25 refusal, limitation or revocation, and without prejudice to any other course of action open to such  
26 person in law or in equity, appeal to the board. On such appeal the board shall inquire into and  
27 determine the facts, de novo, and unless it finds that such a refusal, limitation or revocation,

8 sought, forthwith and without further hearing.

9 (f) The board shall hold hearings at such times and places as it in its discretion reasonably  
10 determines to be required, but not less than once every ninety (90) days, and shall give reasonable  
11 notice of the time and place of the hearing to the appellant and to the issuing authority. The board  
12 shall have the power to compel attendance at its sessions.

13 (g) All appeals hearings shall be conducted in an informal manner, but otherwise  
14 according to the rules of evidence, and all witnesses shall be sworn by the chairperson. The board  
15 shall cause a verbatim transcript of the hearing to be kept in such manner as it may determine,  
16 and shall furnish such transcript to any party appealing its decision as hereinafter set forth. The  
17 statements of witnesses made under oath shall be privileged. Decisions of the board shall be by  
18 majority vote and shall be communicated in writing to the appellant and to the issuing authority  
19 within twenty (20) days after the rendering of the decision. If any issuing authority neglects or  
20 refuses to comply with a decision of the board within ten (10) days after notice of the board's  
21 decision has been given to such issuing authority, the board shall apply to the superior court for a  
22 writ of mandamus to enforce the board's decision. Failure of the board to provide a decision  
23 within twenty (20) days shall be considered an approval.

24 (h) Any person aggrieved by the decision of the board may appeal therefrom in  
25 accordance with the provisions of § 42-35-15.

26 (i) The board shall serve without compensation, but its members shall be entitled to
