5 "(v) "Firearms code" means any code or other indicator
6 that a merchant servicer assigns to a merchant or to a payment
7 card transaction that identifies whether a merchant is a firearms
8 retailer or whether the payment card transaction involves the
9 purchase of a firearm, firearm accessories or components or
10 ammunition. The term "firearms code" includes, but is not limited
11 to, a merchant category code assigned to a retailer by a payment
12 card network or other merchant servicer;". BEAR, CHAIRMAN
