12

13 **Section 6.** Section 41-3-423, MCA, is amended to read:

14 **"41-3-423. Reasonable efforts required to prevent removal of child or to return -- exemption --**
15 **findings -- permanency plan.** (1) (a) The department shall make reasonable efforts to prevent the necessity of
16 removal of a child from the child's home and to reunify families that have been separated by the state. The
17 application for a warrant to remove a child from the child's home pursuant to [section 1] does not absolve the
18 department from the duty to make reasonable efforts to prevent the necessity of removal.

19 (b) For the purposes of this subsection (1), the term "reasonable efforts" means the department
20 shall in good faith:

21 (i) conduct a comprehensive assessment of the circumstances of the family, with a focus on safe
22 reunification as the most desirable goal. The assessment must be provided to the parents and to counsel for
23 the parents.

24 (ii) identify appropriate services and help the parents overcome barriers, including actively
25 assisting the parents in obtaining appropriate services;

26 (iii) with parental consent, identify and invite the extended family to participate in providing support

2 and contact and consult with extended family members to provide family structure and support for the child and
3 the parents;

4 (v) offer and employ all available and culturally appropriate family preservation strategies and
5 facilitate the use of remedial and rehabilitative services;

6 (vi) take steps to keep siblings together whenever possible;

7 (vii) support regular visits with parents in the most natural setting possible, as well as trial home
8 visits with the child during any period of removal, consistent with the need to ensure the health, safety, and
9 welfare of the child;

10 (viii) identify community resources, including housing, financial, transportation, mental health,
11 substance abuse, and peer support services, and actively assist the parents or, when appropriate, the child's
12 family in utilizing and accessing the resources;

13 (ix) monitor progress and participation in services; and

14 (x) consider alternative ways to address the needs of the parents and, when appropriate, the
15 family if the optimum services do not exist or are not available.

16 (c) In determining preservation or reunification services to be provided and in making reasonable
17 efforts at providing preservation or reunification services, the child's health and safety are of paramount
18 concern.

19 (2) Except in a proceeding subject to the federal Indian Child Welfare Act [or the Montana Indian
20 Child Welfare Act provided for in Title 41, chapter 3, part 13], the department may, at any time during an abuse
21 and neglect proceeding, make a request for a determination that preservation or reunification services need not
22 be provided. If an indigent parent is not already represented by counsel, the court shall immediately provide for
23 the appointment or assignment of counsel to represent the indigent parent in accordance with the provisions of
24 41-3-425. A court may make a finding that the department need not make reasonable efforts to provide
25 preservation or reunification services if the court finds that the parent has:

26 (a) subjected a child to aggravated circumstances, including but not limited to abandonment,
27 torture, chronic abuse, or sexual abuse or chronic, severe neglect of a child;

28 (b) committed, aided, abetted, attempted, conspired, or solicited deliberate or mitigated deliberate

1 homicide of a child;

2 (c) committed aggravated assault against a child;

3 (d) committed neglect of a child that resulted in serious bodily injury or death; or

4 (e) had parental rights to the child's sibling or other child of the parent involuntarily terminated and
5 the circumstances related to the termination of parental rights are relevant to the parent's ability to adequately
6 care for the child at issue.

7 (3) Preservation or reunification services are not required for a putative father, as defined in 42-2-
8 201, if the court makes a finding that the putative father has failed to do any of the following:

9 (a) contribute to the support of the child for an aggregate period of 1 year, although able to do so;

10 (b) establish a substantial relationship with the child. A substantial relationship is demonstrated by:

11 (i) visiting the child at least monthly when physically and financially able to do so; or

12 (ii) having regular contact with the child or with the person or agency having the care and custody
13 of the child when physically and financially able to do so; and

14 (iii) manifesting an ability and willingness to assume legal and physical custody of the child if the
15 child was not in the physical custody of the other parent.

16 (c) register with the putative father registry pursuant to Title 42, chapter 2, part 2, and the person
17 has not been:

18 (i) adjudicated in Montana to be the father of the child for the purposes of child support; or

19 (ii) recorded on the child's birth certificate as the child's father.

20 (4) A judicial finding that preservation or reunification services are not necessary under this section
21 must be supported by clear and convincing evidence.

22 (5) If the court finds that preservation or reunification services are not necessary pursuant to
23 subsection (2) or (3), a permanency hearing must be held within 30 days of that determination and reasonable
24 efforts, including consideration of both in-state and out-of-state permanent placement options for the child, must
25 be made to place the child in a timely manner in accordance with the permanency plan and to complete
26 whatever steps are necessary to finalize the permanent placement of the child.

27 (6) If reasonable efforts have been made to prevent removal of a child from the home or to return a
28 child to the child's home but continuation of the efforts is determined by the court to be inconsistent with the

1 permanency plan for the child, the department shall make reasonable efforts to place the child in a timely
2 manner in accordance with the permanency plan, including, if appropriate, placement in another state, and to
3 complete whatever steps are necessary to finalize the permanent placement of the child. Reasonable efforts to
4 place a child permanently for adoption or to make an alternative out-of-home permanent placement may be
5 made concurrently with reasonable efforts to return a child to the child's home. Concurrent planning, including
6 identifying in-state and out-of-state placements, may be used.

7 (7) When determining whether the department has made reasonable efforts to prevent the
8 necessity of removal of a child from the child's home or to reunify families that have been separated by the
9 state, the court shall review the services provided by the agency including, if applicable, protective services
10 provided pursuant to 41-3-302. (Bracketed language in subsection (2) terminates June 30, 2025--sec. 55, Ch.
11 716, L. 2023.)"
