38 217.710. 1. Probation and parole officers, supervisors and members of the parole board,  
39 who are certified pursuant to the requirements of subsection 2 of this section shall have the authority

1 to carry their firearms at all times. The department of corrections shall promulgate policies and

4 217.805. Mere possession of a firearm shall not constitute an employment activity for the purpose  
5 of calculating compensatory time or overtime.

7 provide firearms certification and recertification training for probation and parole officers,  
8 supervisors, and members of the parole board. A minimum of sixteen hours of firearms safety

19 6. Any rule or portion of a rule, as that term is defined in section 536.010, that is  
20 promulgated under the authority of this chapter, shall become effective only if the agency has fully  
21 complied with all of the requirements of chapter 536 including but not limited to, section 536.028, if  
22 applicable, after August 28, 1998. All rulemaking authority delegated prior to August 28, 1998, is  
23 of no force and effect and repealed as of August 28, 1998, however nothing in section 571.030 or  
24 this section shall be interpreted to repeal or affect the validity of any rule adopted and promulgated  
25 prior to August 28, 1998. If the provisions of section 536.028 apply, the provisions of this section  
26 are nonseverable and if any of the powers vested with the general assembly pursuant to section  
27 536.028 to review, to delay the effective date, or to disapprove and annul a rule or portion of a rule  
28 are held unconstitutional or invalid, the purported grant of rulemaking authority and any rule so  
29 proposed and contained in the order of rulemaking shall be invalid and void, except that nothing in  
30 section 571.030 or this section shall affect the validity of any rule adopted and promulgated prior to  
31 August 28, 1998.

32 217.720. 1. At any time during release on parole or conditional release the division of  
33 probation and parole may issue a warrant for the arrest of a released offender for violation of any of  
34 the conditions of parole or conditional release. The warrant shall authorize any law enforcement  
35 officer to return the offender to the actual custody of the correctional center from which the offender  
36 was released, or to any other suitable facility designated by the division. If any parole or probation  
37 officer has probable cause to believe that such offender has violated a condition of parole or  
38 conditional release, the probation or parole officer may issue a warrant for the arrest of the offender.  
39 The probation or parole officer may effect the arrest or may deputize any officer with the power of

1 arrest to do so by giving the officer a copy of the warrant which shall outline the circumstances of  
2 the alleged violation and contain the statement that the offender has, in the judgment of the  
3 probation or parole officer, violated conditions of parole or conditional release. The warrant  
4 delivered with the offender by the arresting officer to the official in charge of any facility designated  
5 by the division to which the offender is brought shall be sufficient legal authority for detaining the  
6 offender. After the arrest the parole or probation officer shall present to the detaining authorities a  
7 similar statement of the circumstances of violation. Pending hearing as hereinafter provided, upon  
8 any charge of violation, the offender shall remain in custody or incarcerated without consideration  
9 of bail.

10 2. If the offender is arrested under the authority granted in subsection 1 of this section, the  
11 offender shall have the right to a preliminary hearing on the violation charged unless the offender  
12 waives such hearing. Upon such arrest and detention, the parole or probation officer shall  
13 immediately notify the board and shall submit in writing a report showing in what manner the  
14 offender has violated the conditions of his parole or conditional release. The board shall order the  
15 offender discharged from such facility, require as a condition of parole or conditional release the  
16 placement of the offender in a treatment center operated by the department of corrections, or shall  
17 cause the offender to be brought before it for a hearing on the violation charged, under such rules  
18 and regulations as the board may adopt. If the violation is established and found, the board may  
19 continue or revoke the parole or conditional release, or enter such other order as it may see fit. If no  
20 violation is established and found, then the parole or conditional release shall continue. If at any  
21 time during release on parole or conditional release the offender is arrested for a crime which later  
22 leads to conviction, and sentence is then served outside the Missouri department of corrections, the  
23 board shall determine what part, if any, of the time from the date of arrest until completion of the  
24 sentence imposed is counted as time served under the sentence from which the offender was paroled  
25 or conditionally released.

26 3. An offender for whose return a warrant has been issued by the division shall, if it is found  
27 that the warrant cannot be served, be deemed to be a fugitive from justice or to have fled from  
28 justice. If it shall appear that the offender has violated the provisions and conditions of his parole or  
29 conditional release, the board shall determine whether the time from the issuing date of the warrant  
30 to the date of his arrest on the warrant, or continuance on parole or conditional release shall be  
31 counted as time served under the sentence. In all other cases, time served on parole or conditional  
32 release shall be counted as time served under the sentence.

33 4. At any time during parole or probation, the division may issue a warrant for the arrest of  
34 any person from another jurisdiction~~[, the visitation and supervision of whom the division has~~  
35 ~~undertaken pursuant to the provisions of the interstate compact for the supervision of parolees and~~  
36 ~~probationers authorized in section 217.810,]~~ for violation of any of the conditions of release~~]~~ or a  
37 notice to appear to answer a charge of violation. The notice shall be served personally upon the  
38 person. The warrant shall authorize any law enforcement officer to return the offender to any  
39 suitable detention facility designated by the division. Any parole or probation officer may arrest

1 such person without a warrant, or may deputize any other officer with power of arrest to do so by  
2 issuing a written statement setting forth that the defendant has, in the judgment of the parole or  
3 probation officer, violated the conditions of his release. The written statement delivered with the  
4 person by the arresting officer to the official in charge of the detention facility to which the person is  
5 brought shall be sufficient legal authority for detaining him. After making an arrest the parole or  
6 probation officer shall present to the detaining authorities a similar statement of the circumstances of  
7 violation.

8 548.241. 1. All necessary and proper expenses accruing under section 548.221, upon being  
9 ascertained to the satisfaction of the governor, shall be allowed on his certificate and paid out of the  
10 state treasury as other demands against the state.

11 2. All necessary and proper expenses accruing as a result of a person being returned to this  
12 state pursuant to the provisions of section 548.243 [~~or 217.810~~] shall be allowed and paid out of the  
13 state treasury as if the person were being returned to this state pursuant to section 548.221.

14 3. Any necessary and proper expenses accruing as a result of a person being returned to this  
15 state under the provisions of chapter 589 may be paid either out of the Missouri interstate compact  
16 fund established in chapter 589 or out of the state treasury.

17 589.564. 1. Upon a petition from the state, a circuit court is authorized to add any condition  
18 to a term of probation for an offender supervised in this state for a term of probation ordered by  
19 another state, including shock incarceration; however, the court shall not reduce, extend, or revoke  
20 such a term of probation. The circuit court for the jurisdiction in which a probationer is under  
21 supervision shall serve as the authorizing court for the purposes of this section. The prosecuting  
22 attorney or circuit attorney for the jurisdiction in which a probationer is under supervision shall  
23 serve as the authorized person to petition the court to add a condition of probation. Notwithstanding  
24 any provision of section 549.500 or 559.125, the division of probation and parole may submit  
25 violation reports to the prosecuting attorney or circuit attorney with authority to petition the court to  
26 add a condition to a term of probation under this section.

27 2. If supervision of a parolee in Missouri is administered pursuant to this compact, the  
28 division of probation and parole shall have the authority to impose a sanction or additional  
29 conditions in response to written violations of supervision; however, the division of probation and  
30 parole shall not reduce, extend, or revoke such a term of parole.

31 589.565. A Missouri probationer or parolee seeking transfer of their supervision through  
32 this compact shall pay a fee in the amount of one hundred seventy-five dollars for each transfer  
33 application submitted. The transfer application fee shall be paid to the compact commissioner upon  
34 submission of the transfer application. The commissioner or commissioner's designee may waive  
35 the application fee if either the commissioner or the commissioner's designee finds that payment of  
36 the fee would constitute an undue economic burden on the offender. All fees collected pursuant to  
37 this section shall be paid and deposited to the credit of the "Missouri Interstate Compact Fund",  
38 which is hereby established in the state treasury. The state treasurer shall be custodian of the fund.  
39 In accordance with sections 30.170 and 30.180, the state treasurer may approve disbursements. The

1 fund shall be a dedicated fund and, upon appropriation, moneys in the fund shall be used for the sole  
 2 benefit of the department of corrections in support of administration of this section; expenses related  
 3 to assessment, retaking, staff development, and training; and implementation of evidence-based  
 4 practices in support of offenders under supervision. Notwithstanding the provisions of section  
 5 33.080 to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert  
 6 to the credit of the general revenue fund. The state treasurer shall invest moneys in the fund in the  
 7 same manner as other funds are invested. Any interest and moneys earned on such investments  
 8 shall be credited to the fund.

9  
 10 ~~[217.810. 1. The governor is hereby authorized and directed to enter into~~  
 11 ~~the interstate compact for the supervision of parolees and probationers on behalf of~~  
 12 ~~the state of Missouri with the commonwealth of Puerto Rico, the Virgin Islands,~~  
 13 ~~the District of Columbia and any and all other states of the United States legally~~  
 14 ~~joining therein and pursuant to the provisions of an act of the Congress of the~~  
 15 ~~United States of America granting the consent of Congress to the commonwealth~~  
 16 ~~of Puerto Rico, the Virgin Islands, the District of Columbia and any two or more~~  
 17 ~~states to enter into agreements or compacts for cooperative effort and mutual~~  
 18 ~~assistance in the prevention of crime and for other purposes, which compact shall~~  
 19 ~~have as its objective the permitting of persons placed on probation or released on~~  
 20 ~~parole to reside in any other state signatory to the compact assuming the duties of~~  
 21 ~~visitation and supervision over such probationers and parolees; permitting the~~  
 22 ~~extradition and transportation without interference of prisoners, being retaken,~~  
 23 ~~through any and all states signatory to the compact under such terms, conditions,~~  
 24 ~~rules and regulations, and for such duration as in the opinion of the governor of~~  
 25 ~~this state shall be necessary and proper and in a form substantially as contained in~~  
 26 ~~subsection 2 of this section. The chairman of the board shall administer the~~  
 27 ~~compact for the state.~~

28 ~~2. INTERSTATE COMPACT FOR THE SUPERVISION OF PAROLEES~~  
 29 ~~AND PROBATIONERS~~

30 ~~This compact shall be entered into by and among the contracting states,~~  
 31 ~~signatories hereto, with the consent of the Congress of the United States of~~  
 32 ~~America, granted by an act entitled "An act granting the consent of Congress to~~  
 33 ~~any two or more states to enter into agreements or compacts for cooperative effort~~  
 34 ~~and mutual assistance in the prevention of crime and for other purposes."~~

35 ~~The contracting states solemnly agree:~~

36 ~~(1) That it shall be competent for the duly constituted judicial and~~  
 37 ~~administrative authorities of a state party to this compact (herein called "sending~~  
 38 ~~state") to permit any person convicted of an offense within such state and placed~~  
 39 ~~on probation or released on parole to reside in any other state party to this compact~~  
 40 ~~(herein called "receiving state"), while on probation or parole, if~~

41 ~~(a) Such a person is in fact a resident of or has his family residing within~~  
 42 ~~the receiving state and can obtain employment there;~~

43 ~~(b) Though not a resident of the receiving state and not having his family~~  
 44 ~~residing there, the receiving state consents to such person being sent there.~~

45 ~~Before granting such permission, opportunity shall be granted to the~~  
 46 ~~receiving state to investigate the home and prospective employment of such~~  
 47 ~~person.~~

1 A resident of the receiving state, within the meaning of this section, is one  
 2 who has been an actual inhabitant of such state continuously for more than one  
 3 year prior to his coming to the sending state and has not resided within the sending  
 4 state more than six continuous months immediately preceding the commission of  
 5 the offense for which he has been convicted.

6 ~~(2) The receiving state shall assume the duties of visitation and  
 7 supervision over probationers or parolees of any sending state transferred under  
 8 the compact and will apply the same standards of supervision that prevail for its  
 9 own probationers and parolees.~~

10 ~~(3) That duly accredited officers of a sending state may at all times enter a  
 11 receiving state and there apprehend and retake any person on probation or parole.  
 12 For that purpose no formalities will be required other than establishing the  
 13 authority of the officer and the identity of the person to be retaken. All legal  
 14 requirements to obtain extradition of fugitives from justice are hereby expressly  
 15 waived on the part of states party hereto, as to such persons. The decision of the  
 16 sending state to retake a person on probation or parole shall be conclusive upon  
 17 and not reviewable within the receiving state. Provided, however, that if at the  
 18 time when a state seeks to retake a probationer or parolee there should be pending  
 19 against him within the receiving state any criminal charge, or he should be  
 20 suspected of having committed within such state a criminal offense, he shall not be  
 21 retaken without the consent of the receiving state until discharged from  
 22 prosecution or from imprisonment for such offense.~~

23 ~~(4) That the duly accredited officers of the sending state will be permitted  
 24 to transport prisoners being retaken through any and all states parties to this  
 25 compact, without interference.~~

26 ~~(5) Each state may designate an officer who, acting jointly with like  
 27 officers of other contracting states shall promulgate such rules and regulations as  
 28 may be deemed necessary to more effectively carry out the terms of this compact.~~

29 ~~(6) That this compact shall become operative immediately upon its  
 30 execution by any state as between it and any other state or states so executing.  
 31 When executed it shall have the full force and effect of law within such state, the  
 32 form of execution to be in accordance with the laws of the executing state.~~

33 ~~(7) That this compact shall continue in force and remain binding upon  
 34 each executing state until renounced by it. The duties and obligations hereunder  
 35 of a renouncing state shall continue as to parolees or probationers residing therein  
 36 at the time of withdrawal until retaken or finally discharged by the sending state.  
 37 Renunciation of this compact shall be by the same authority which executed it, by  
 38 sending six months' notice in writing of its intention to withdraw from the compact  
 39 to the other states party hereto.~~

40 ~~3. If any section, sentence, subdivision or clause within subsection 2 of  
 41 this section is for any reason held invalid or to be unconstitutional, such decision  
 42 shall not affect the validity of the remaining provisions of that subsection or this  
 43 section.~~

44 ~~4. All necessary and proper expenses accruing as a result of a person being  
 45 returned to this state by order of a court or the parole board shall be paid by the  
 46 state as provided in section 548.241 or 548.243.]; and~~
