1.4 1.5 1.6 1.7 1.8 1.9	Minnesota Health Board, Minnesota Health Fund, Office of Health Quality and Planning, ombudsman for patient advocacy, and auditor general for the Minnesota Health Plan; requesting a 1332 waiver; authorizing rulemaking; appropriating money; amending Minnesota Statutes 2014, sections 13.3806, by adding a subdivision; 14.03, subdivisions 2, 3; 15A.0815, subdivision 2; proposing coding for new law as Minnesota Statutes, chapter 62W.
1.10	BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:
1.11	ARTICLE 1
1.12	MINNESOTA HEALTH PLAN
1.13	Section 1. [62W.01] HEALTH PLAN REQUIREMENTS.
1.14	In order to keep Minnesota residents healthy and provide the best quality of health
1.15	care, the Minnesota Health Plan must:
1.16	(1) ensure all Minnesota residents receive quality health care;
1.17	(2) not restrict, delay, or deny care or reduce the quality of care to hold down costs
1.18	but instead reduce costs through prevention, efficiency, and reduction of bureaucracy;
1.19	(3) cover all necessary care, including complete mental health services, chemical
1.20	dependency treatment, prescription drugs, medical equipment and supplies, dental care,
1.21	long-term care, and home care services;
1.22	(4) allow patients to choose their own providers;
1.23	(5) set premiums based on ability to pay;
1.24	(6) focus on preventive care and early intervention to improve the health of all
1.25	Minnesota residents and reduce costs from untreated illnesses and diseases;

health care providers to confirm eligibility for services. The application for enrollment 3.1 shall be no more than two pages. 3.2 Subd. 3. **Residents temporarily out of state.** (a) The Minnesota Health Plan shall 3.3 3.4 provide health care coverage to Minnesota residents who are temporarily out of the state who intend to return and reside in Minnesota. 3.5 (b) Coverage for emergency care obtained out of state shall be at prevailing local 3.6 rates. Coverage for nonemergency care obtained out of state shall be according to rates 3.7 and conditions established by the board. The board may require that a resident be 3.8 transported back to Minnesota when prolonged treatment of an emergency condition is 3.9 necessary and when that transport will not adversely affect a patient's care or condition. 3.10 Subd. 4. Visitors. Nonresidents visiting Minnesota shall be billed by the board 3.11 for all services received under the Minnesota Health Plan. The board may enter into 3.12 intergovernmental arrangements or contracts with other states and countries to provide 3.13 reciprocal coverage for temporary visitors. 3.14 3.15 Subd. 5. Nonresident employed in Minnesota. The board shall extend eligibility to nonresidents employed in Minnesota under a premium schedule set by the board. 3.16 Subd. 6. Business outside of Minnesota employing Minnesota residents. The 3.17 board shall apply for a federal waiver to collect the employer contribution mandated 3.18 by federal law. 3.19 3.20 Subd. 7. Retiree benefits. (a) All persons who are eligible for retiree medical benefits under an employer-employee contract shall remain eligible for those benefits 3.21 provided the contractually mandated payments for those benefits are made to the 3.22 3.23 Minnesota Health Fund, which shall assume financial responsibility for care provided under the terms of the contract along with additional health benefits covered by the 3.24 Minnesota Health Plan. Retirees who elect to reside outside of Minnesota shall be eligible 3.25 3.26 for benefits under the terms and conditions of the retiree's employer-employee contract. (b) The board may establish financial arrangements with states and foreign countries 3.27 in order to facilitate meeting the terms of the contracts described in paragraph (a). 3.28 Payments for care provided by non-Minnesota providers to Minnesota retirees shall be 3.29 reimbursed at rates established by the Minnesota Health Board. Providers who accept any 3.30 payment from the Minnesota Health Plan for a covered service shall not bill the patient 3.31 for the covered service. 3.32 Subd. 8. Presumptive eligibility. (a) An individual is presumed eligible for 3.33 coverage under the Minnesota Health Plan if the individual arrives at a health facility 3.34

5.33	barriers; and
5.34	(30) those health care and long-term supportive services currently covered under
5.35	Minnesota Statutes 2014, chapter 256B, for persons on medical assistance.

6.1	Subd. 3. Benefit expansion. The Minnesota Health Board may expand health care
6.2	benefits beyond the minimum benefits described in this section when expansion meets the
6.3	intent of this chapter and when there are sufficient funds to cover the expansion.
6.4	Subd. 4. Cost-sharing for the room and board portion of long-term care. The
6.5	Minnesota Health Board shall develop income and asset qualifications based on medical
6.6	assistance standards for covered benefits under subdivision 2, clauses (12) and (13). All
6.7	health care services for long-term care in a skilled nursing facility or assisted living facility
6.8	are fully covered but, notwithstanding section 62W.20, subdivision 6, room and board
6.9	costs may be charged to patients who do not meet income and asset qualifications.
6.10	Subd. 5. Exclusions. The following health care services shall be excluded from
6.11	coverage by the Minnesota Health Plan:
6.12	(1) health care services determined to have no medical benefit by the board;
6.13	(2) treatments and procedures primarily for cosmetic purposes, unless required to
6.14	correct a congenital defect, restore or correct a part of the body that has been altered as a
6.15	result of injury, disease, or surgery, or determined to be medically necessary by a qualified,
6.16	licensed health care provider in the Minnesota Health Plan; and
6.17	(3) services of a health care provider or facility that is not licensed or accredited
6.18	by the state, except for approved services provided to a Minnesota resident who is
6.19	temporarily out of the state.
6.20	Subd. 6. Prohibition. The Minnesota Health Plan shall not pay for drugs requiring
6.21	a prescription if the pharmaceutical companies directly market those drugs to consumers
6.22	in Minnesota.
6.23	Sec. 2. [62W.041] PATIENT CARE.
6.24	(a) All patients shall have a primary care provider and have access to care
6.25	coordination.
6.26	(b) Referrals are not required for a patient to see a health care specialist. If a patient
6.27	sees a specialist and does not have a primary care provider, the Minnesota Health Plan
6.28	may assist with choosing a primary care provider.
6.29	(c) The board may establish a computerized registry to assist patients in identifying
6.30	appropriate providers.

0.33	Section 1. [024.17] MILINESO IA HEALIH FUND.

Subdivision 1. General provisions. (a) The board shall establish a Minnesota	
Health Fund to implement the Minnesota Health Plan and to receive premiums and	
other sources of revenue. The fund shall be administered by a director appointed by the	<u>;</u>
Minnesota Health Board.	
(b) All money collected, received, and transferred according to this chapter shall be	<u>se</u>
deposited in the Minnesota Health Fund.	
(c) Money deposited in the Minnesota Health Fund shall be used to finance the	
Minnesota Health Plan.	
(d) All claims for health care services rendered shall be made to the Minnesota	
Health Fund.	
(e) All payments made for health care services shall be disbursed from the Minneson	ota
Health Fund.	
(f) Premiums and other revenues collected each year must be sufficient to cover	
that year's projected costs.	
Subd. 2. Accounts. The Minnesota Health Fund shall have operating, capital,	
and reserve accounts.	
Subd. 3. Operating account. The operating account in the Minnesota Health Fur	<u>ıd</u>
shall be comprised of the accounts specified in paragraphs (a) to (e).	
(a) Medical services account. The medical services account must be used to	
provide for all medical services and benefits covered under the Minnesota Health Plan.	
(b) Prevention account. The prevention account must be used solely to establish a	nd
maintain primary community prevention programs, including preventive screening tests	<u>.</u>
(c) Program administration, evaluation, planning, and assessment account. T	he
program administration, evaluation, planning, and assessment account must be used to	
monitor and improve the plan's effectiveness and operations. The board may establish	
grant programs including demonstration projects for this purpose.	
(d) Training and development account. The training and development account	
must be used to incentivize the training and development of health care providers and the	<u>1e</u>
health care workforce needed to meet the health care needs of the population.	
(e) Health service research account. The health service research account must b	e
used to support research and innovation as determined by the Minnesota Health Board,	
and recommended by the Office of Health Quality and Planning and the Ombudsman for	<u>)r</u>
Patient Advocacy.	
Subd. 4. Capital account. The capital account must be used solely to pay for capi	tal
expenditures for institutional providers and all capital expenditures requiring approval	
from the Minnesota Health Board as specified in section 62W.05, subdivision 4.

Subd. 5. Reserve account. (a) The Minnesota Health Plan must at all times hold in 8.1 reserve an amount estimated in the aggregate to provide for the payment of all losses and 8.2 claims for which the Minnesota Health Plan may be liable and to provide for the expense 8.3 8.4 of adjustment or settlement of losses and claims. (b) Money currently held in reserve by state, city, and county health programs must 8.5 be transferred to the Minnesota Health Fund when the Minnesota Health Plan replaces 8.6 those programs. 8.7 (c) The board shall have provisions in place to insure the Minnesota Health Plan 8.8 against unforeseen expenditures or revenue shortfalls not covered by the reserve account. 8.9 The board may borrow money to cover temporary shortfalls. 8.10 8.11 Sec. 2. [62W.20] REVENUE SOURCES. Subdivision 1. Minnesota Health Plan premium. (a) The Minnesota Health Board 8.12 shall: 8.13 8.14 (1) determine the aggregate cost of providing health care according to this chapter; (2) develop an equitable and affordable premium structure based on income, 8.15 including unearned income, and a business health tax based on payroll; 8.16 (3) in consultation with the Department of Revenue, develop an efficient means of 8.17 collecting premiums and the business health tax; and 8.18 8.19 (4) coordinate with existing, ongoing funding sources from federal and state programs. 8.20 (b) The premium structure must be based on ability to pay. 8.21 8.22 (c) On or before January 15, 2017, the board shall submit to the governor and the legislature a report on the premium and business health tax structure established to finance 8.23 the Minnesota Health Plan. 8.24 8.25 Subd. 2. Federal receipts. All federal funding received by Minnesota including the premium subsidies under the Affordable Care Act, Public Law 111-148, as amended 8.26 by Public Law 111-152, and as authorized by the Affordable Care Act section 1332 state 8.27 innovation waiver, is appropriated to the Minnesota Health Plan Board to be used only to 8.28 administer the Minnesota Health Plan under chapter 62W. Federal funding that is received 8.29 for implementing and administering the Minnesota Health Plan must be used only to 8.30 provide comprehensive health care for all Minnesota residents. 8.31 Subd. 3. Funds from outside sources. Institutional providers operating under 8.32 Minnesota Health Plan operating budgets may raise and expend funds from sources other 8.33 than the Minnesota Health Plan including private or foundation donors. Contributions to 8.34

8.35

providers in excess of \$500,000 must be reported to the board.

Subd. 4. Governmental payments. The chief executive officer and, if required
under federal law, the commissioners of health and human services shall seek all necessary
waivers, exemptions, agreements, or legislation so that all current federal payments to
the state including federal premiums for health care are paid directly to the Minnesota
Health Plan, which shall then assume responsibility for all health care benefits and health
care services previously paid for by the subsidies under the Affordable Care Act with
those funds. In obtaining the waivers, exemptions, agreements, or legislation, the chief
executive officer and, if required, commissioners shall seek from the federal government a
contribution for health care services in Minnesota that reflects: medical inflation, the state
gross domestic product, the size and age of the population, the number of residents living
below the poverty level, and the number of Medicare and VA eligible individuals, and does
not decrease in relation to the federal contribution to other states as a result of the waivers,
exemptions, agreements, or savings from implementation of the Minnesota Health Plan.
Subd. 5. Federal preemption. (a) The board shall secure a repeal or a waiver of any
provision of federal law that preempts any provision of this chapter. The commissioners
of health and human services shall provide all necessary assistance.
(b) In the section 1332 waiver application, the board shall request to waive any of
the following provisions of the Patient Protection and Affordable Care Act, to the extent
necessary to implement this act:

- (1) United States Code, title 42, sections 18021 to 18024;
- 9.21 (2) United States Code, title 42, sections 18031 to 18033;
- 9.22 (3) United States Code, title 42, section 18071; and
- 9.23 (4) sections 36B and 5000A of the Internal Revenue Code of 1986, as amended.
 - (c) In the event that a repeal or a waiver of law or regulations cannot be secured, the board shall adopt rules, or seek conforming state legislation, consistent with federal law, in an effort to best fulfill the purposes of this chapter.
 - (d) The Minnesota Health Plan's responsibility for providing care shall be secondary to existing federal government programs for health care services to the extent that funding for these programs is not transferred to the Minnesota Health Fund or that the transfer is delayed beyond the date on which initial benefits are provided under the Minnesota Health Plan.
 - <u>Subd. 6.</u> **No cost-sharing.** No deductible, co-payment, coinsurance, or other cost-sharing shall be imposed with respect to covered benefits.

10.1	Subdivision 1. Collateral source. (a) When other payers for health care have been
10.2	terminated, health care costs shall be collected from collateral sources whenever medical
10.3	services provided to an individual are, or may be, covered services under a policy of
10.4	insurance, or other collateral source available to that individual, or when the individual
10.5	has a right of action for compensation permitted under law.
10.6	(b) As used in this section, collateral source includes:
10.7	(1) health insurance policies and the medical components of automobile,
10.8	homeowners, and other forms of insurance;
10.9	(2) medical components of worker's compensation;
10.10	(3) pension plans;
10.11	(4) employer plans;
10.12	(5) employee benefit contracts;
10.13	(6) government benefit programs;
10.14	(7) a judgment for damages for personal injury;
10.15	(8) the state of last domicile for individuals moving to Minnesota for medical care
10.16	who have extraordinary medical needs; and
10.17	(9) any third party who is or may be liable to an individual for health care services
10.18	or costs.
10.19	(c) Collateral source does not include:
10.20	(1) a contract or plan that is subject to federal preemption; or
10.21	(2) any governmental unit, agency, or service, to the extent that subrogation
10.22	is prohibited by law. An entity described in paragraph (b) is not excluded from the
10.23	obligations imposed by this section by virtue of a contract or relationship with a
10.24	government unit, agency, or service.
10.25	(d) The board shall negotiate waivers, seek federal legislation, or make other
10.26	arrangements to incorporate collateral sources into the Minnesota Health Plan.
10.27	Subd. 2. Collateral source; negotiation. When an individual who receives health
10.28	care services under the Minnesota Health Plan is entitled to coverage, reimbursement,
10.29	indemnity, or other compensation from a collateral source, the individual shall notify the
10.30	health care provider and provide information identifying the collateral source, the nature
10.31	and extent of coverage or entitlement, and other relevant information. The health care
10.32	provider shall forward this information to the board. The individual entitled to coverage,
10.33	reimbursement, indemnity, or other compensation from a collateral source shall provide
10.34	additional information as requested by the board.
10.35	Subd. 3. Reimbursement. (a) The Minnesota Health Plan shall seek reimbursement
10.36	from the collateral source for services provided to the individual and may institute

appropriate action, including legal proceedings, to recover the reimbursement. Upon demand, the collateral source shall pay to the Minnesota Health Fund the sums it would have paid or expended on behalf of the individual for the health care services provided by the Minnesota Health Plan.

- (b) In addition to any other right to recovery provided in this section, the board shall have the same right to recover the reasonable value of health care benefits from a collateral source as provided to the commissioner of human services under section 256B.37.
- (c) If a collateral source is exempt from subrogation or the obligation to reimburse the Minnesota Health Plan, the board may require that an individual who is entitled to medical services from the source first seek those services from that source before seeking those services from the Minnesota Health Plan.
- (d) To the extent permitted by federal law, the board shall have the same right of subrogation over contractual retiree health care benefits provided by employers as other contracts, allowing the Minnesota Health Plan to recover the cost of health care services provided to individuals covered by the retiree benefits, unless arrangements are made to transfer the revenues of the health care benefits directly to the Minnesota Health Plan.
- Subd. 4. **Defaults, underpayments, and late payments.** (a) Default, underpayment, or late payment of any tax or other obligation imposed by this chapter shall result in the remedies and penalties provided by law, except as provided in this section.
- (b) Eligibility for health care benefits under section 62W.04 shall not be impaired by any default, underpayment, or late payment of any premium or other obligation imposed by this chapter.

11.23 ARTICLE 5

11.24 PAYMENTS

Section 1. [62W.05] PROVIDER PAYMENTS.

- Subdivision 1. General provisions. (a) All health care providers licensed to practice in Minnesota may participate in the Minnesota Health Plan and other providers as determined by the board.
- (b) A participating health care provider shall comply with all federal laws and regulations governing referral fees and fee splitting including, but not limited to, United States Code, title 42, sections 1320a-7b and 1395nn, whether reimbursed by federal funds or not.
- (c) A fee schedule or financial incentive may not adversely affect the care a patient receives or the care a health provider recommends.

Subd. 2. Payments to noninstitutional providers. (a) T	The Minnesota Health
Board shall establish and oversee a payment system for noninst	titutional providers that
promotes quality and controls cost.	
(b) The board shall pay noninstitutional providers based of	on rates negotiated with
providers. Rates shall take into account the need to address pro-	vider shortages.
(c) The board shall establish payment criteria and method	ls of payment for care
coordination for patients especially those with chronic illness ar	nd complex medical needs.
(d) Providers who accept any payment from the Minnesota	a Health Plan for a covered
health care service shall not bill the patient for the covered heal	th care service.
(e) Providers shall be paid within 30 business days for cla	aims filed following
procedures established by the board.	
Subd. 3. Payments to institutional providers. (a) The bo	oard shall establish annual
budgets for institutional providers. These budgets shall consist	of an operating and a
capital budget. An institution's annual budget shall be negotiate	ed to cover its anticipated
health care services for the next year based on past performance	e and projected changes in
prices and health care service levels.	
(b) Providers who accept any payment from the Minnesota	a Health Plan for a covered
health care service shall not bill the patient for the covered heal	th care service.
Subd. 4. Capital management plan. (a) The board shall	periodically develop a
capital investment plan that will serve as a guide in determining	g the annual budgets of
institutional providers and in deciding whether to approve appli	ications for approval of
capital expenditures by noninstitutional providers.	
(b) Providers who propose to make capital purchases in ea	xcess of \$500,000 must
obtain board approval. The board may alter the threshold exper	nditure level that triggers
the requirement to submit information on capital expenditures.	Institutional providers
shall propose these expenditures and submit the required inform	nation as part of the annual
budget they submit to the board. Noninstitutional providers sha	all submit applications
for approval of these expenditures to the board. The board must	st respond to capital
expenditure applications in a timely manner.

14.2	Sec. 3. [62W.06] MINNESOTA HEALTH BOARD.
14.3	Subdivision 1. Establishment. The Minnesota Health Board is established to
14.4	promote the delivery of high quality, coordinated health care services that enhance health;
14.5	prevent illness, disease, and disability; slow the progression of chronic diseases; and
14.6	improve personal health management. The board shall administer the Minnesota Health
14.7	Plan. The board shall oversee:
14.8	(1) the Office of Health Quality and Planning under section 62W.09; and
14.9	(2) the Minnesota Health Fund under section 62W.19.
14.10	Subd. 2. Board composition. The board shall consist of 15 members, including
14.11	a representative selected by each of the five rural regional health planning boards under
14.12	section 62W.08 and three representatives selected by the metropolitan regional health
14.13	planning board under section 62W.08. These members shall select the following:
14.14	(1) one patient member and one employer member appointed by the board members;
14.15	<u>and</u>
14.16	(2) five providers appointed by the board members that include one physician, one
14.17	registered nurse, one mental health provider, one dentist, and one facility director.
14.18	Subd. 3. Term and compensation; selection of chair. Board members shall
14.19	serve four years. Board members shall set the board's compensation not to exceed the
14.20	compensation of Public Utilities Commission members. The board shall select the chair
14.21	from its membership.
14.22	Subd. 4. General duties. The board shall:
14.23	(1) ensure that all of the requirements of section 62W.01 are met;
14.24	(2) hire a chief executive officer for the Minnesota Health Plan to administer all
14.25	aspects of the plan as directed by the board;
14.26	(3) hire a director for the Office of Health Quality and Planning;
14.27	(4) hire a director of the Minnesota Health Fund;
14.28	(5) provide technical assistance to the regional boards established under section
14.29	<u>62W.08;</u>
14.30	(6) conduct necessary investigations and inquiries and require the submission of
14.31	information, documents, and records the board considers necessary to carry out the
14.32	purposes of this chapter;
14.33	(7) establish a process for the board to receive the concerns, opinions, ideas, and
14.34	recommendations of the public regarding all aspects of the Minnesota Health Plan and
14.35	the means of addressing those concerns;

15.1	(8) conduct other activities the board considers necessary to carry out the purposes
15.2	of this chapter;
15.3	(9) collaborate with the agencies that license health facilities to ensure that facility
15.4	performance is monitored and that deficient practices are recognized and corrected in a
15.5	timely manner;
15.6	(10) adopt rules as necessary to carry out the duties assigned under this chapter;
15.7	(11) establish conflict of interest standards prohibiting providers from any financial
15.8	benefit from their medical decisions outside of board reimbursement;
15.9	(12) establish conflict of interest standards related to pharmaceutical marketing to
15.10	providers; and
15.11	(13) provide financial help and assistance in retraining and job placement to
15.12	Minnesota workers who may be displaced because of the administrative efficiencies of the
15.13	Minnesota Health Plan.
15.14	There is currently a serious shortage of providers in many health care professions,
15.15	from medical technologists to registered nurses, and many potentially displaced health
15.16	administrative workers already have training in some medical field. To alleviate these
15.17	shortages, the dislocated worker support program should emphasize retraining and
15.18	placement into health care related positions if appropriate. As Minnesota residents, all
15.19	displaced workers shall be covered under the Minnesota Health Plan.
15.20	Subd. 5. Waiver request duties. Before submitting a waiver application under
15.21	section 1332 of the Patient Protection and Affordable Care Act, Public Law Number
15.22	111-148, as amended, the board shall do the following, as required by federal law:
15.23	(1) conduct or contract for any necessary actuarial analyses and actuarial
15.24	certifications needed to support the board's estimates that the waiver will comply with the
15.25	comprehensive coverage, affordability, and scope of coverage requirements in federal law;
15.26	(2) conduct or contract for any necessary economic analyses needed to support
15.27	the board's estimates that the waiver will comply with the comprehensive coverage,
15.28	affordability, scope of coverage, and federal deficit requirements in federal law. These
15.29	analyses must include:
15.30	(i) a detailed ten-year budget plan; and
15.31	(ii) a detailed analysis regarding the estimated impact of the waiver on health
15.32	insurance coverage in the state;
15.33	(3) establish a detailed draft implementation timeline for the waiver plan; and
15.34	(4) establish quarterly, annual, and cumulative targets for the comprehensive
15.35	coverage, affordability, scope of coverage, and federal deficit requirements in federal law.
15.36	Subd. 6. Financial duties. The board shall:

16.1	(1) establish and collect premiums and the business health tax according to section
16.2	62W.20, subdivision 1;
16.3	(2) approve statewide and regional budgets that include budgets for the accounts
16.4	in section 62W.19;
16.5	(3) negotiate and establish payment rates for providers;
16.6	(4) monitor compliance with all budgets and payment rates and take action to
16.7	achieve compliance to the extent authorized by law;
16.8	(5) pay claims for medical products or services as negotiated, and may issue requests
16.9	for proposals from Minnesota nonprofit business corporations for a contract to process
16.10	claims;
16.11	(6) seek federal approval to bill other states for health care coverage provided to
16.12	residents from out-of-state who come to Minnesota for long-term care or other costly
16.13	treatment when the resident's home state fails to provide such coverage, unless a reciprocal
16.14	agreement with those states to provide similar coverage to Minnesota residents relocating
16.15	to those states can be negotiated;
16.16	(7) administer the Minnesota Health Fund created under section 62W.19;
16.17	(8) annually determine the appropriate level for the Minnesota Health Plan reserve
16.18	account and implement policies needed to establish the appropriate reserve;
16.19	(9) implement fraud prevention measures necessary to protect the operation of
16.20	the Minnesota Health Plan; and
16.21	(10) work to ensure appropriate cost control by:
16.22	(i) instituting aggressive public health measures, early intervention and preventive
16.23	care, health and wellness education, and promotion of personal health improvement;
16.24	(ii) making changes in the delivery of health care services and administration that
16.25	improve efficiency and care quality;
16.26	(iii) minimizing administrative costs;
16.27	(iv) ensuring that the delivery system does not contain excess capacity; and
16.28	(v) negotiating the lowest possible prices for prescription drugs, medical equipment,
16.29	and medical services.
16.30	If the board determines that there will be a revenue shortfall despite the cost control
16.31	measures mentioned in clause (10), the board shall implement measures to correct the
16.32	shortfall, including an increase in premiums and other revenues. The board shall report to
16.33	the legislature on the causes of the shortfall, reasons for the inadequacy of cost controls,
16.34	and measures taken to correct the shortfall.
16.35	Subd. 7. Minnesota Health Board management duties. The board shall:
16.36	(1) develop and implement enrollment procedures for the Minnesota Health Plan;

17.1	(2) implement eligibility standards for the Minnesota Health Plan;
17.2	(3) arrange for health care to be provided at convenient locations, including
17.3	ensuring the availability of school nurses so that all students have access to health care,
17.4	immunizations, and preventive care at public schools and encouraging providers to open
17.5	small health clinics at larger workplaces and retail centers;
17.6	(4) make recommendations, when needed, to the legislature about changes in the
17.7	geographic boundaries of the health planning regions;
17.8	(5) establish an electronic claims and payments system for the Minnesota Health Plan;
17.9	(6) monitor the operation of the Minnesota Health Plan through consumer surveys
17.10	and regular data collection and evaluation activities, including evaluations of the adequacy
17.11	and quality of services furnished under the program, the need for changes in the benefit
17.12	package, the cost of each type of service, and the effectiveness of cost control measures
17.13	under the program;
17.14	(7) disseminate information and establish a health care Web site to provide
17.15	information to the public about the Minnesota Health Plan including providers and
17.16	facilities, and state and regional health planning board meetings and activities;
17.17	(8) collaborate with public health agencies, schools, and community clinics;
17.18	(9) ensure that Minnesota Health Plan policies and providers, including public
17.19	health providers, support all Minnesota residents in achieving and maintaining maximum
17.20	physical and mental health; and
17.21	(10) annually report to the chairs and ranking minority members of the senate
17.22	and house of representatives committees with jurisdiction over health care issues on
17.23	the performance of the Minnesota Health Plan, fiscal condition and need for payment
17.24	adjustments, any needed changes in geographic boundaries of the health planning regions,
17.25	recommendations for statutory changes, receipt of revenue from all sources, whether
17.26	current year goals and priorities are met, future goals and priorities, major new technology
17.27	or prescription drugs, and other circumstances that may affect the cost or quality of health
17.28	care.
17.29	Subd. 8. Policy duties. The board shall:
17.30	(1) develop and implement cost control and quality assurance procedures;
17.31	(2) ensure strong public health services including education and community
17.32	prevention and clinical services;
17.33	(3) ensure a continuum of coordinated high-quality primary to tertiary care to all
17.34	Minnesota residents; and
17.35	(4) implement policies to ensure that all Minnesota residents receive culturally
17.36	and linguistically competent care.

Subd. 9. Self-insurance. The board shall determine the feasibility of self-insuring providers for malpractice and shall establish a self-insurance system and create a special fund for payment of losses incurred if the board determines self-insuring providers would reduce costs.

Sec. 4. [62W.07] HEALTH PLANNING REGIONS.

A metropolitan health planning region consisting of the seven-county metropolitan area is established. By October 1, 2016, the commissioner of health shall designate five rural health planning regions from the greater Minnesota area composed of geographically contiguous counties grouped on the basis of the following considerations:

- (1) patterns of utilization of health care services;
- 18.11 (2) health care resources, including workforce resources;
- 18.12 (3) health needs of the population, including public health needs;
- 18.13 (4) geography;

Sec. 5. [62W.08] REGIONAL HEALTH PLANNING BOARD.

Subdivision 1. Regional planning board composition. (a) Each regional board shall consist of one county commissioner per county selected by the county board and two county commissioners per county selected by the county board in the seven-county metropolitan area. A county commissioner may designate a representative to act as a member of the board in the member's absence. Each board shall select the chair from among its membership.

- (b) Board members shall serve for four-year terms and may receive per diems for meetings as provided in section 15.059, subdivision 3.
 - Subd. 2. **Regional health board duties.** Regional health planning boards shall:
- (1) recommend health standards, goals, priorities, and guidelines for the region;
- 18.28 (2) prepare an operating and capital budget for the region to recommend to the

 18.29 Minnesota Health Board;
- 18.30 (3) collaborate with local public health care agencies to educate consumers and providers on public health programs, goals, and the means of reaching those goals;
- 18.32 (4) hire a regional health planning director;
- 18.33 (5) collaborate with public health care agencies to implement public health and wellness initiatives; and

(6) ensure that all parts of the region have access to a 24-hour nurse hotline and 19.1 19.2 24-hour urgent care clinics. Sec. 6. [62W.09] OFFICE OF HEALTH QUALITY AND PLANNING. 19.3 Subdivision 1. **Establishment.** The Minnesota Health Board shall establish an 19.4 Office of Health Quality and Planning to assess the quality, access, and funding adequacy 19.5 of the Minnesota Health Plan. 19.6 Subd. 2. General duties. (a) The Office of Health Quality and Planning shall make 19.7 annual recommendations to the board on the overall direction on subjects including: 19.8 19.9 (1) the overall effectiveness of the Minnesota Health Plan in addressing public health and wellness; 19.10 19.11 (2) access to health care; 19.12 (3) quality improvement; (4) efficiency of administration; 19.13 19.14 (5) adequacy of budget and funding; (6) appropriateness of payments for providers; 19.15 (7) capital expenditure needs; 19.16 19.17 (8) long-term health care; (9) mental health and substance abuse services; 19.18 (10) staffing levels and working conditions in health care facilities; 19.19 (11) identification of number and mix of health care facilities and providers required 19.20 to best meet the needs of the Minnesota Health Plan; 19.21 19.22 (12) care for chronically ill patients; (13) educating providers on promoting the use of advance directives with patients to 19.23 enable patients to obtain the health care of their choice; 19.24 19.25 (14) research needs; and (15) integration of disease management programs into health care delivery. 19.26 (b) Analyze shortages in health care workforce required to meet the needs of the 19.27 population and develop plans to meet those needs in collaboration with regional planners 19.28 and educational institutions. 19.29 (c) Analyze methods of paying providers and make recommendations to improve 19.30

and Planning shall:

	(1) consider health care benefit additions to the Minnesota Health Plan and evaluate
<u>t</u>	them based on evidence of clinical efficacy;
	(2) establish a process and criteria by which providers may request authorization to
I	provide health care services and treatments that are not included in the Minnesota Health
Ī	Plan benefit set, including experimental health care treatments;
	(3) evaluate proposals to increase the efficiency and effectiveness of the health care
(delivery system, and make recommendations to the board based on the cost-effectiveness
(of the proposals; and
	(4) identify complementary and alternative health care modalities that have been
5	shown to be safe and effective.
	(b) The board may convene advisory panels as needed.
	Sec. 7. [62W.10] ETHICS AND CONFLICT OF INTEREST.
	(a) All provisions of section 43A.38 apply to employees and the chief executive
(officer of the Minnesota Health Plan, the members and directors of the Minnesota Health
J	Board, the regional health boards, the director of the Office of Health Quality and
ŀ	Planning, the director of the Minnesota Health Fund, and the ombudsman for patient
8	advocacy. Failure to comply with section 43A.38 shall be grounds for disciplinary action
1	which may include termination of employment or removal from the board.
	(b) In order to avoid the appearance of political bias or impropriety, the Minnesota
ŀ	Health Plan chief executive officer shall not:
	(1) engage in leadership of, or employment by, a political party or a political
(organization;
_	(2) publicly endorse a political candidate;
	(3) contribute to any political candidates or political parties and political
(organizations; or
_	(4) attempt to avoid compliance with this subdivision by making contributions
t	chrough a spouse or other family member.
_	(c) In order to avoid a conflict of interest, individuals specified in paragraph (a) shall
ľ	not be currently employed by a medical provider or a pharmaceutical, medical insurance,
_	or medical supply company. This paragraph does not apply to the five provider members
(of the board.
-	
	Sec. 8. [62W.11] CONFLICT OF INTEREST COMMITTEE.
	(a) The board shall establish a conflict of interest committee to develop standards
(of practice for individuals or entities doing business with the Minnesota Health Plan,
_	

including but not limited to, board members, providers, and medical suppliers. The committee shall establish guidelines on the duty to disclose the existence of a financial interest and all material facts related to that financial interest to the committee.

(b) In considering the transaction or arrangement, if the committee determines a conflict of interest exists, the committee shall investigate alternatives to the proposed transaction or arrangement. After exercising due diligence, the committee shall determine whether the Minnesota Health Plan can obtain with reasonable efforts a more advantageous transaction or arrangement with a person or entity that would not give rise to a conflict of interest. If this is not reasonably possible under the circumstances, the committee shall make a recommendation to the board on whether the transaction or arrangement is in the best interest of the Minnesota Health Plan, and whether the transaction is fair and reasonable. The committee shall provide the board with all material information used to make the recommendation. After reviewing all relevant information, the board shall decide whether to approve the transaction or arrangement.

Sec. 9. [62W.12] OMBUDSMAN OFFICE FOR PATIENT ADVOCACY.

Subdivision 1. Creation of office; generally. (a) The Ombudsman Office for Patient Advocacy is created to represent the interests of the consumers of health care. The ombudsman shall help residents of the state secure the health care services and health care benefits they are entitled to under the laws administered by the Minnesota Health Board and advocate on behalf of and represent the interests of enrollees in entities created by this chapter and in other forums.

- (b) The ombudsman shall be a patient advocate appointed by the governor, who serves in the unclassified service and may be removed only for just cause. The ombudsman must be selected without regard to political affiliation and must be knowledgeable about and have experience in health care services and administration.
- (c) The ombudsman may gather information about decisions, acts, and other matters of the Minnesota Health Board, health care organization, or a health care program. A person may not serve as ombudsman while holding another public office.
- (d) The budget for the ombudsman's office shall be determined by the legislature and is independent from the Minnesota Health Board. The ombudsman shall establish offices to provide convenient access to residents.
- (e) The Minnesota Health Board has no oversight or authority over the ombudsman for patient advocacy.
 - Subd. 2. **Ombudsman's duties.** The ombudsman shall:
 - (1) ensure that patient advocacy services are available to all Minnesota residents;

22.2	(3) receive, evaluate, and respond to consumer complaints about the Minnesota
22.3	Health Plan;
22.4	(4) establish a process to receive recommendations from the public about ways to
22.5	improve the Minnesota Health Plan;
22.6	(5) develop educational and informational guides according to communication
22.7	services under section 15.441, describing consumer rights and responsibilities;
22.8	(6) ensure the guides in clause (5) are widely available to consumers and specifically
22.9	available in provider offices and health care facilities; and
22.10	(7) prepare an annual report about the consumer perspective on the performance of
22.11	the Minnesota Health Plan, including recommendations for needed improvements.
22.12	Sec. 10. [62W.13] GRIEVANCE SYSTEM.
22.13	Subdivision 1. Grievance system established. The ombudsman shall establish a
22.14	grievance system for all complaints. The system shall provide a process that ensures
22.15	adequate consideration of Minnesota Health Plan enrollee grievances and appropriate
22.16	remedies.
22.17	Subd. 2. Referral of grievances. The ombudsman may refer any grievance that
22.18	does not pertain to compliance with this chapter to the federal Centers for Medicare and
22.19	Medicaid Services or any other appropriate local, state, and federal government entity
22.20	for investigation and resolution.
22.21	Subd. 3. Submittal by designated agents and providers. A provider may join
22.22	with, or otherwise assist, a complainant to submit the grievance to the ombudsman.
22.23	A provider or an employee of a provider who, in good faith, joins with or assists a
22.24	complainant in submitting a grievance is subject to the protections and remedies under
22.25	sections 181.931 to 181.935.
22.26	Subd. 4. Review of documents. The ombudsman may require additional
22.27	information from health care providers or the board.
22.28	Subd. 5. Written notice of disposition. The ombudsman shall send a written
22.29	notice of the final disposition of the grievance, and the reasons for the decision, to the
22.30	complainant, to any provider who is assisting the complainant, and to the board, within 30
22.31	calendar days of receipt of the request for review unless the ombudsman determines that
22.32	additional time is reasonably necessary to fully and fairly evaluate the relevant grievance.
22.33	The ombudsman's order of corrective action shall be binding on the Minnesota Health
22.34	Plan. A decision of the ombudsman is subject to de novo review by the district court.

Subd. 6. Data. Data on enrollees collected because an enrollee submits a complaint to the ombudsman are private data on individuals as defined in section 13.02, subdivision 12, but may be released to a provider who is the subject of the complaint or to the board for purposes of this section.

- Subdivision 1. **Establishment.** There is within the Office of the Legislative Auditor an auditor general for health care fraud and abuse for the Minnesota Health Plan who is appointed by the legislative auditor.
 - Subd. 2. **Duties.** The auditor general shall:
- (1) investigate, audit, and review the financial and business records of individuals, public and private agencies and institutions, and private corporations that provide services or products to the Minnesota Health Plan, the costs of which are reimbursed by the Minnesota Health Plan;
- (2) investigate allegations of misconduct on the part of an employee or appointee of the Minnesota Health Board and on the part of any provider of health care services that is reimbursed by the Minnesota Health Plan, and report any findings of misconduct to the attorney general;
- 23.19 (3) investigate fraud and abuse;
- 23.20 (4) arrange for the collection and analysis of data needed to investigate the inappropriate utilization of these products and services; and
- 23.22 (5) annually report recommendations for improvements to the Minnesota Health
 23.23 Plan to the board.

Sec. 12. [62W.15] MINNESOTA HEALTH PLAN POLICIES AND PROCEDURES; RULEMAKING.

Subdivision 1. Exempt rules. The Minnesota Health Plan policies and procedures are exempt from the Administrative Procedure Act but, to the extent authorized by law to adopt rules, the board may use the provisions of section 14.386, paragraph (a), clauses (1)

and (3). Section 14.386, paragraph (b), does not apply to these rules.

Subd. 2. **Rulemaking procedures.** (a) Whenever the board determines that a rule should be adopted under this section establishing, modifying, or revoking a policy or procedure, the board shall publish in the State Register the proposed policy or procedure and shall afford interested persons a period of 30 days after publication to submit written data or comments.

(b) On or before the last day of the period provided for the submission of written
data or comments, any interested person may file with the board written objections to the
proposed rule, stating the grounds for objection and requesting a public hearing on those
objections. Within 30 days after the last day for filing objections, the board shall publish
in the State Register a notice specifying the policy or procedure to which objections have
been filed and a hearing requested and specifying a time and place for the hearing.

- Subd. 3. Rule adoption. Within 60 days after the expiration of the period provided for the submission of written data or comments, or within 60 days after the completion of any hearing, the board shall issue a rule adopting, modifying, or revoking a policy or procedure, or make a determination that a rule should not be adopted. The rule may contain a provision delaying its effective date for such period as the board determines is necessary.
- Sec. 13. Minnesota Statutes 2014, section 14.03, subdivision 3, is amended to read:
- Subd. 3. Rulemaking procedures. (a) The definition of a rule in section 14.02, subdivision 4, does not include:
- (1) rules concerning only the internal management of the agency or other agencies that do not directly affect the rights of or procedures available to the public;
- (2) an application deadline on a form; and the remainder of a form and instructions for use of the form to the extent that they do not impose substantive requirements other than requirements contained in statute or rule;
- (3) the curriculum adopted by an agency to implement a statute or rule permitting or mandating minimum educational requirements for persons regulated by an agency, provided the topic areas to be covered by the minimum educational requirements are specified in statute or rule;
- (4) procedures for sharing data among government agencies, provided these procedures are consistent with chapter 13 and other law governing data practices.
 - (b) The definition of a rule in section 14.02, subdivision 4, does not include:
- (1) rules of the commissioner of corrections relating to the release, placement, term, and supervision of inmates serving a supervised release or conditional release term, the internal management of institutions under the commissioner's control, and rules adopted under section 609.105 governing the inmates of those institutions;
- (2) rules relating to weight limitations on the use of highways when the substance of the rules is indicated to the public by means of signs;
 - (3) opinions of the attorney general;
- (4) the data element dictionary and the annual data acquisition calendar of the Department of Education to the extent provided by section 125B.07;

25.1	(5) the occupational safety and health standards provided in section 182.655;
25.2	(6) revenue notices and tax information bulletins of the commissioner of revenue;
25.3	(7) uniform conveyancing forms adopted by the commissioner of commerce under
25.4	section 507.09;
25.5	(8) standards adopted by the Electronic Real Estate Recording Commission
25.6	established under section 507.0945; or
25.7	(9) the interpretive guidelines developed by the commissioner of human services to
