17 involves the possession, use, sale, or delivery of alcohol or a controlled substance, the court shall
18 require the juvenile to be tested for the use of controlled substances or alcohol within 30 days of
19 the adjudication. In the case of any juvenile adjudicated delinquent, the court may, if it deems it
20 necessary, require the juvenile to be tested for the use of controlled substances or alcohol. The
21 results of these initial tests conducted pursuant to this subsection shall be used for evaluation and

23 shall also consider whether it is in the juvenile's best interest to remain in the juvenile's
24 community of residence.

25 (a2) In the case of a juvenile with a suspected mental illness or developmental disability
26 that has been adjudicated delinquent, the court shall order a comprehensive clinical assessment

34 a developmental disability, as defined in G.S. 122C-3(12a), that, in the court's discretion,
