to local government units that consolidate pursuant to any law, including but not limited to P.L.2007, c.63 (C.40A:65-1 et seq.) and P.L.2009, c.118 (C.54:1-86, et seq.), or to a municipality that is wholly annexed by another municipality pursuant to N.J.S.40A:7-1 et seq., for non-recurring costs that the Director of the Division of Local Government Services, or in the case of a school district consolidation the Commissioner of Education, determines to be necessary to implement such consolidation or annexation, subject to the approval of the Director of the Division of Budget and Accounting; provided, however, that in addition to the amounts hereinabove appropriated, there are appropriated such additional sums as are determined to be necessary for reimbursement of non-recurring costs associated with local government unit consolidations, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for Transitional Aid to Localities shall be allocated to provide short-term financial assistance where needed to help a municipality which is in serious fiscal distress meet immediate budgetary needs and regain financial stability. A municipality shall be deemed to be eligible for transitional aid if it is identified by the Director of the Division of Local Government Services (Director) as experiencing serious fiscal distress where the Director determines that, despite local officials having implemented substantive cost reduction strategies, there continue to exist conditions of serious fiscal distress, which may include but shall not be limited to: substantial structural or accumulated deficits; ongoing reliance on non-recurring revenues; limited ability to raise supplemental non-property tax revenues; extraordinary demands for public safety appropriations; and other factors indicating a constrained ability to raise sufficient revenues to meet budgetary requirements that substantially jeopardizes the fiscal integrity of the municipality. Municipalities seeking transitional aid shall file an application on a form prescribed by the Director, which application, among other things, shall set forth the minimum criteria that must be met in order for an application to be considered by the Director for a determination of eligibility. The Director shall determine whether a municipality which files an application meeting such minimum criteria is in serious fiscal distress, and, if so, what amount of transitional aid should be provided to address the municipality's serious fiscal distress. The transitional aid shall be provided to the municipality subject to the provisions of subsection a. of section 1 of P.L.2011, c. 144 (C.52:27D-118.42a); provided, however, that an amount of Transitional Aid to Localities as determined by the Director of the Division of Local Government Services for a municipality may be deemed to constitute Consolidated Municipal Property Tax Relief Aid in an amount not in excess of the amount of Transitional Aid to Localities such municipality received in the previous fiscal year and shall not reduce the amount of Consolidated Municipal Property Tax Relief Aid such municipality shall receive for the current fiscal year. Provided, however, if the Director of the Division of Local Government Services deems an amount of Transitional Aid to Localities for a municipality as constituting Consolidated Municipal Property Tax Relief Aid pursuant to this provision, that municipality is not relieved from compliance with the requirements for transitional aid.

The amount hereinabove appropriated for Transitional Aid to Localities is subject to the following condition: notwithstanding the provisions of R.S.43:21-14, or any other law or regulation to the contrary, the Commissioner of Labor and Workforce Development, in consultation with the Commissioner of Community Affairs, is authorized to enter into individualized payment plan agreements with municipalities that receive Transitional Aid for the reimbursement of unemployment benefits paid to former employees of such municipal government units, at reasonable interest rates based on current market conditions, and on such other terms and conditions as may be determined to be appropriate by the Commissioner of Labor and Workforce Development. Any municipality that enters into an

individualized payment plan agreement pursuant to this section shall be required to expend all funds budgeted for this activity remaining as of the last day of its budget year for the repayment of outstanding obligations under the plan.

Of the amount hereinabove appropriated for Transitional Aid to Localities, an amount may be allocated by the Director of the Division of Local Government Services to provide short-term financial assistance to a local government unit that is determined by the Director to be experiencing financial distress caused by the destruction or loss of a major local business ratable. For purposes of this paragraph, a "major local business ratable" means one or more related parcels of property owned by a single business entity, classified as commercial or industrial, which comprised the largest assessed valuation of any one or more line items of taxable property in a municipality, or generated an annual PILOT payment in excess of 10% of the total municipal levy, or is otherwise determined by the Director to be of such significance to a municipality that its destruction or loss has resulted in financial distress; provided, however, that notwithstanding the provisions of any law or regulation to the contrary, the Director of the Division of Local Government Services may direct that part of any such allocation be paid to an affected school district or county, or to both, in the same manner as if the award of Transitional Aid were raised as revenue from the municipal tax levy; and provided further that a local government unit determined to be experiencing financial distress because of the loss or destruction of a major local business ratable shall not be required to be subject to any additional conditions, requirements, orders, or other operational efficiency or oversight measures authorized pursuant to P.L.2011, c.144, except as determined to be appropriate by the Director of the Division of Local Government

Notwithstanding the provisions of any law or regulation to the contrary, any qualified municipality, as defined in section 1 of P.L.1978, c.14 (C.52:27D-178) for the previous fiscal year, shall continue to be a qualified municipality thereunder during the current fiscal year.

The amount hereinabove appropriated for Consolidated Municipal Property Tax Relief Aid shall be distributed on the following schedule: on or before August 1, 45% of the total amount due; September 1, 30% of the total amount due; October 1, 15% of the total amount due; November 1, 5% of the total amount due; December 1 for municipalities operating under a calendar fiscal year, 5% of the total amount due; and June 1 for municipalities operating under the State fiscal year, 5% of the total amount due.

Notwithstanding the provisions of any law or regulation to the contrary, from the amounts received from the appropriation to the Consolidated Municipal Property Tax Relief Aid program and received from amounts transferred from Consolidated Municipal Property Tax Relief Aid to the Energy Tax Receipts Property Tax Relief Fund account, each municipality shall be required to distribute to each fire district within its boundaries the amount received by the fire district from the Supplementary Aid for Fire Services program pursuant to the provisions of the fiscal year 1995 annual appropriations act, P.L.1994, c.67, less an amount proportional to reductions in the combined total amount received by the municipality from Consolidated Municipal Property Tax Relief Aid and from the Energy Tax Receipts Property Tax Relief Fund since fiscal year 2008.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for Consolidated Municipal Property Tax Relief Aid shall be distributed in the same amounts, and to the same municipalities that received funding pursuant to the previous fiscal year's annual appropriations act, provided further, however, that from the amount hereinabove appropriated there are transferred to the Energy Tax Receipts Property Tax Relief Fund account such sums as were determined for fiscal year 2003, fiscal year 2006,

fiscal year 2007, fiscal year 2008, fiscal year 2009, fiscal year 2010, fiscal year 2012, fiscal year 2013, fiscal year 2014, and fiscal year 2015 pursuant to subsection e. of section 2 of P.L.1997, c.167 (C.52:27D-439), as amended by P.L.1999, c.168; and except that the amount of Consolidated Municipal Property Tax Relief Aid received by a municipality shall be increased by such amounts of Transitional Aid to Localities deemed to constitute Consolidated Municipal Property Tax Relief Aid by the Director of the Division of Local Government Services in the previous fiscal year.

Notwithstanding the provisions of any law or regulation to the contrary, the Director of the Division of Local Government Services shall take such actions as may be necessary to ensure that proportional amounts of the Consolidated Municipal Property Tax Relief Aid and the amounts transferred from Consolidated Municipal Property Tax Relief Aid to the Energy Tax Receipts Property Tax Relief Fund account appropriated to offset losses from business personal property tax that would have otherwise been used for the support of public schools will be used to reduce the school property tax levy for those affected school districts with the remaining State Aid used as municipal property tax relief. The chief financial officer of the municipality shall pay to the school districts such amounts as may be due by December 31.

Notwithstanding the provisions of any law or regulation to the contrary, the release of the final 5% or \$500, whichever is greater, of the total annual amount due for the current fiscal year from Consolidated Municipal Property Tax Relief Aid to municipalities is subject to the following condition: the municipality shall submit to the Director of the Division of Local Government Services a report describing the municipality's compliance with the "Best Practices Inventory" established by the Director of the Division of Local Government Services and shall receive at least a minimum score on such inventory as determined by the Director of the Division of Local Government Services; provided, however, that the Director may take into account the particular circumstances of a municipality in computing such score. In preparing the Best Practices Inventory, the Director shall identify best municipal practices in the areas of general administration, fiscal management, and operational activities, as well as the particular circumstances of a municipality, in determining the minimum score acceptable for the release of the final 5% or \$500, whichever is greater, of the total annual amount due for the current fiscal year, but in no event shall amounts be withheld with respect to municipal practices occurring prior to the issuance of the Best Practices Inventory unless related to a municipal practice identified in the Best Practices Inventory established in the previous fiscal year.

The Director of the Division of Local Government Services may permit any municipality that received Regional Efficiency Aid Program funds pursuant to the annual appropriations act for fiscal year 2010, P.L.2009, c.68, to use a portion of Consolidated Municipal Property Tax Relief Aid to provide Regional Efficiency Aid Program benefits pursuant to P.L.1999, c.61 (C.54:4-8.76 et seq.).

Notwithstanding the provisions of any law or regulation to the contrary, payments to municipalities in lieu of taxes for lands acquired by the State and non-profit organizations for recreation and conservation purposes shall be provided only to municipalities whose payments received in fiscal year 2010 exceeded \$5,000 and shall be provided at two-thirds of the payment amount provided in fiscal year 2010.

Notwithstanding the provisions of subsection d. of section 29 of P.L.1999, c.152 (C.13:8C-29) or subsection d. of section 30 of P.L.1999, c.152 (C.13:8C-30), or any law or regulation to the contrary, all payments to municipalities in lieu of taxes for lands acquired by the State and non-profit organizations for recreation and conservation purposes shall be retained by the municipality and not apportioned in the same manner as the general tax rate of the municipality.

Notwithstanding the provisions of any law or regulation to the contrary, a district's 2014-2015 31 allocation of the amounts hereinabove appropriated for Equalization Aid, Educational Adequacy Aid, Adjustment Aid, Preschool Education Aid, School Choice Aid, Security Aid, 33 Special Education Categorical Aid, Supplemental Enrollment Growth Aid, Transportation Aid, and Under Adequacy Aid shall be as set forth in the February 25, 2014 State Aid notice 35 issued by the Commissioner of Education, as amended subject to the provisions herein. Notwithstanding the provisions of any other law or regulation to the contrary, the amount 37 hereinabove appropriated for PARCC Readiness shall be allocated to school districts at the rate of \$10 per pupil multiplied by the district's projected enrollment as set forth in the 39 February 25, 2014 State Aid notice issued by the Commissioner of Education. Notwithstanding the provisions of any other law or regulation to the contrary, the amount hereinabove appropriated for Per Pupil Growth Aid shall be allocated to school districts at 41 the rate of \$10 per pupil multiplied by the district's projected enrollment as set forth in the 43 February 25, 2014 State Aid notice issued by the Commissioner of Education. Notwithstanding the provisions of any law or regulation to the contrary, amounts hereinabove 49 appropriated for Preschool Education Aid shall be used for such sums as are necessary: 1) in the case of a district that received Early Launch to Learning Initiative aid in the 2007-2008

school year, an amount equal to the district's 2007-2008 allocation of Early Launch to Learning Initiative aid; 2) in the case of a school district that received a 2008-2009 allocation of Preschool Education Aid based on its 2007-2008 Early Childhood Program Aid allocation, an aid amount equal to the district's 2013-2014 per pupil allocation of Preschool Education Aid multiplied by the district's projected preschool enrollment; and 3) in the case of any other district with an allocation of Preschool Education Aid in the 2013-2014 school year calculated using the provisions of section 12 of P.L.2007, c.260 (C.18A:7F-54), an amount calculated in accordance with those provisions based upon 2014-2015 projected enrollments multiplied by the per pupil allocations as set forth in the February 25, 2014 State Aid notice issued by the Commissioner of Education.

Notwithstanding the provisions of section 20 of P.L.2007, c.260 (C.18A:7F-62) to the contrary, a district allocation of the amount hereinabove appropriated for School Choice Aid shall be determined by multiplying approved enrollment as reported in the Supplemental Choice Enrollment Collection as of January 24, 2014, by the district's Choice Prebudget Year Local Share Per Pupil as indicated on the February 25, 2014 State Aid notice issued by the Commissioner of Education. Approved enrollment shall not exceed the district's maximum funded choice student enrollment as determined by the Commissioner of Education. Where choice enrollment reflected on the October 15, 2013 Application for State School Aid is less than the projected choice enrollment reflected on the fiscal year 2014 State Aid Notice, such districts' 2015 School Choice Aid allocations shall be adjusted to reflect actual pre-budget year enrollment as of October 15, 2013.

Notwithstanding the provisions of any law or regulation to the contrary, amounts hereinabove appropriated for Charter School Aid shall be used for such sums as are necessary: 1) in the case of a charter school with higher enrollment in the 2014-2015 school year than in the 2007-2008 school year, to provide that in the 2014-2015 school year, the charter school receives no less total support from the State and the resident district than the sum of the total 2007-2008 payments from the resident district and the 2007-2008 payments of Charter School Aid and Charter Schools - Council on Local Mandates Aid and to ensure that such total payments provide a 2014-2015 per pupil amount that is no less than the 2007-2008 per pupil amount based on average daily enrollment; 2) in the case of a charter school with lower enrollment in the 2014-2015 school year than in the 2007-2008 school year, to ensure that such total payments provide a 2014-2015 per pupil amount that is no less than the 2007-2008 per pupil amount based on average daily enrollment; and 3) to provide amounts pursuant to section 12 of P.L.1995, c.426 (C.18A:36A-12), where projected special education enrollment, projected speech enrollment, total projected weighted district enrollment, and the district's adequacy budget are equal to the fiscal year 2014 values, respectively.

Notwithstanding the provisions of section 3 of P.L.1971, c.271 (C.18A:46-31), a portion of the district tuition amounts payable to a county special services school district operating an extended school year program may be transferred to the county special services school district prior to the first of September in the event the board shall file a written request with the Commissioner of Education stating the need for the funds. The commissioner shall review the board's request and determine whether to grant the request after an assessment of whether the district needs to spend the funds prior to September and after considering the availability of district surplus. The commissioner shall transfer the payment for the portion of the tuition payable for which need has been demonstrated.

Notwithstanding the provisions of section 1 of P.L.1997, c.53 (C.18A:39-11.1) districts shall not be reimbursed for administrative fees paid to Cooperative Transportation Service Agencies.

For any school district receiving amounts from the amount hereinabove appropriated for Transportation Aid, and notwithstanding the provisions of any law or regulation to the contrary, if the school district is located in a county of the third class or a county of the

1	second class with a population of less than 235,000, according to the 1990 federal decennial

3	going to and from any remote school other than a public school, not operated for profit in
	whole or in part, located within the State not more than 30 miles from the residence of the
5	pupil.
	Notwithstanding the provisions of section 2 of P.L.1981, c.57 (C.18A:39-1a) or any other law or
7	regulation to the contrary, the maximum amount of nonpublic school transportation costs per
	pupil provided for in N.J.S.18A:39-1 shall equal \$884.00.

the several county psychiatric facilities on behalf of the reasonable cost of maintenance of patients deemed to be county indigents shall be at the rate of 125% of the rate established by the Commissioner of Human Services for the period July 1 to December 31 and at the rate of 45% of the rate established by the Commissioner of Human Services for the period January 1 to June 30 such that the total amount to be paid by the State on behalf of county indigent patients for the calendar year shall not exceed 85% of the total reasonable per capita cost; and further provided that the rate at which the State will reimburse the county psychiatric hospitals shall not exceed 100% of the per capita rate at which each county pays to the State for the reasonable cost of maintenance and clothing of each patient residing in a State psychiatric facility, excluding the depreciation, interest and carry-forward adjustment components of this rate, and including the depreciation, interest, and carry-forward adjustment components of each individual county psychiatric hospital's rate established for the period January 1 to December 31 by the Commissioner of Human Services. The initial determination of whether a county hospital rate exceeds the per capita rate that counties pay to the State on behalf of applicable patients residing in a State psychiatric facility will be based on a comparison of estimated cost used to set reimbursement rates for the upcoming calendar year. A second comparison of the actual per diem costs of the county psychiatric hospital and State psychiatric hospitals will be completed after actual cost reports for the period are available including an inflationary adjustment for the six-month difference in fiscal reporting periods between State and county hospitals. The county hospital carry-forward adjustment to be included in rates paid by the State will exclude costs found to exceed 100% of the actual cost rate of the State psychiatric facilities.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals is conditioned upon the following provision: payments to county psychiatric hospitals will only be made after receipt of their claims by the Division of Mental Health and Addiction Services. County psychiatric hospitals shall submit such claims no less frequently than quarterly and within 15 days of the close of each quarter.

With the exception of all past, present, and future revenues representing federal financial participation received by the State from the United States that is based on payments to hospitals that serve a disproportionate share of low-income patients, which shall be retained by the State, the sharing of revenues received to defray the State Aid appropriation for the costs of maintaining patients in State and county psychiatric hospitals shall be based on the same percent as costs are shared between the State and counties.

The amount hereinabove appropriated for State Aid reimbursement payments for maintenance of patients in county psychiatric facilities shall be limited to inpatient services only, except that such reimbursement shall be paid to a county for outpatient and partial hospitalization services as defined by the Department of Human Services, if outpatient and/or partial hospitalization services had been previously provided at the county psychiatric facility prior to January 1, 1998. These outpatient and partial hospitalization payments shall not exceed the amount of State Aid funds paid to reimburse outpatient and partial hospitalization services provided during calendar year 1997. In addition, any revision or expansion to the number of inpatient beds or inpatient services provided at such hospitals which will have a material impact on the amount of State Aid payments made for such services, must first be approved by the Department of Human Services before such change is implemented.

The amount hereinabove appropriated for the Division of Mental Health and Addiction Services for State facility operations and the amount appropriated as State Aid for the costs of county facility operations are first charged to the federal Disproportionate Share Hospital (DSH) reimbursements anticipated as Medicaid uncompensated care. Accordingly, DSH revenues earned by the State related to services provided by county psychiatric hospitals which are

supported through this State Aid appropriation shall be considered as the first source supporting the State Aid appropriation.

In addition to the amounts hereinabove appropriated for the Support of Patients in County Psychiatric Hospitals, in the event that the Assistant Commissioner of the Division of Mental Health and Addiction Services determines that, in order to provide the least restrictive setting appropriate, a patient should be admitted to a county psychiatric hospital in a county other than the one in which the patient is domiciled rather than to a State psychiatric hospital, there are hereby appropriated such additional sums as may be required, as determined by the Assistant Commissioner to reimburse a county for the extra costs, if any, which were incurred in connection with the care of such patient in a county psychiatric hospital which exceeded the cost of care which would have been incurred had the patient been placed in a State psychiatric hospital, subject to the approval of the Director of the Division of Budget and Accounting.

The amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals is conditioned upon the following provisions: County psychiatric hospitals shall: (1) enroll and continue to maintain enrollment as providers in the State's Medicaid program; (2) complete or pursue in good faith the completion of eligibility applications for patients who could be Medicaid eligible; (3) bill the Medicaid program for all applicable services; and (4) neither admit nor discharge patients based upon Medicaid eligibility.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals is conditioned upon the county psychiatric hospitals providing and certifying all information that is required by the State, in the form specified by the Division of Mental Health and Addiction Services, to prepare a complete, accurate, and timely claim to federal authorities for Medicaid Disproportionate Share (DSH) claim revenues.

Notwithstanding the provisions of R.S.30:4-78, or any other law or regulation to the contrary, the amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals is conditioned upon the following provisions: for rates effective January 1, 2013, and any prior year rate adjustments that may be required beginning January 1, 2013, the approval of the State House Commission shall not be required for the setting of such rates and the Commissioner of Human Services shall set the per capita cost rates to be paid by the State to the several counties on behalf of the reasonable cost of maintenance of State and county patients in any county psychiatric facility, including outpatient psychiatric services, the per capita rates which each county shall pay to the Treasurer for the reasonable cost of maintenance and clothing of each patient residing in a State psychiatric facility having a legal settlement in such county ("County Patients"), the rates to be paid for the reasonable cost of maintenance and clothing of the convict and criminal mentally ill in any State psychiatric facility and the cost of maintenance of County Patients residing in State developmental centers or receiving other residential functional services for the developmentally disabled. Such rates will be fixed no later than October 1 of each calendar year. Notice of such rates shall be provided by the Commissioner of Human Services to the clerk of the respective boards of chosen freeholders.

In the event that the Division of Mental Health and Addiction Services is notified that a county psychiatric hospital will cease operations for the current fiscal year, or any portion thereof, in order to assure continuity of care for patients who otherwise would have been served by the county hospital, as well as to preserve patient and public safety, the Division shall have the authority to transfer funds from the Support of Patients in County Psychiatric Hospitals account to Direct State Services and Grants-In-Aid accounts in the Division of Mental Health and Addiction Services, for the fiscal year, subject to a plan approved by the Director of the Division of Budget and Accounting.

Additional federal Title XIX revenue generated from the claiming of uncompensated care payments made to disproportionate share hospitals shall be deposited into the General Fund 31 as anticipated revenue. 33 Notwithstanding the provisions of any law or regulation to the contrary, all past, present, and future revenues representing federal financial participation received by the State from the United States and that are based on payments made by the State to hospitals that serve a 35 disproportionate share of low-income patients shall be deposited into the General Fund and 37 may be expended only upon appropriation by law. Notwithstanding the provisions of any law or regulation to the contrary, all revenues received 39 from health maintenance organizations shall be deposited into the General Fund. The amounts hereinabove appropriated for Personal Services are conditioned upon the 41 Department of Human Services working collaboratively with the various county corrections agencies to promote the proper enrollment in the Medicaid program of all eligible inmates 43 requiring medical services. The department shall provide guidance to the county corrections agencies on this subject and, upon request, shall provide such additional assistance as may 45 be necessary to support the counties in ensuring that all eligible Medicaid reimbursements are properly claimed consistent with federal law. 47

3	(C.30:4D-20 et seq.) during the preceding fiscal year are appropriated for payments to
5	providers in the same program class from which the recovery originated. Notwithstanding the provisions of any law or regulation to the contrary, a sufficient portion of
3	receipts generated or savings realized in the Medical Services for the Aged or Pharmaceutical
7	Assistance to the Aged and Disabled Grants-In-Aid accounts from initiatives included in the
,	current fiscal year appropriations act may be transferred to administration accounts to fund
9	costs incurred in realizing these additional receipts or savings, subject to the approval of the
	Director of the Division of Budget and Accounting.
11	Subject to federal approval, the appropriations for those programs within the Medical Services
	for the Aged program classification are conditioned upon the Department of Human Services
13	implementing policies that would limit the ability of persons who have the financial ability
	to provide for their own long-term care needs to manipulate current Medicaid rules to avoid
15	payment for that care. The Division of Medical Assistance and Health Services and the
	Division of Aging Services shall require, in the case of a married individual requiring
17	long-term care services, that the portion of the couple's resources which are not protected for
	the needs of the community spouse be used solely for the purchase of long-term care services.
19	Such amounts as may be necessary are hereinabove appropriated from enhanced audit recoveries
	obtained by the Department of Human Services to fund the costs of enhanced audit recovery
21	efforts of the Department within the Medical Services for the Aged program classification,
	subject to the approval of the Director of the Division of Budget and Accounting.
23	The amounts hereinabove appropriated for Payments for Medical Assistance Recipients - Nursing
	Homes are available for the payment of obligations applicable to prior fiscal years.
25	Such amounts as may be necessary are hereinabove appropriated from the General Fund for the
	payment of increased nursing home rates to reflect the costs incurred due to the payment of
27	a nursing home provider assessment, pursuant to the "Nursing Home Quality of Care
	Improvement Fund Act," P.L.2003, c.105 (C.26:2H-92 et seq.), and P.L.2004, c.41, subject
29	to the approval of the Director of the Division of Budget and Accounting.
2.4	Notwithstanding the provisions of N.J.A.C.8:85 or any other law or regulation to the contrary and
31	subject to any required federal approval, the amounts hereinabove appropriated for Payments
22	for Medical Assistance Recipients - Nursing Homes and for Managed Long Term Services
33	and Supports are subject to the following conditions: (1) each nursing facility that is being
25	paid on a fee-for-service basis shall receive a Fiscal Year 2015 per diem reimbursement rate
35	that is obtained by adjusting the calculation of the rate received on June 30, 2014 to incorporate an additional \$8,500,000 in State and \$8,500,000 in federal appropriations above
37	the total gross Fiscal Year 2014 appropriations used to calculate the June 30, 2014 rate,
31	provided that the rate setting methodology, parameters, and data used to calculate the Fiscal
39	Year 2015 per diem reimbursement rate shall be otherwise identical to the rate setting
	methodology, parameters, and data used to calculate the June 30,2014 rate_and provided,
41	further, that the Fiscal Year 2015 per diem reimbursment rate shall not be less than the per
	diem rate received by that facility on June 30,2014; (2) nursing facilities that are being paid
43	by a Managed Care Organization (MCO) for custodial care through a provider contract that
	includes a negotiated rate shall receive that negotiated rate; (3) any Class I (private) that is
45	being paid by an MCO for custodial care through a provider contract but has not yet
	negotiated a rate shall receive the same per diem reimbursement rate as it received on June
47	30, 2014, as adjusted for the incorporation of the additional \$17,000,000 in State and federal
	appropriations, and any Class II (county) nursing facility that is being paid by an MCO but
49	has not yet negotiated a rate shall receive the per diem reimbursement rate it would have
	received on June 30, 2014, as adjusted for the incorporation of the additional \$17,000,000
51	in State and federal appropriations, had it been a Class I nursing facility; (4) monies

108

1	designated pursuant to subsection c. of section 6 of P.L.2003, c.105 (C.26:2H-97) for distribution to nursing facilities, less the portion of those funds to be paid as pass-through
3	payments in accordance with paragraph (1) of subsection d. of section 6 of P.L.2003, c.105
5	(C.26:2H-97), shall be combined with amounts hereinabove appropriated for Payments for Medical Assistance Recipients - Nursing Homes for the purpose of calculating Medicaid
7	reimbursements for nursing facilities; and (5) any Class III (special care) nursing facility that is being paid by an MCO for custodial care through a provider contract but has not yet
9	negotiated a rate shall receive the same per diem reimbursement rate as it received on June 30, 2014, which per diem reimbursement rate shall be adjusted on January 1, 2015 such that
	an additional \$2,450,000 in State and \$2,450,000 in federal appropriations shall be allocated
11	to Class III nursing facilities during the fiscal year. For the purposes of this paragraph, a nursing facility's per diem reimbursement rate or negotiated rate shall not include, if the
13	nursing facility is eligible for reimbursement, the difference between the full calculated provider tax add-on and the quality-of-care portion of the provider tax add-on, which
15	difference shall be payable as an allowable cost pursuant to section 6 of P.L.2003, c.105 (C.26:2H-97(d)). Provided, further, that on or before September 15, 2014, the Department
17	shall calculate and disseminate to the MCOs the amount of the add-on payable during the year starting October 1, 2014 as an allowable cost, as well as the list of nursing facilities that
19	will receive this add-on, and the MCOs shall adjust the rates paid to nursing facilities accordingly; the add-ons calculated for FY 2014 shall be applied from July 1, 2014, through
21	September 30, 2014 and the first add-on shall be applied to fee-for-service per diem reimbursement rates effective October 1, 2014
23	Notwithstanding the provisions of any law or regulation to the contrary, as a condition of receipt of any Medicaid payments a nursing home shall provide to the Commissioner of Human
25	Services information on the facility's finances comparable to the information provided by hospitals to the Department of Health pursuant to N.J.A.C.8:31B-3.1 et seq. and

29	Notwithstanding the provisions of any law or regulation to the contrary, no payment for Medicaid
	Adult or Pediatric Medical Day Care services, as hereinabove appropriated in the Medical
31	Day Care Services account, shall be provided unless the services are prior authorized by professional staff designated by the Department of Human Services.
33	Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove
	appropriated for Medical Day Care Services shall be conditioned upon the following
35	provision: the fee-for-service per diem reimbursement rate for adult Medical Day Care providers shall be set at \$78.50.
37	Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove appropriated for Medical Day Care Services shall be conditioned on the following provision:
39	physical therapy, occupational therapy and speech therapy shall no longer serve as a permissible criteria for eligibility in the adult Medical Day Care Program.
41	Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove appropriated for Medical Day Care Services shall be conditioned on the following provision:
43	effective August 15, 2010, no payments for Medicaid adult medical day care services shall be provided on behalf of any beneficiary who received prior authorization for these services
45	based exclusively on the need for medication administration. Notwithstanding the provisions of chapter 87 of Title 8 of the New Jersey Administrative Code
47	or any other law or regulation to the contrary, the amounts hereinabove appropriated for Medical Day Care Services shall be subject to the following condition: the daily
49	reimbursement for fee-for-service pediatric medical day care shall remain at the rate established in the preceding fiscal year.

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated

1	in the Pharmaceutical Assistance to the Aged and Disabled program classification and the Senior Gold Prescription Discount Program account shall be expended for fee-for-service
3	prescription drug claims with no Medicare Part D coverage except under the following conditions: (1) the maximum allowable cost for legend and non-legend drugs shall be
5	calculated based on the lowest of (i) the Estimated Acquisition Cost (EAC), defined as a
	drug's Wholesale Acquisition Cost less a volume discount of one (1) percent; (ii) the federal
7	upper limit (FUL); or (iii) the State upper limit (SUL); and (iv) cost acquisition data submitted by providers of pharmaceutical services for single-source or brand-name
9	multi-source drugs where an alternative pricing benchmark is not available; (2) pharmacy
	reimbursement for legend and non-legend drugs shall be calculated based on the (i) the
11	lowest of the EAC, FUL, or SUL plus a dispensing fee of \$3.73 to \$3.99; or a provider's

	single-source and brand-name multi-source legend and non-legend drug costs where an
17	alternative pricing benchmark is not available, which is intended to be budget neutral, the
	Department of Human Services shall mandate ongoing submission of current drug acquisition
19	data by providers, of pharmaceutical services. No funds hereinabove appropriated shall be
	paid to any entity that fails to submit required data.
21	The amounts hereinabove appropriated for payments for the Pharmaceutical Assistance to the
	Aged and Disabled program, P.L.1975, c.194 (C.30:4D-20 et seq.), the Senior Gold
23	Prescription Discount Program, P.L.2001, c.96 (C.30:4D-43 et seq.), and Community Based
	Senior Programs are available for the payment of obligations applicable to prior fiscal years.

27	Program, P.L.2001, c.96 (C.30:4D-43 et seq.), shall be the last resource benefits,
	notwithstanding any provisions contained in contracts, wills, agreements, or other
29	instruments. Any provision in a contract of insurance, will, trust agreement, or other
	instrument which reduces or excludes coverage or payment to an individual because of that
31	individual's eligibility for, or receipt of, PAAD or Senior Gold Prescription Discount
	Program benefits shall be void, and no PAAD and Senior Gold Prescription Discount
33	Program payments shall be made as a result of any such provision.
	Of the amount hereinabove appropriated in the Pharmaceutical Assistance to the Aged and
35	Disabled - Claims program, notwithstanding the provisions of section 3 of P.L.1975, c.194
	(C.30:4D-22) or any law or regulation to the contrary, the copayment in the Pharmaceutical
37	Assistance to the Aged and Disabled program shall be \$5 for generic drugs and \$7 for brand
	name drugs.
39	Notwithstanding the provisions of any law or regulation to the contrary, subject to the approval
	of a plan by the Commissioner of Human Services, no funds appropriated for the

43	pursuant to P.L.2001, c.96 (C.30:4D-43 et seq.), shall be expended, when PAAD or Senior
	Gold is the primary payer, unless participating pharmaceutical manufacturing companies
45	execute contracts with the Department of Human Services. Name brand manufacturers must
	provide for the payment of rebates to the State on the same basis as provided for in
47	subsections (a) through (c) of section 1927 of the federal Social Security Act, 42 U.S.C.
	s.1396r-8.
49	Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated
	for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to

P.L.1975, c.194 (C.30:4D-20 et seq.), and the Senior Gold Prescription Discount Program,

1 pursuant to P.L.2001, c.96 (C.30:4D-43 et seq.), shall be expended unless participating pharmaceutical manufacturing companies execute contracts with the Department of Human 3 Services, providing for the payment of rebates to the State. Furthermore, rebates from pharmaceutical manufacturing companies for prescriptions purchased by the PAAD program and the Senior Gold Prescription Discount Program shall continue during the current fiscal 5 year, provided that the manufacturer's rebates for PAAD claims paid as secondary to 7 Medicare Part D and for the Senior Gold Prescription Discount Program shall apply only to the amount paid by the State under the PAAD and Senior Gold Prescription Discount 9 Program. All revenues from such rebates during the current fiscal year are appropriated for the PAAD program and the Senior Gold Prescription Discount Program. 11 In addition to the amount hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled and the Senior Gold Prescription Discount programs, there are 13 appropriated from the General Fund and available federal matching funds such additional amounts as may be required for the payment of claims, credits, and rebates, subject to the 15 approval of the Director of the Division of Budget and Accounting. The mail-order program may waive, 23 discount, or rebate the beneficiary copayment and mail-order pharmacy providers may dispense up to a 90-day supply on prescription refills with the voluntary participation of the 25 beneficiary, subject to the approval of the Commissioner of Human Services and the Director of the Division of Budget and Accounting. The PAAD program benefit and reimbursement shall only be available to cover the beneficiary cost share to in-network pharmacies and for 35 deductible and coverage gap costs (as determined by the Commissioner of Human Services) associated with enrollment in Medicare Part D for beneficiaries of the PAAD and Senior 37 Gold Prescription Discount programs, and for Medicare Part D premium costs for PAAD beneficiaries. 39 Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated in the Pharmaceutical Assistance to the Aged or Pharmaceutical Assistance to the Aged and 41 Disabled (PAAD) program and Senior Gold Prescription Discount Program accounts shall be available as payment as a PAAD program or Senior Gold Prescription Discount Program 43 benefit to any pharmacy that is not enrolled as a participating pharmacy in a pharmacy network under Medicare Part D. 45 Consistent with the requirements of the federal "Medicare Prescription Drug, Improvement, and Modernization Act of 2003" and the current federal prohibition against State automatic 47 enrollment of Pharmaceutical Assistance to the Aged and Pharmaceutical Assistance to the Aged and Disabled (PAAD) program and Senior Gold Prescription Discount Program 49 recipients, no funds hereinabove appropriated to the PAAD program or Senior Gold Prescription Discount Program accounts shall be expended for any individual unless the 51 individual enrolled in the PAAD program or Senior Gold Prescription Discount Program

5	appropriated for the Pharmaceutical Assistance to the Aged and Pharmaceutical Assistance to the Aged and Disabled (PAAD) programs, and Senior Gold Prescription Discount Program
7	shall be conditioned upon the following provision: no funds shall be appropriated for the refilling of a prescription drug when paid by PAAD or the Senior Gold Prescription Discount
9	Program as the primary payer until such time as the original prescription is 85% finished. Notwithstanding the provisions of any law or regulation to the contrary, in order to maximize
11	drug coverage under Medicare Part D, the appropriation for the Senior Gold Prescription Discount Program is conditioned on the Senior Gold Prescription Discount Program being
13	designated the authorized representative for the purpose of coordinating benefits with the Medicare drug program, including appeals of coverage determinations. The Senior Gold
15	Prescription Discount Program is authorized to represent program beneficiaries in the pursuit of such coverage. Senior Gold Prescription Discount Program representation shall include,
17	but not be limited to, the following actions: pursuit of appeals, grievances, and coverage determinations.
19	Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
21	or the Senior Gold Prescription Discount Program shall be expended to cover medications not on the formulary of a PAAD program or Senior Gold Prescription Discount Program
23	beneficiary's Medicare Part D plan. This exclusion shall not apply to those drugs covered by the PAAD program and Senior Gold Prescription Discount Program which are specifically

27	Improvement, and Modernization Act of 2003 (MMA), to appeal the medical necessity of coverage for drugs not on the formulary of a Medicare Part D plan.
29	Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
31	or the Senior Gold Prescription Discount Program shall be expended for diabetic testing materials and supplies which are covered under the federal Medicare Part B program, or for

39	subject to the approval of the Director of the Division of Budget and Accounting. Notwithstanding the provisions of any law or regulation to the contrary, all financial recoveries
41	obtained through the efforts of any entity authorized to undertake the prevention and detection of Medicaid fraud, waste, and abuse, are appropriated to Medical Services for the

45	part of Community Based Senior Programs, and Managed Long Term Services and Supports within the Medical Services for the Aged program classification, amounts may be transferred
47	between Direct State Services and Grants-In-Aid accounts, subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the
49	Legislative Budget and Finance Officer on the effective date of the approved transfer. In order to permit flexibility in implementing the ElderCare Advisory Commission Initiatives,
51	hereinabove appropriated as part of Community Based Senior Programs within the Programs

1	for the Aged program classification, amounts may be transferred between Direct State Services and Grants-In-Aid accounts, subject to the approval of the Director of the Division
3	of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and

7	appropriated from the Community Based Senior Programs account for the Alzheimer's Medical Day Care Program are conditioned upon that program being administered in the same manner and with the same payment rates as were in effect during Fiscal Year 2013.
9	Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove appropriated for Payments for Medical Assistance Recipients - Nursing Homes are subject
11	to the following condition: nursing facilities shall not receive payments for bed hold or therapeutic leave days for Medicaid beneficiaries; provided that nursing facilities shall
13	continue to reserve beds for Medicaid beneficiaries who are hospitalized or on therapeutic leave as required by N.J.A.C.8:85-1.14.
15	Notwithstanding any other law or regulation to the contrary, of the amounts hereinabove appropriated for Managed Long Term Services and Supports, assisted living facilities,
17	comprehensive personal care homes and assisted living programs shall receive a per diem rate, respectively, of no less than \$72.50, \$62.50, and \$52.50 as reimbursement for each
19	Medicaid beneficiary under their care.
21	As a condition upon the appropriation hereinabove for Managed Long Term Services and Supports, the Commissioner shall issue quarterly reports on enrollment, State and federal expenditures, access to care and measures of care quality.
23	expenditures, access to care and measures of care quarty.
25

29	appropriated from the Casino Revenue Fund and available federal matching funds such additional amounts as may be required for the payment of claims, credits, and rebates, subject to the approval of the Director of the Division of Budget and Accounting.
31	All funds recovered under P.L.1968, c.413 (C.30:4D-1 et seq.) and P.L.1975, c.194 (C.30:4D-20 et seq.), during the current fiscal year are appropriated for payments to providers in the same
33	program class from which the recovery originated.
35	For the purposes of account balance maintenance, all object accounts in the Medical Services for the Aged program classification shall be considered as one object. This will allow timely payment of claims to providers of medical services, but ensure that no overspending will
37	occur in the program classification. Notwithstanding the provisions of any law or regulation to the contrary, a sufficient portion of
39	receipts generated or savings realized in Casino Revenue Fund, Medical Services for the Aged, or Pharmaceutical Assistance to the Aged and Disabled Grants-In-Aid accounts from
41	initiatives included in the current fiscal year's annual appropriations act may be transferred to administration accounts to fund costs incurred in realizing these additional receipts or
43	savings, subject to the approval of the Director of the Division of Budget and Accounting. The amounts hereinabove appropriated for payments for the Pharmaceutical Assistance to the
45	Aged and Disabled program, P.L.1975, c.194 (C.30:4D-20 et seq.), and Community Based Senior Programs are available for the payment of obligations applicable to prior fiscal years.

49	notwithstanding any provision contained in contracts, wills, agreements, or other instruments. Any provision in a contract of insurance, will, trust agreement, or other instrument which
51	reduces or excludes coverage or payment to an individual because of that individual's

1 eligibility for or receipt of PAAD benefits shall be void, and no PAAD payments shall be made as a result of any such provision. 3 Of the amount hereinabove appropriated in the Pharmaceutical Assistance to the Aged and Disabled - Claims program, notwithstanding the provisions of section 3 of P.L.1975, c.194 (C.30:4D-22) or any law or regulation to the contrary, the copayment in the Pharmaceutical 5 Assistance to the Aged and Disabled program shall be \$5 for generic drugs and \$7 for brand 7 name drugs. All revenues from such rebates during the current fiscal year are appropriated for the PAAD program. 25 Notwithstanding the provisions of any law or regulation to the contrary, the appropriations for the Pharmaceutical Assistance to the Aged and Disabled program are conditioned upon the 27 Department of Human Services coordinating benefits with any voluntary prescription drug 29 mail-order or specialty pharmacy in a Medicare Part D provider network or private third party liability plan network for beneficiaries enrolled in a Medicare Part D program or beneficiaries with primary prescription coverage that requires use of mail order. The 31 mail-order program may waive, discount, or rebate the beneficiary copayment and mail-order 33 pharmacy providers may dispense up to a 90-day supply on prescription refills with the voluntary participation of the beneficiary, subject to the approval of the Commissioner of 35 Human Services and the Director of the Division of Budget and Accounting. Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove 37 appropriated to the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program is conditioned upon the Department of Human Services coordinating the benefits of the 39 PAAD program with the prescription drug benefits of the federal "Medicare Prescription Drug, Improvement, and Modernization Act of 2003" as the primary payer due to the current 41 federal prohibition against State automatic enrollment of PAAD program recipients in the federal program. The PAAD program benefit and reimbursement shall only be available to 43 cover the beneficiary cost share to in-network pharmacies and for deductible and coverage gap costs (as determined by the Commissioner of Human Services) associated with 45 enrollment in Medicare Part D for beneficiaries of the PAAD and the Senior Gold Prescription Discount Program, and for Medicare Part D premium costs for PAAD program 47 beneficiaries. Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove 15 appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program shall be expended to cover medications not on the formulary of a PAAD program 17 beneficiary's Medicare Part D plan. This exclusion shall not apply to those drugs covered by PAAD which are specifically excluded by the federal Medicare Prescription Drug Program. In addition, this exclusion shall not impact the beneficiary's rights, guaranteed by the 19 "Medicare Prescription Drug, Improvement, and Modernization Act of 2003" (MMA), to 21 appeal the medical necessity of coverage for drugs not on the formulary of a Medicare Part D plan. 23 Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program 25 shall be expended for diabetic testing materials and supplies which are covered under the federal Medicare Part B program, or for vitamins, cough/cold medications, drugs used for the 27 treatment of erectile dysfunction, or cosmetic drugs, including but not limited to: drugs used for baldness, weight loss, and skin conditions. 29 Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated in the Pharmaceutical Assistance to the Aged and Disabled program classification shall be 31 expended for fee-for-service prescription drug claims with no Medicare Part D coverage except under the following conditions: (1) the maximum allowable cost for legend and non-legend drugs shall be calculated based on the lowest of (i) the Estimated Acquisition 33 Cost (EAC), defined as a drug's Wholesale Acquisition Cost less a volume discount of one 35 percent; (ii) the federal upper limit (FUL); or (iii) the State upper limit (SUL); and (iv) cost acquisition data submitted by providers of pharmaceutical services for single-source or 37 brand-name multi-source drugs where an alternative pricing benchmark is not available; (2) pharmacy reimbursement for legend and non-legend drugs shall be calculated based on the 39 (i) the lowest of the EAC, FUL or SUL plus a dispensing fee of \$3.73 to \$3.99; or a provider's usual and customary charge; or (ii) the lower of cost acquisition data submitted 41 by providers of pharmaceutical services for single-source or brand-name multi-source drugs, where an alternative pricing benchmark is not available, plus a professional fee; or a 43 provider's usual and customary charge. To effectuate the calculation of SUL rates and/or the calculation of single-source and brand-name multi-source legend and non-legend drug costs 45 where an alternative pricing benchmark is not available, which is intended to be budget neutral, the Department of Human Services shall mandate ongoing submission of current 47 drug acquisition data by providers, of pharmaceutical services. No funds hereinabove appropriated shall be paid to any entity that fails to submit required data. 49 Notwithstanding the provisions of any law or regulation to the contrary, of the amount hereinabove appropriated for the Community Based Senior Programs (CRF) account, 51 \$300,000 shall be charged to the Casino Simulcasting Fund.
