BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

Section 1. Section 27-30-101, MCA, is amended to read:

"27-30-101. Definition of public nuisance. ~~(1) Anything that is injurious to health, indecent or offensive to the senses, or an obstruction to the free use of property, so as to interfere with the comfortable enjoyment of life or property, or that unlawfully obstructs the free passage or use, in the customary manner, of any navigable lake, river, bay, stream, canal, or basin or any public park, square, street, or highway is a nuisance.~~

~~(2) Nothing that is done or maintained under the express authority of a statute may be deemed a public or private nuisance.~~

(1) A public nuisance is:

(a) a condition arising out of the use of real property that unlawfully interferes with a public right by endangering communal safety, being indecent to the community, or being offensive to the community; or

(b) a condition that unlawfully obstructs the public right to free passage or use, in the customary

1 manner, of a navigable lake, river, bay, stream, canal, or basin or a public park, square, street, road, or
 2 highway.

3 (2) The following nonexclusive list of factors may not be considered a public nuisance or be the
 4 basis for a public nuisance cause of action:

5 (a) an action or condition that is lawful;

6 (b) an action or condition that is authorized, approved, licensed, or mandated by statute,
 7 ordinance, regulation, permit, license, order, rule, or other similar measure issued, adopted, promulgated, or
 8 approved by a federal, state, or local governmental entity or agency. This includes conditions or actions that are
 9 subject to an order, notice, or decree issued under 75-10-711 or 75-10-712;

10 (c) noises resulting from the shooting activities at a shooting range during established hours of
 11 operation;

12 (d) spiritual, cultural, or emotional significance associated with a navigable lake, river, bay, stream,
 13 canal, or basin or a public park, square, street, road, or highway;

14 (e) the design, manufacturing, distributing, selling, labeling, or marketing of a product;

15 (f) the aggregation of individual injuries or private rights, including private nuisances; or

16 (g) the design, manufacturing, distributing, selling, labeling, or marketing of firearms, firearm
 17 accessories, or ammunition, as defined in 30-20-301, or components of firearms, firearm accessories, or
 18 ammunition.

19 (3) An agricultural or farming operation, a place, an establishment, or a facility or any of its
 20 appurtenances or the operation of those things is not or does not become a public or private nuisance because
 21 of its normal operation as a result of changed residential or commercial conditions in or around its locality if the
 22 agricultural or farming operation, place, establishment, or facility has been in operation longer than the
 23 complaining resident has been in possession or commercial establishment has been in operation.

24 (4) ~~Noises resulting from the shooting activities at a shooting range during established hours of~~
 25 ~~operation are not considered a public nuisance."~~

26

27 **NEW SECTION. Section 2. Definition of private nuisance.** (1) A private nuisance is a condition
 28 arising out of the use of real property that:

1 (a) is injurious to health or safety, indecent or offensive to the senses of an individual on an
2 adjacent or neighboring property, or

3 (b) obstructs the free use of an adjacent or neighboring property so as to interfere with the
4 comfortable enjoyment of life or property.

5 (2) The following may not be considered a private nuisance or be the basis for a private nuisance
6 cause of action:

7 (a) an action or condition that is authorized, approved, licensed, or mandated by statute,
8 ordinance, regulation, permit, license, order, rule, or other similar measure issued, adopted, promulgated, or
9 approved by a federal, state, or local governmental entity or agency. This includes conditions or actions that are
10 subject to an order, notice, or decree issued under 75-10-711 or 75-10-712; or

11 (b) noises resulting from the shooting activities on a shooting range during established hours of
12 operation.

13 (3) An agricultural or farming operation, a place, an establishment, or a facility or any of its
14 appurtenances or the operation of those things is not or does not become a private nuisance because of its
15 normal operation as a result of changed residential or commercial conditions in or around its locality if the
16 agricultural or farming operation, place, establishment, or facility has been in operation longer than the
17 complaining resident has been in possession or commercial establishment has been in operation.

18

19 **NEW SECTION. Section 3. Preemption.** This chapter abrogates the common law of public nuisance
20 and private nuisance in this state and supersedes any other state statute to the extent there is a conflict.

21

22 **NEW SECTION. Section 4. Liability for a public nuisance.** (1) A person may be liable under a
23 public nuisance cause of action only if that person proximately caused the public nuisance at the time the public
24 nuisance was created, which includes controlling the unlawful activity that proximately caused the public
25 nuisance. Public nuisance is not a strict liability offense.

26 (2) Every successive owner of property who neglects to abate a continuing public nuisance upon
27 or in the use of the property that was created by a former owner is liable for the public nuisance in the same
28 manner as the one who first created it.

1 (3) No lapse of time can legalize a public nuisance amounting to an actual obstruction of public
2 right.

3
4 NEW SECTION. Section 5. Public nuisance actions by government. (1) A public nuisance cause
5 of action is available to a government entity only if the public nuisance is within the jurisdiction of that
6 government entity. Past, current, or future expenditures made by a government entity related to injunction of or
7 any other response to a public nuisance does not itself confer standing to file or maintain a public nuisance
8 action.

9 (2) In a public nuisance action brought by a government entity, the only remedies against a public
10 nuisance are:

- 11 (a) indictment or information as regulated by Titles 45 and 46;
- 12 (b) injunctive relief to enjoin an unlawful activity that is proximately causing a public nuisance; and
- 13 (c) monetary and nonmonetary resources, if quantifiable, that a court determines are reasonably
14 necessary to abate the public nuisance based on relevant and reliable cost factors and established by clear and
15 convincing evidence. All resources provided under this subsection (2) must be spent to abate the public
16 nuisance itself.

17 (3) Remedies available under this section may not include:

- 18 (a) the costs of abating a potential future public nuisance; or
- 19 (b) damages of any kind, including economic, noneconomic, and exemplary damages.

20 (4) For the purposes of this section, the term "government entity" means the state, an agency or a
21 political subdivision of the state, or any other governing authority, including a tribal government.

22
23 NEW SECTION. Section 6. Private cause of action for public nuisance. (1) A public nuisance
24 cause of action is available to a private person only if that person has sustained a special injury proximately
25 caused by the public nuisance and only if the person can show the existence of the special injury by clear and
26 convincing evidence.

27 (2) A special injury is an injury that is different in kind, not just in degree, from an injury sustained
28 by the general public exercising the same public right.

1 (3) Financial expenditures made by a private person related to an injunction of, or any other
2 response to, a public nuisance does not constitute a special injury sufficient to confer standing on the person to
3 file or maintain a public nuisance action.

4 (4) The remedy available to a private person in a public nuisance action is limited solely to
5 compensatory damages for the special injury.

6 (5) The abatement of a public nuisance pursuant to 27-30-204 does not preclude the right of a
7 person to recover compensatory damages under this section.

8 (6) Private persons may not bring a class action for special injuries arising out of a public nuisance.
9

10 **Section 7.** Section 27-30-204, MCA, is amended to read:

11 **"27-30-204. Abatement of public nuisance by ~~public body~~ government entity or officer or**
12 **injured party.** A public nuisance may be abated by ~~any public body~~ a government entity or officer authorized
13 by law. A person may abate a public nuisance that is specially injurious to that person by removing or, if
14 necessary, destroying the thing that constitutes the nuisance, as long as doing so would not constitute without
15 committing a breach of the peace or cause doing unnecessary injury. Nothing in this section alters the remedies
16 to a government entity or private person in a public nuisance cause of action."
17

18 NEW SECTION. **Section 8. Action for private nuisance.** An action for private nuisance may be
19 brought by a person whose property is injuriously affected or whose personal enjoyment of property is lessened
20 by the private nuisance.
21

22 NEW SECTION. **Section 9. Liability for private nuisance.** (1) A person may be liable under a
23 private nuisance cause of action only if that person proximately caused the private nuisance or, if that person is
24 not available for a private nuisance lawsuit or cannot satisfy a private nuisance judgment, the person who owns
25 or controls the real property where the private nuisance exists.

26 (2) Every successive owner or controller of real property who neglects to abate a continuing
27 private nuisance upon or in the use of the property that was created under previous ownership is liable for the
28 private nuisance in the same manner as the one who owned or controlled the real property when the private

1 nuisance was created.

2

3 NEW SECTION. Section 10. Remedies for private nuisances. The remedies against a private
4 nuisance are:

5 (1) injunctive relief to enjoin an activity proximately causing the private nuisance;

6 (2) monetary and nonmonetary resources, if quantifiable, that a court determines are reasonably
7 necessary to abate the private nuisance based on relevant and reliable cost factors and established by clear
8 and convincing evidence. All resources provided under this subsection must be spent to abate the private
9 nuisance itself.

10 (3) damages proximately caused by the private nuisance.

11

12 NEW SECTION. Section 11. Emergency abatement of private nuisance by injured party. A
13 person injured by a private nuisance may abate it by removing or, if necessary, destroying the thing that
14 constitutes the private nuisance so long as doing so would not constitute committing a breach of the peace or
15 cause unnecessary injury. When a private nuisance results from a mere omission of the wrongdoer and cannot
16 be abated without entering upon the wrongdoer's land, reasonable notice must be given to the wrongdoer
17 before entering to abate the private nuisance. Nothing in this section alters the remedies available in a private
18 nuisance cause of action.

19

20 NEW SECTION. Section 12. Repealer. The following sections of the Montana Code Annotated are
21 repealed:

22 27-30-102. Distinction between public and private nuisances.

23 27-30-103. Action for nuisance.

24 27-30-104. Right to recover damages unaffected by abatement.

25 27-30-105. Successive owners liable for nuisance.

26 27-30-201. Public nuisance not legalized by time.

27 27-30-202. Remedies for public nuisances.

28 27-30-203. When private person may maintain action for public nuisance.

1 27-30-301. Remedies for private nuisances.

2 27-30-302. Abatement of private nuisance by injured party.

3

4 NEW SECTION. Section 13. Codification instruction. (1) [Sections 2 and 3] are intended to be
5 codified as an integral part of Title 27, chapter 30, part 1, and the provisions of Title 27, chapter 30, part 1,
6 apply to [sections 2 and 3].

7 (2) [Sections 4 through 6] are intended to be codified as an integral part of Title 27, chapter 30,
8 part 2, and the provisions of Title 27, chapter 30, part 2, apply to [sections 4 through 6].

9 (3) [Sections 8 through 11] are intended to be codified as an integral part of Title 27, chapter 30,
10 part 3, and the provisions of Title 27, chapter 30, part 3, apply to [sections 8 through 11].

11

12 NEW SECTION. Section 14. Applicability -- nonapplicability. (1) [This act] applies to a cause of
13 action that accrues on or after October 1, 2025. A cause of action that accrued prior to October 1, 2025, is
14 governed by the law applicable immediately before October 1, 2025, and that law is continued in effect for that
15 purpose;

16 (2) Nothing in [this act] applies to an action filed by the Montana department of justice within 4
17 years from October 1, 2025.
