to the Department of
16 Legislative Services (DLS) data for the actual, current, and budget years listing the
17 components of each federal fund appropriation by Catalog of Federal Domestic
18 Assistance number or equivalent detail for programs not in the catalog. Data shall be
19 provided in an electronic format subject to the concurrence of DLS.

20 SECTION 23. AND BE IT FURTHER ENACTED, That in the expenditure of
21 federal funds appropriated in this budget or subsequent to the enactment of this
22 budget by the budget amendment process:

23 (1) State agencies shall administer these federal funds in a manner that
24 recognizes that federal funds are taxpayer dollars that require prudent fiscal
25 management, careful application to the purposes for which they are directed, and
26 strict attention to budgetary and accounting procedures established for the
27 administration of all public funds.

28 (2) For fiscal 2014, except with respect to capital appropriations, to the
29 extent consistent with federal requirements:

30 (a) when expenditures or encumbrances may be charged to either
31 State or Federal Fund sources, federal funds shall be charged before State funds are
32 charged except that this policy does not apply to the Department of Human Resources
33 with respect to federal funds to be carried forward into future years for child welfare
34 or welfare reform activities;

35 (b) when additional federal funds are sought or otherwise become
36 available in the course of the fiscal year, agencies shall consider, in consultation with
37 the Department of Budget and Management, whether opportunities exist to use these
38 federal revenues to support existing operations rather than to expand programs or
39 establish new ones; and

1 (c) the Department of Budget and Management shall take appropriate
2 actions to effectively establish the provisions of this section as policies of the State
3 with respect to the administration of federal funds by executive agencies.

4 SECTION 24. AND BE IT FURTHER ENACTED, That the Department of
5 Budget and Management (DBM) shall provide an annual report on indirect costs to
6 the General Assembly in January 2014 as an appendix in the Governor's fiscal 2015
7 budget books. The report shall detail by agency for the actual fiscal 2013 budget the
8 amount of statewide indirect cost recovery received, the amount of statewide indirect
9 cost recovery transferred to the General Fund, and the amount of indirect cost
10 recovery retained for use by each agency. In addition, it shall list the most recently
11 available federally approved statewide and internal agency cost-recovery rates. As
12 part of the normal fiscal/compliance audit performed for each agency once every 3
13 years, the Office of Legislative Audits shall assess available information on the
14 timeliness, completeness, and deposit history of indirect cost recoveries by State
15 agencies. Further provided that for fiscal 2014, excluding the Maryland Department of
16 Transportation, the amount of revenue received by each agency from any federal
17 source for statewide cost recovery may only be transferred to the General Fund and
18 may not be retained in any clearing account or by any other means, nor may DBM or
19 any other agency or entity approve exemptions to permit any agency to retain any
20 portion of federal statewide cost recoveries.

21 SECTION 25. AND BE IT FURTHER ENACTED, That the Governor's budget
22 books shall include a forecast of the impact of the Executive budget proposal on the
23 long-term fiscal condition of the General Fund, Transportation Trust Fund, and
24 higher education Current Unrestricted Fund accounts. This forecast shall estimate
25 aggregate revenues, expenditures, and fund balances in each account for the fiscal
26 year last completed, the current year, the budget year, and 4 years thereafter.
27 Expenditures shall be reported at such agency, program or unit levels, or categories as
28 may be determined appropriate after consultation with the Department of Legislative
29 Services. A statement of major assumptions underlying the forecast shall also be
30 provided, including but not limited to general salary increases, inflation, and growth of
31 caseloads in significant program areas.

32 SECTION 26. AND BE IT FURTHER ENACTED, That it is the intent of the
33 General Assembly that all State departments, agencies, bureaus, commissions, boards,
34 and other organizational units included in the State budget, including the Judiciary,
35 shall prepare and submit items for the fiscal 2015 budget detailed by Comptroller
36 subobject classification in accordance with instructions promulgated by the
37 Comptroller of the Treasury. The presentation of budget data in the State budget
38 books shall include object, fund, and personnel data in the manner provided for in
39 fiscal 2014 except as indicated elsewhere in this Act; however, this may not preclude
40 the placement of additional information into the budget books. For actual fiscal 2013
41 spending, the fiscal 2014 working appropriation, and the fiscal 2015 allowance, the
42 budget detail shall be available from the Department of Budget and Management
43 (DBM) automated data system at the subobject level by subobject codes and
44 classifications for all agencies. To the extent possible, except for public higher

1 education institutions, subobject expenditures shall be designated by fund for actual
2 fiscal 2013 spending, the fiscal 2014 working appropriation, and the fiscal 2015
3 allowance. The agencies shall exercise due diligence in reporting this data and
4 ensuring correspondence between reported position and expenditure data for the
5 actual, current, and budget fiscal years. This data shall be made available on request
6 and in a format subject to the concurrence of the Department of Legislative Services
7 (DLS). Further, the expenditure of appropriations shall be reported and accounted for
8 by the subobject classification in accordance with the instructions promulgated by the
9 Comptroller of Maryland.

10 Further provided that due diligence shall be taken to accurately report
11 full-time equivalent counts of contractual positions in the budget books. For the
12 purpose of this count, contractual positions are defined as those individuals having an
13 employee-employer relationship with the State. This count shall include those
14 individuals in higher education institutions who meet this definition but are paid with
15 additional assistance funds.

16 Further provided that DBM shall provide to DLS with the allowance for each
17 department, unit, agency, office, and institution, a one-page organizational chart in
18 Microsoft Word or Adobe PDF format that depicts the allocation of personnel across
19 operational and administrative activities of the entity.

20 SECTION 27. AND BE IT FURTHER ENACTED, That it is the intent of the
21 General Assembly that on or before August 1, 2013, each State agency and each public
22 institution of higher education shall report to the Department of Budget and
23 Management (DBM) any agreements in place for any part of fiscal 2013 between State
24 agencies and any public institution of higher education involving potential
25 expenditures in excess of \$100,000 over the term of the agreement. Further provided
26 that DBM shall provide direction and guidance to all State agencies and public
27 institutions of higher education as to the procedures and specific elements of data to
28 be reported with respect to these interagency agreements, to include at a minimum:

29 (1) a common code for each interagency agreement that specifically identifies
30 each agreement and the fiscal year in which the agreement began;

31 (2) the starting date for each agreement;

32 (3) the ending date for each agreement;

33 (4) a total potential expenditure, or not-to-exceed dollar amount, for the
34 services to be rendered over the term of the agreement by any public institution of
35 higher education to any State agency;

36 (5) a description of the nature of the goods and services to be provided;

37 (6) the total number of personnel, both full time and part time, associated
38 with the agreement;

1 (7) contact information for the agency and the public institution of higher
2 education for the person(s) having direct oversight or knowledge of the agreement; and

3 (8) the amount and rate of any indirect cost recovery or overhead charges
4 assessed by the institution of higher education related to the agreement.

5 Further provided that DBM shall submit a consolidated report to the budget
6 committees and the Department of Legislative Services by December 1, 2013, that
7 contains information on all agreements between State agencies and any public
8 institution of higher education involving potential expenditures in excess of \$100,000
9 that were in effect at any time during fiscal 2013.

10 SECTION 28. AND BE IT FURTHER ENACTED, That any budget amendment
11 to increase the total amount of special, federal, or higher education (current restricted
12 and current unrestricted) fund appropriations, or to make reimbursable fund transfers
13 from the Governor's Office of Crime Control and Prevention or the Maryland
14 Emergency Management Agency, made in Section 1 of this Act shall be subject to the
15 following restrictions:

16 (1) This section may not apply to budget amendments for the sole purpose of:

17 (a) appropriating funds available as a result of the award of federal
18 disaster assistance; and

19 (b) transferring funds from the State Reserve Fund – Economic
20 Development Opportunities Fund for projects approved by the Legislative Policy
21 Committee.

22 (2) Budget amendments increasing total appropriations in any fund account
23 by \$100,000 or more may not be approved by the Governor until:

24 (a) that amendment has been submitted to the Department of
25 Legislative Services (DLS); and

26 (b) the budget committees or the Legislative Policy Committee have
27 considered the amendment or 45 days have elapsed from the date of submission of the
28 amendment. Each amendment submitted to DLS shall include a statement of the
29 amount, sources of funds and purposes of the amendment, and a summary of impact
30 on budgeted or contractual position and payroll requirements.

31 (3) Unless permitted by the budget bill or the accompanying supporting
32 documentation or by any other authorizing legislation, and notwithstanding the
33 provisions of Section 3-216 of the Transportation Article, a budget amendment may
34 not:

1 (a) restore funds for items or purposes specifically denied by the
2 General Assembly;

3 (b) fund a capital project not authorized by the General Assembly
4 provided, however, that subject to provisions of the Transportation Article, projects of
5 the Maryland Department of Transportation shall be restricted as provided in Section
6 1 of this Act;

7 (c) increase the scope of a capital project by an amount 7.5% or more
8 over the approved estimate or 5.0% or more over the net square footage of the
9 approved project until the amendment has been submitted to DLS and the budget
10 committees have considered and offered comment to the Governor or 45 days have
11 elapsed from the date of submission of the amendment. This provision does not apply
12 to the Maryland Department of Transportation; and

13 (d) provide for the additional appropriation of special, federal, or
14 higher education funds of more than \$100,000 for the reclassification of a position or
15 positions.

16 (4) A budget may not be amended to increase a Federal Fund appropriation
17 by \$100,000 or more unless documentation evidencing the increase in funds is
18 provided with the amendment and fund availability is certified by the Secretary of
19 Budget and Management.

20 (5) No expenditure or contractual obligation of funds authorized by a
21 proposed budget amendment may be made prior to approval of that amendment by the
22 Governor.

23 (6) Notwithstanding the provisions of this section, any federal, special, or
24 higher education fund appropriation may be increased by budget amendment upon a
25 declaration by the Board of Public Works that the amendment is essential to
26 maintaining public safety, health, or welfare, including protecting the environment or
27 the economic welfare of the State.

28 (7) Budget amendments for new major Information Technology (IT) projects,
29 as defined by Sections 3A-301 and 3A-302 of the State Finance and Procurement
30 Article, must include an Information Technology Project Request, as defined in Section
31 3A-308 of the State Finance and Procurement Article.

32 (8) Further provided that the fiscal 2014 appropriation detail as shown in
33 the Governor's budget books submitted to the General Assembly in January 2014 and
34 the supporting electronic detail shall not include appropriations for budget
35 amendments that have not been signed by the Governor, exclusive of the Maryland
36 Department of Transportation pay-as-you-go capital program.

37 (9) Further provided that it is the policy of the State to recognize and
38 appropriate additional special, higher education, and federal revenues in the budget

1 bill as approved by the General Assembly. Further provided that for the fiscal 2015
2 allowance, the Department of Budget and Management shall continue policies and
3 procedures to minimize reliance on budget amendments for appropriations that could
4 be included in a deficiency appropriation.

5 SECTION 29. AND BE IT FURTHER ENACTED, That:

6 (1) The Secretary of Health and Mental Hygiene shall maintain the
7 accounting systems necessary to determine the extent to which funds appropriated for
8 fiscal 2013 in program M00Q01.03 Medical Care Provider Reimbursements have been
9 disbursed for services provided in that fiscal year and shall prepare and submit the
10 periodic reports required under this section for that program.

11 (2) The State Superintendent of Schools shall maintain the accounting
12 systems necessary to determine the extent to which funds appropriated for fiscal 2013
13 to program R00A02.07 Students With Disabilities for Non-Public Placements have
14 been disbursed for services provided in that fiscal year and to prepare periodic reports
15 as required under this section for that program.

16 (3) The Secretary of Human Resources shall maintain the accounting
17 systems necessary to determine the extent to which funds appropriated for fiscal 2013
18 in program N00G00.01 Foster Care Maintenance Payments have been disbursed for
19 services provided in that fiscal year and to prepare the periodic reports required under
20 this section for that program.

21 (4) For the programs specified, reports shall indicate total appropriations for
22 fiscal 2013 and total disbursements for services provided during that fiscal year up
23 through the last day of the second month preceding the date on which the report is to
24 be submitted and a comparison to data applicable to those periods in the preceding
25 fiscal year.

26 (5) Reports shall be submitted to the budget committees, the Department of
27 Legislative Services, the Department of Budget and Management, and the
28 Comptroller on November 1, 2013; March 1, 2014; and June 1, 2014.

29 (6) It is the intent of the General Assembly that general funds appropriated
30 for fiscal 2013 to the programs specified that have not been disbursed within a
31 reasonable period, not to exceed 12 months from the end of the fiscal year, shall revert.

32 SECTION 30. AND BE IT FURTHER ENACTED, That no funds in this budget
33 may be expended to pay the salary of a Secretary or an Acting Secretary of any
34 department whose nomination as Secretary has been rejected by the Senate or an
35 Acting Secretary who was serving in that capacity prior to the 2013 session whose
36 nomination for the Secretary position was not put forward and approved by the Senate
37 during the 2013 session unless the Acting Secretary is appointed under Article II,
38 Section 11 of the Maryland Constitution prior to July 1, 2013.

1 SECTION 31. AND BE IT FURTHER ENACTED, That the Board of Public
2 Works (BPW), in exercising its authority to create additional positions pursuant to
3 Section 7-236 of the State Finance and Procurement Article, may authorize during the
4 fiscal year no more than 100 positions in excess of the total number of authorized State
5 positions on July 1, 2013, as determined by the Secretary of Budget and Management.
6 Provided, however, that if the imposition of this ceiling causes undue hardship in any
7 department, agency, board, or commission, additional positions may be created for that
8 affected unit to the extent that positions authorized by the General Assembly for the
9 fiscal year are abolished in that unit or in other units of State government. It is further
10 provided that the limit of 100 does not apply to any position that may be created in
11 conformance with specific manpower statutes that may be enacted by the State or
12 federal government nor to any positions created to implement block grant actions or to
13 implement a program reflecting fundamental changes in federal/State relationships.
14 Notwithstanding anything contained in this section, BPW may authorize additional
15 positions to meet public emergencies resulting from an act of God and violent acts of
16 men, that are necessary to protect the health and safety of the people of Maryland.

17 BPW may authorize the creation of additional positions within the Executive
18 Branch provided that 1.25 full-time equivalent contractual positions are abolished for
19 each regular position authorized and that there be no increase in agency funds in the
20 current budget and the next two subsequent budgets as the result of this action. It is
21 the intent of the General Assembly that priority is given to converting individuals that
22 have been in contractual positions for at least two years. Any position created by this
23 method may not be counted within the limitation of 100 under this section.

24 The numerical limitation on the creation of positions by BPW established in this
25 section may not apply to positions entirely supported by funds from federal or other
26 non-State sources so long as both the appointing authority for the position and the
27 Secretary of Budget and Management certify for each position created under this
28 exception that:

29 (1) funds are available from non-State sources for each position established
30 under this exception;

31 (2) the position's classification is not one for which another position was
32 abolished through the Voluntary Separation Program; and

33 (3) any positions created will be abolished in the event that non-State funds
34 are no longer available.

35 The Secretary of Budget and Management shall certify and report to the
36 General Assembly by June 30, 2014, the status of positions created with non-State
37 funding sources during fiscal 2010, 2011, 2012, 2013, and 2014 under this provision as
38 remaining, authorized, or abolished due to the discontinuation of funds.

39 SECTION 32. AND BE IT FURTHER ENACTED, That immediately following
40 the close of fiscal 2013, the Secretary of Budget and Management shall determine the

1 total number of full-time equivalent (FTE) positions that are authorized as of the last
2 day of fiscal 2013 and on the first day of fiscal 2014. Authorized positions shall include
3 all positions authorized by the General Assembly in the personnel detail of the
4 budgets for fiscal 2013 and 2014 including nonbudgetary programs, the Maryland
5 Transportation Authority, the University System of Maryland self-supported
6 activities, and the Maryland Correctional Enterprises.

7 The Department of Budget and Management shall also prepare during fiscal
8 2014 a report for the budget committees upon creation of regular FTE positions
9 through Board of Public Works action and upon transfer or abolition of positions. This
10 report shall also be provided as an appendix in the fiscal 2015 Governor's budget
11 books. It shall note, at the program level:

- 12 (1) where regular FTE positions have been abolished;
13 (2) where regular FTE positions have been created;
14 (3) from where and to where regular FTE positions have been transferred;
15 and
16 (4) where any other adjustments have been made.

28 made to data collection methodologies to allow outcomes of substance abuse treatment
29 to be reported for all Temporary Cash Assistance clients receiving treatment,
30 regardless of how the client was referred for substance abuse treatment. The report
31 shall include cost estimates and a timeline for making the necessary changes. The

1 budget committees shall have 45 days to review and comment following receipt of the

 27 reimbursable funds and one regular position appropriated in the Department of

12 Further provided that should the Governor determine that to the extent
13 funds restricted in this section are unnecessary for this restricted purpose, the
14 Governor shall transfer any excess funds from the Dedicated Purpose Account
15 to the Accumulation Funds of the State Retirement and Pension System on
16 January 1, 2014.

17 Further provided that the Department of Budget and Management, in
18 conjunction with the State Retirement Agency, shall determine whether a
19 reinvestment contribution in excess of the amount funded in fiscal year 2013 is
20 appropriate in light of the State’s simultaneous goals of reducing unfunded
21 liabilities and budget sustainability. This determination shall be reported to
22 the Governor, the budget committees of the General Assembly, and the Joint
23 Committee on Pensions not later than December 1, 2013.
