1 A BILL TO BE ENTITLED  
2 AN ACT TO ENACT THE SECOND AMENDMENT PROTECTION ACT.  
3 The General Assembly of North Carolina enacts:

4 **SECTION 1.** This act shall be known as "The Second Amendment Protection Act."

5 **SECTION 2.** Article 53B of Chapter 14 of the General Statutes is amended by adding  
6 a new section to read:

7 "**§ 14-409.44. Prohibition on enforcing federal firearms laws.**

8 (a) Findings. – The General Assembly finds all of the following:

9 (1) The General Assembly is firmly resolved to support and defend the United  
10 States Constitution against every aggression, whether foreign or domestic, and  
11 is duty-bound to oppose every infraction of those principles that constitute the  
12 basis of the union of the states because only a faithful observance of those  
13 principles can secure the union's existence and the public happiness.

14 (2) Acting through the United States Constitution, the people of the several states  
15 created the federal government to be their agent in the exercise of a few  
16 defined powers, while reserving for the state governments the power to  
17 legislate on matters concerning the lives, liberties, and properties of citizens  
18 in the ordinary course of affairs.

19 (3) The limitation of the federal government's power is affirmed under the Tenth  
20 Amendment to the United States Constitution, which defines the total scope  
21 of federal powers as being those which have been delegated by the people of  
22 the several states to the federal government, and all powers not delegated to  
23 the federal government in the United States Constitution are reserved to the  
24 states respectively or the people themselves.

25 (4) If the federal government assumes powers that the people did not grant it in  
26 the United States Constitution, its acts are unauthoritative and of no force.

27 (5) The several states of the United States respect the proper role of the federal  
28 government but reject the proposition that such respect requires unlimited  
29 submission.

30 (6) If the federal government, created by a compact among the states, were the  
31 exclusive or final judge of the extent of the powers granted to it by the states  
32 through the United States Constitution, the federal government's discretion,  
33 and not the United States Constitution, would necessarily become the measure  
34 of those powers. To the contrary, as in all other cases of compacts among  
35 powers having no common judge, each party has an equal right to judge for

1 itself as to whether infractions of the compact have occurred, as well as to  
2 determine the mode and measure of redress. Although the several states have  
3 granted supremacy to laws and treaties made under the powers granted in the  
4 United States Constitution, such supremacy does not extend to various federal  
5 statutes, executive orders, administrative orders, court orders, rules,  
6 regulations, or other actions that collect data or restrict or prohibit the  
7 manufacture, ownership, and use of firearms, firearm accessories, or  
8 ammunition exclusively within the borders of North Carolina; such statutes,  
9 executive orders, administrative orders, court orders, rules, regulations, and  
10 other actions exceed the powers granted to the federal government except to  
11 the extent they are necessary and proper for governing and regulating the  
12 United States Armed Forces or for organizing, arming, and disciplining militia  
13 forces actively employed in the service of the United States Armed Forces.

14 (7) The people of the several states have given Congress the power "to regulate  
15 commerce with foreign nations, and among the several states," but "regulating  
16 commerce" does not include the power to limit citizens' right to keep and bear  
17 arms in defense of their families, neighbors, persons, or property nor to dictate  
18 what sort of arms and accessories law-abiding citizens may buy, sell,  
19 exchange, or otherwise possess within the borders of this State.

20 (8) The people of the several states also have granted Congress the power "to lay  
21 and collect taxes, duties, imports, and excises, to pay the debts, and provide  
22 for the common defense and general welfare of the United States" and "to  
23 make all laws which shall be necessary and proper for carrying into execution  
24 the powers vested by the United States Constitution in the government of the  
25 United States, or in any department or office thereof." These constitutional  
26 provisions merely identify the means by which the federal government may  
27 execute its limited powers and shall not be construed to grant unlimited power  
28 because to do so would be to destroy the carefully constructed equilibrium  
29 between the federal and state governments. Consequently, the General  
30 Assembly rejects any claim that the taxing and spending powers of Congress  
31 may be used to diminish in any way the right of the people to keep and bear  
32 arms.

33 (9) The General Assembly finds that the federal excise tax rate on arms and  
34 ammunition, which funds programs under the Wildlife Restoration Act, does  
35 not have a chilling effect on the purchase or ownership of such arms and  
36 ammunition.

37 (10) The people of North Carolina have vested the General Assembly with the  
38 authority to regulate the manufacture, possession, exchange, and use of  
39 firearms within the borders of this State, subject only to the limits imposed by  
40 the Second Amendment to the United States Constitution and the Constitution  
41 of North Carolina.

42 (11) The General Assembly strongly promotes responsible gun ownership,  
43 including parental supervision of minors in the proper use, storage, and  
44 ownership of all firearms; the prompt reporting of stolen firearms; and the  
45 proper enforcement of all State gun laws. The General Assembly hereby  
46 condemns any unlawful transfer of firearms and the use of any firearm in any  
47 criminal or unlawful activity.

30       contrary, if the State or a political subdivision employs a law enforcement officer who knowingly  
31       violates subsection (c) of this section, the State or political subdivision shall be liable to the  
32       injured party in an action at law, suit in equity, or other proper proceeding for redress, and subject  
33       to a fifty-thousand-dollar (\$50,000) civil penalty per occurrence.
- 34       (f)    Injunctive Relief. – Any person injured under this section shall have standing to  
35       pursue an action for injunctive relief in a court of competent jurisdiction with respect to the  
36       actions of such officer. The court shall hold a hearing on the motion for temporary restraining  
37       order and preliminary injunction within 30 days of service of the petition. In such actions,  
38       notwithstanding any provision of law to the contrary, the court may award the prevailing party,  
39       other than the State or any political subdivision, reasonable attorneys' fees and costs.
- 40       (g)    Exceptions. – Neither of the following is considered a violation of this section:
- 41           (1)    Providing material aid to federal officials who are in pursuit of a suspect when  
42           there is a demonstrable criminal nexus with another state or country and such  
43           suspect is either not a citizen of this State or is not present in this State.
- 44           (2)    Providing material aid to federal prosecutions for either of the following:
- 45           a.    Felony crimes against a person when such prosecution includes

6 of the State or of a political subdivision of the State for either of the following:

7 a. Referring firearm cases to any United States attorney for potential  
8 prosecution if such case is a violent felony offense and if that  
9 prosecution would entail prosecution of violations substantially  
10 similar to those found in this Chapter involving the use of a weapon,  
11 provided that such weapons violations are merely ancillary to that  
12 prosecution.

13 b. Participating with federal law enforcement to enforce laws of the State

26 law-abiding citizens."

27 **SECTION 3.** If any provision of this act or its application is held invalid, the  
28 invalidity does not affect other provisions or applications of this act that can be given effect

30 severable.

31 **SECTION 4.** This act is effective when it becomes law.
