AN ACT relating to mental health; expanding the list of persons authorized to file an application for the emergency admission of a person alleged to be a person with mental illness and a petition for the involuntary admission of such a person to certain facilities or programs; expanding the list of persons authorized to complete a certificate stating that certain persons admitted to certain mental health facilities or hospitals are not persons with mental illness; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing law defines “person with mental illness” as a person whose capacity to
2 exercise self-control, judgment and discretion in the conduct of the person’s affairs
3 and social relations or to care for his or her personal needs is diminished, as a result
4 of mental illness, to the extent that the person presents a clear and present danger of
5 harm to himself or herself or others. (NRS 433A.115) Existing law authorizes
6 certain persons to file an application for the emergency admission of a person
7 alleged to be a person with mental illness to certain facilities. (NRS 433A.160)
8 **Section 1** of this bill expands the list of persons who are authorized to file such an
9 application to include a physician assistant.
10 Under existing law, a licensed physician on the medical staff of certain
11 facilities may release a person alleged to be a person with mental illness who has
12 been admitted on an emergency basis if a licensed physician on the medical staff of
13 the facility completes a certificate stating that the person admitted is not a
14 person with a mental illness. (NRS 433A.195) **Sections 2 and 3** of this bill
15 authorize a physician assistant, psychologist, social worker or registered nurse

16 to complete such a certificate while still requiring a licensed physician on the
17 medical staff of the facility to release the person.

18 Existing law authorizes the spouse or a parent, adult child or legal guardian of a
19 person and certain other persons to file a petition for the involuntary court-ordered
20 admission of a person alleged to be a person with mental illness to a mental health
21 facility or to a program of community-based or outpatient services. (NRS
22 433A.200) **Section 4** of this bill further authorizes a physician assistant to file such
23 a petition.
